Gradually your dollars are growing smaller and smaller. And as prices advance—as every housewife knows they are—your dollars have less buying power. Every indication is that, with our planned or unplanned economy, the dollar shrinkage will continue. Therefore the wise and thrifty will give more than ordinary care as to how they spend their withering currency.

To those who are interested in getting full duty out of their dollars this week's "Dollar Day" staged by local merchants will be a welcome event. The proprietors of local stores have gone into the wholesale markets and done their utmost to secure merchandise for this occasion, which would give you unusual values. Study their announcements in this issue of the Press to find ways of making the dollars go further.

Dollar Day, however, is more than a mere bargain event. It is an opportunity for the local merchants to show their appreciation of your past patronage—to demonstrate their ability to serve you. On the other hand it is your opportunity to express, by your purchases on "Dollar Day," your gratitude for the service rendered the community by the business men. In the rush of twentieth century living we are apt to forget what we owe to one another. Imagine Highland Park as a community without stores or imagine it as a group of stores without customers.

We urge citizens to make "Dollar Day" a money saving event for themselves and a demonstration of the co-operative civic spirit of Highland Park.

A large auto truck belonging to Marshall Field & Co., was struck and badly damaged by a south bound limited train on the C.N.S. & Milw. R.R. at Roger Williams avenue at 12:30 Wednesday, the driver escaping without injury.

Fire of mysterious origin which broke out at midnight Saturday, destroyed the administration building, the dining hall and the kitchen at the Arden Shore resort. Whether the fire was started by tramps or whether the buildings were destroyed by enemies of the organization could not be learned.

The quick service rendered by the fire department in extinguishing the fire which occurred in the cellar of Mrs. Jacob Vetter's home on McDaniel's avenue, Friday afternoon was a great credit to their chief, Mr. E. E. Farmer. The fire was discovered about 2:45 by Mrs. Vetter who immediately notified the fire department. Only the basement of the house was damaged by fire and water.

The marriage is announced of Miss Frieda Voight and Mr. Ferdinand Hummer which took place Tuesday.

Saturday evening will see one of the gayest social affairs of the season. Miss Dorothy Miller will give a masquerade party to seventy-five friends at the Highland Park club.

Miss Lauretta Kress left Sunday for Sapulpa, Okla., where she will spend a month visiting her aunt Mrs. John Fitch.

February 10, 1927 Ten Years Ago

Work will start March 15 on a new building which will house the Laeeger Pharmacy at the corner of Waukegan and Highwood avenues. This concern has been in business at this location for the past 37 years.

One of the most important moves toward cooperation of the younger business men in civic progress and welfare generally and a movement far reaching in its possibilities is the organization of a local branch here of the American Business club. This group is headed by Gould O. Davis as president and numbers 37 charter members.

Miss Clara White of the Elm Place school staff, underwent an appendectomy last evening at the Highland Park hospital.

Mr. and Mrs. F. D. Silber will leave Tuesday for Sicily and Italy where they will spend two months. Mr. and Mrs. E. W. LeGren of Chicago avenue are announcing the birth of a son, born Monday, February 7th.

Mr. and Mrs. William Pearl and their daughter Bernice left Tuesday for California for a six weeks sojourn.

Centrella Bowling League Adopts New Handicapping System

After a thorough investigation by the officials of the Centrella Bowling league the progressive handicap system was adopted for the balance of the season.

This new system of handicapping bowlers is the result of the combined study of the committee and bids fair to become nation-wide famous. It absolutely removes all advantage of the better bowlers over the beginners and operates automatically as a bowler improves his game.

A league of ten teams has ten brackets of five men each, handicapped in series of five, based on the best five average scores, as scratch for the league.
