PHIL LIBBY former Restaurateur now Food Consultant

The Voice of Cookery

conducted by PHIL LIBBY former Restaurateur now Food Consultant

According to Webster, "A snack is a slight, hasty repast"...

Whether a snack is a slight hasty, repast or a light meal seems to me I have heard that a snack is nothing more or less than a light meal.

Meat, fish, eggs and cheese are generally the basis of a satisfying snack along with the finishing touches added by pickles and condiments...

assortment of cold meats and cheeses are prepared when snacks and pick-up meals are in order.

Let me give you a few sandwich fillings that will come in handy.

Mash 6 slices of liver sausage with 3 hard cooked eggs, chopped; add 1/2 teas. prepared mustard; 1/2 cup boiled ham, chopped and 2 sweet pickles, chopped.

Health Exhibit at Exposition Feb. 4-8 Interesting Feature

Through the cooperation of Rep. Richard J. Lyons of Libertyville, the Illinois department of health at Springfield will send its entire health exhibit to the Industrial Products exposition to be held at Waukegan township high school four days starting on the evening of February 4.

Dr. B. K. Richardson, chief of public health instruction at Springfield, expressed great satisfaction with the fact that the Industrial Products exposition management will supply space for an exhibit covering nearly 150 feet.

Another feature which has been somewhat late in developing, but which will furnish one of the outstanding points of interest in the show will be the national show of the exposition.

Centrella Team Adopts New Deal Handicap System

With only 13 more games to roll, the Centrella Bowling League officials are the first organization to adopt the New Deal System of Handicaps.

The new system of handicapping bowlers, met with instant approval of the members of the Centrella League when the originator of the system explained its many advantages over the time honored systems which all have been lacking in caring for the poorer teams.

Table with 4 columns: Team, Wins, Losses, Points. Includes teams like Wilson's Ideal, Gebhardt's Eagles, etc.

"Color in Guatemala" Will Be Described by Mrs. Ewell Feb. 12

Hazel Crow Ewell will be guest speaker at the February meeting of the Ravinia Garden club, which will be held at the home of Mrs. Howard Will, 2394 Deere Park drive, February 12, at 2 p.m.

Mrs. Ewell has just recently returned from Guatemala where she spent a number of weeks studying the country. While there she travelled extensively, even going into the jungle seeking studies in color—observing peoples and following up her strong interest in early culture of North and South America.

Mrs. Ewell, who has recently been accepted as a lecturer for club programs by the Conference of Club Presidents and program chairmen of Northern Illinois, gave a talk on Guatemala last week, before more than 200 members of that organization at the Art institute.

She has also given a number of talks on "Gardens," "Life in Mexico," "Experiences on Trails in New England," and other subjects, up and down the North Shore, which have been very well received, and only yesterday (Wednesday, February 3) she lectured at the Municipal Art league in Chicago.

It is with pride that the members of the Ravinia Garden club are presenting Mrs. Ewell on this program
