the country has just passed, they contributed in many ways to the relief of suffering, and they have rendered noteworthy service in the flood areas this year.

The Boy Scouts have not only demonstrated their worth to the Nation, but have also contributed to a deeper appreciation by the American people of the higher conception of good citizenship.

The objective of the present Ten Year Program of the Boy Scouts of America is to provide for the nation a citizenry in which one of every four of the new male citizens each year will have had at least four years of Scout training.

During the past twenty-seven years 7,377,008 persons through the various programs of Scouting have enjoyed adventure, hiking, camping, swimming, woodcraft, handicraft, fellowship, health and safety, and have learned how to be helpful to others and have been trained to be participating citizens.

During the week from February 7th to 13th the Boy Scouts of America will celebrate their twenty-seventh anniversary. President Roosevelt who is their Honorary President will address by radio, a message to all the Boy Scouts on February 8 and I trust citizens of this city will attend his message. Boy Scouts of this city will represent us at the National Scout Jamboree to be held in Washington, D.C., next June 30th to July 9th and I shall strive, with the cooperation of my fellow citizens, to arrange suitable ceremonies at their departure and return.

THEREFORE, I, William M. Dooley, Mayor of the City of Highland Park, do hereby recommend that the citizens of this city observe this Boy Scout Week for the purpose of strengthening the work of the Boy Scouts of America.

I earnestly recommend that our civic organizations, our churches and our schools cooperate in carrying out a program for a definite recognition of the effective service rendered by the Boy Scouts of America, in order that the work of the Boy Scout program may be extended to a larger proportion of the boyhood of this city.

The Boy Scout Movement offers unusual opportunity for volunteer service. It needs men to serve in various capacities as leaders of boys. I hope that all who can, will, through the organizations with which they are connected, enlist for such personal service. Anything that is done to increase the effectiveness of the Boy Scouts of America will be a genuine contribution to the welfare of this City, the State, and the Nation.

In witness whereof I have hereunto set my hand and caused the seal of this City to be affixed.

Done this 30th day of February, 1937, in the year of our Lord, one thousand nine hundred and thirty-seven.

WILLIAM M. DOOLEY.

Philathelic Society Meeting

The North Suburban Philathelic society held its first annual show, banquet and auction last night. The guest speaker was Mr. Paul McGuffin of Libertyville, who has been interested in stamp collecting for the past 40 years.

The exhibit was well planned and showed a variety of interest in the hobby and among the outstanding frames of stamps were those showing United States airmail items including the Graf Zeppelin issue.

The frame that perhaps attracted the most attention was one showing various pictures of men with beards.

Five door prizes were awarded those attending the dinner.

There were 71 present which was considered a great interest shown for the first annual show and dinner.
