

Boy Scout News

City of Highwood

Minutes of council meeting and report of activities for Scout Day, Feb. 6, 1937.

The Scouts took charge of the City of Highwood at noon on Feb. 6, 1937. The Police department was very active all afternoon making several arrests. The Fire department worked shining the truck and learning how to handle the equipment. At 5 p.m. a call came and the fire ladders made a run to the baseball field where they extinguished a gasoline fire.

At 7 p.m. Court convened with Scout Evan Dever as Police Magistrate. He levied some stiff fines of tickets from the WLS Barn Dance show to be held next month for the benefit of the Scouts. The following cases were tried:

Joseph Alibi—illegal parking—fined 4 tickets.

Ex-City Marshall F. Fink—parked his car too far from the curb and left the motor running—fined 4 tickets.

Sherony Hardware Co.—failed to appear for trial and an officer was sent out with a summons to bring the prisoner in. He was found guilty of parking on the sidewalk and insulting and officer—fined 5 tickets.

Ex-Mayor John Meyers was fined 2 tickets for parking on the lawn of the City hall and 2 more when he asked for a continuance.

Ex-Alderman Roy Russell had to be brought in by a summons and was fined 5 tickets for parking on the wrong side of the street.

The Pure Oil Service station and Dr. A. L. Berg were tried in the afternoon and each fined 2 tickets for illegal parking.

Court adjourned at 8 p.m. and retired to the Council Chambers for the Council meeting.

Meeting was called to order at 8:10 p.m. by Mayor Warren Goldstead with every city official answering the roll call.

Under communications a letter from Mr. J. E. Engquist, district chairman of the Boy Scouts for the Highwood district thanking the Mayor and his administration for the whole hearted cooperation and support given the Scouts in their program was read and placed on file.

The Fire department turned in a bill for \$20 for fighting a fire at the ball field. After being properly moved and seconded, bill was allowed and ordered paid.

Under the Good and Welfare of the City several good recommendations by the aldermen were acted on and moved to be enforced. A resolution to raise the pay of the next administration. A motion to purchase and erect street signs at each intersection. The vote on this motion resulted in a tie and the Mayor cast the deciding vote in favor of the motion.

A recommendation that the City Council use its influence in securing and maintaining a heated shelter for the skating pond at the Oak Terrace school.

Under reports of committees the following was reported:

Commissioner of Public Works, H. Ahlberg reported favorably on condition of the city dump and the construction of the sewer being installed in the north end of town.

City Treasurer Peter Retig read a financial report of the city.

Health Inspector Philip Tenny told of an inspection of the city and recommended a Clean Up Week for the entire city.

Police Magistrate Evan Dever reported \$7.75 in fines collected by his office.

Chief of Police Frank Menduno verified this report.

Mayor Warren Goldstead then thanked Mayor Meyers and the members of the City Council for the opportunity of running the city. He then asked the Scouts and all city officials to stand and repeat the Scout Oath after which he returned city and credentials to the proper officers. The meeting adjourned with every Scout having derived a great deal of benefit from his experience as a city official for a day.

Troops High Registration

Fifteen packs, troops and ships reregistering in the month of January have turned in over 75 per cent of their 1936 Cubs and Scouts for renewal of membership in 1937. This is a very high record and the following leaders and troops are to be congratulated:

	Per Cent
P. 66—Bob Townley, C.M.	97.2

Celebrate 27th Anniversary

The Boy Scouts of America, more than a million strong, are celebrating Feb. 7 to 13, as their 27th anniversary, with unusual activity. In almost every community in the council, troops have recorded 1936 as the year of greatest gains in membership as well as advances in all programs of the movement.

The year 1937 is scheduled to be a momentous one in Scouting. President Roosevelt, Honorary President of the movement and himself an active leader, addressed the Scouts by radio from the White House on Monday, Feb. 8. Next June 30 to July 9, more than 25,000 Scouts from "every nook and cranny, every section of the nation," to use President Roosevelt's own words, will gather at Washington, D.C., where they will live, work and play together in a great National Jamboree, camping on 350 acres loaned by Congress.

Participate in Scout Week

Many troops of the North Shore Area council are having some sort of special celebration during this week, which is known as National Boy Scout Week. It was on Feb. 8, 1910 that the movement began and each year the week containing Feb. 8 is set aside for special Scout activity. Parents nights, school assemblies, special good turns, Scout church services and other features mark Scout Week celebration. Each year on Feb. 8 the President of the United States broadcasts his greetings to the Boy Scouts everywhere.

Helps Annual Meeting

A Hammond organ, the electrical organ without pipes, reeds or wind chest, was provided by the Hammond Organ Co. for the annual meeting of the North Shore Area council. Mr. Porter Heaps, well known Chicago organist and demonstrator for the Hammond Organ, played during the dinner and for the singing afterwards. His music was enjoyed by all present and many people showed a real interest in the instrument.

President Roosevelt Broadcasts

President Roosevelt, Honorary

President of the Boy Scouts of America and an active leader for the past fifteen years in Scouting, broadcast a special message from the White House to Boy Scouts throughout the nation on Monday, Feb. 8. Participating in the broadcast from the White House were: Mr. Watler W. Head of St. Louis, President of the Boy Scouts of America, and Dr. James E. West, the Chief Scout executive. Eight Eagle Scouts from Washington and nearby Scout councils were present.

February 8 is the 27th anniversary of the founding of the Boy Scouts of America. Boy Scout week is being observed in Scout councils throughout the country from February 7 to 13. The broadcast from the White House was a feature of this annual observance.

President Roosevelt featured the Scout Jamboree in his address. This event is to take place next June 30 to July 9 in Washington, D.C., in response to an invitation extended by the President. It is expected that 25,000 Scouts and leaders representing every city, town and village will take part in this event.

They will camp together for ten days along the Potomac river on 350 acres of Federally-owned land loaned by Congress for the occasion.

Because the jamboree will be attended by Boy Scouts of other lands, it is expected that ambassadors and other representatives of the participating nations will join with President Roosevelt and other leaders at the Nation's Capitol in taking part in several jamboree activities.

Dr. West announced that the Boy Scouts have completed the most successful year in their history. Over 1,300,000 persons have been connected with the movement, he stated, and more than 7 million have been members since the organization was first incorporated in 1910. Millions of the present and former members and their families and friends listened to the broadcast on Feb. 8. On Feb. 8 also as provided in the national by-laws of the Boy Scouts of America members of the movement recommitted themselves in formal ceremony to the Scout oath and law, the guiding principles of the movement.

Living on Borrowed Blood. Can't make any blood of her own and has to be filled up like an auto tank every two weeks. Read about this unusual case in THE AMERICAN WEEKLY, the magazine distributed with NEXT SUNDAY'S CHICAGO HERALD AND EXAMINER.
