Skidmore Reports on Camp
 In a letter to Scout headquarters, Burnham Skidmore the caretaker at Camp Ma-Ka-Ja-Wan reports "all's well." He says that the ice and wood will all be up and taken care of by the last of this week and that there has been plenty of snow. The camp has stood the winter in good shape and "Skid" says he and his family will be glad to see everyone back again for camp next summer.

Scoutmasters Meet
 The Scoutmasters of the North Shore Area council met last Monday evening at the County Line Barbecue on Waukegan road. A good representation from the area was on hand to discuss program features as affecting all of the troops of the council.

Briefly the subjects discussed were:
 Camp Ma-Ka-Ja-Wan for 1937
 The Mid-West First Aid contest.
 The National Jamboree.
 Camp-O-Ree.
 Training.
 Revision of Scout requirements.
 Golden Gloves party for Scout leaders.
 Camp movies for Parents nights.
 Hamburger sandwiches, pie and coffee were served to the group after the meeting.

Scouts and Leaders See Golden Gloves
 Many Scouts and leaders of the North Shore Area council attended the Golden Gloves boxing matches each night, Monday, Tuesday and Wednesday last week. On Wednesday evening the party was made up mostly of Scout leaders and their wives and all report having had a fine time and all appreciated the courtesy extended by the Chicago Tribune in making the tickets available.

Scout Requirements Revised
 The following revisions in Scout requirements are now in effect throughout the North Shore Area council and Scouts and Scoutmasters are asked to make note of these changes. The latest edition of the Scout handbook contains all of these changes but many Scouts and leaders do not have them.

It is suggested that this copy be clipped and pasted inside the handbook for quick reference.
