**CHRISTIAN SCIENCE CHURCHES**

"God the Preserver of Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 13.

The Golden Text was "Preserve me, O God: for in thee do I put my trust" (Psalms 16:1).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "But now saith the Lord that created thee, O Jacob, and he that formed thee, O Israel. Fear not: for I have redeemed thee. I have called thee by thy name; thou art mine. When thou wast through the waters, I will be with thee; and through the rivers, they shall not overflow thee: when thou walkest through the fire, thou shalt not be burned; neither shall the flame kindle upon thee. For I am the Lord thy God, the Holy One of Israel, thy Saviour" (Isaiah 43:1-3).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The divine Mind that made man maintains His own image and likeness" (p. 151).

### Braeside School Has Christmas Party

Every year at Braeside school the children invite their parents to join them in singing Christmas carols at their annual Christmas party. This year it took place on Wednesday evening, Dec. 16, at the school. The new assembly hall looked very inviting with the beautiful tree and other decorations. There were tableaux put on by some of the children, and to cap the climax, the parents had arranged with Santa Clause to be present and distribute candy to the youngsters.

Although simple enough, this is such a happy spirit always at this

Christmas carol singing at the school. It is always more than merely a Christmas party. In some real sense, children, parents, and teachers feel here a union of peace and goodwill, and Wednesday evening was no exception; it was a very pleasant evening for all who attended.

If you are interested in winning a 20 pound turkey for your Christmas dinner listen in to the Voice of Cookery program at 10:45 a.m. before Friday, December 18 for full particulars.
