### CHRISTIAN SCIENCE CHURCHES

"Mind" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 21.

The Golden Text was, "Trust in the Lord with all thine heart; and lean not unto thine own understanding" (Proverbs 3:5).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out! For who hath known the mind of the Lord? or who hath been his counsellor? For of him, and through him, and to him, are all things: to whom be glory for ever" (Romans 11:33, 34, 35).

The Lesson-Sermon also included the following passages from the Christian Science textbook: "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Mind is God, and God is not seen by material sense, because Mind is Spirit, which material sense cannot discern" (p. 310).
