

Deerfield Auxiliary Makes Many Plans

The regular monthly meeting of the American Legion Auxiliary was held on the evening of March 15th, at the home of Mrs. Reuben Davis, Hazel Ave., Deerfield.

Mrs. Agnes Tennermann, Americanism chairman, stated that they will continue sponsoring the speakers in public office, before the 7th and 8th grade pupils of our local schools on government affairs, and that the public is invited to attend these, when possible, as they are both interesting and instructive to all.

The Oratorical Contest is to be conducted on the evening of April 1st, a yearly project sponsored by both the Legion and Auxiliary, in the Deerfield Grammar school.

Community Service chairman, Mrs. Elsie Scully, reported having given out clothing to the amount of \$5.15 the past month. The Safety films program given on Monday evening March 8, was enjoyed by those present, and was followed by a social hour with cards and dancing, to complete a most enjoyable evening.

President, Mrs. Gladys Dunham read her report of the Americanism and National Defense conference held at the Medinah club in Chicago, recently, which was attended by four members.

A Spring luncheon and card party is being planned for Wednesday, April 21, which is one of the important coming events.

A discussion on sending a boy to Boy's State again this year, held at Springfield, Ill., was held, which will probably again be taken up.

March 17, being the 11th birthday anniversary of the Legion Post of Deerfield, the Auxiliary plans to be hostess to its members at a birthday party to be held on Monday evening March 22.

The next meeting of the Junior group is to be held at the home of Enith Uchtman on March 20.

Historic Facts of Highland Park's Community Service

For the past two weeks in the Press we have been telling about the early history of Highland Park's Community Service Inc. Today let us carry on starting with October, 1932.

After a careful study of the recreation needs of the town the following activities were conducted: touch football, gym classes for men and women, first aid lessons and leadership at social gatherings. The program was inadequate as no community center was available.

Then in November, 1932, the Highland Park Elks club offered the use of their hall at Laurel and McGovern to Community Service Inc., to be used as a community building.

The staff assisted by volunteers fitted and painted the Elks hall, and on December 12 the community center was opened. There was a small membership fee which entitled members the use of the playroom, gymnasium and classes. This center was used by boys, young and old, men, women's gym class, boy scouts, girl scouts, Highland Park band, Naval Communication Reserves, basketball groups, volleyball classes and many other activities.

In the spring softball leagues were run, as were bird hikes, track and field meets, kite flying contests.

During the winter of '33-'34 a basketball league composed of all the interested grade schools of and near Highland Park was successfully conducted. Community Service officials also cared for football games, ice meets, freethrow tournaments for boys and girls.

Ravina volleyball was the first class sponsored by the Community Service and it is still a very active group. Some men who have played all this time are: Harry Best, Arthur Raff, Edwin Benson, Howard Copp, Larry Meyers, Dr. Trangmar, and X.

During the Christmas and Easter school recess there have been recreation, basketball and softball classes became a regular activity at Ravina school. Here players enjoy Badminton twice weekly under the leadership of Howard Copp. The game had grown and now nearly 200 Highland Parkers enjoy this interesting game.

In February 1935 there was considerable agitation for a community center, however, after several committees had made reports concerning this possibility, little was done to bring about such a building.

The community center on Laurel during 1935 showed much activity and fourteen different activities were regularly carried on with such success.

In the Fall of 1935 it was found that the community center was no longer available and so plans had to be made for Community Service Inc. to carry on a different type of program. Next week will conclude the series of history talks.

Garbage Disposal Ordinance Passed by Deerfield Board

The regular meeting of the Deerfield Village Board was held last Tuesday evening in the Masonic temple. Present were Mayor Harry E. Wing, Clerk Chester Wessling, Trustees Edwin Palmer, Ralph Peterson, Marshall Pottenger and Christ Willman, and Police Magistrate William Bickford. Absentees were Trustees C. S. Scribner and Monroe McKillip and Corporation Counsel George McGaughey.

Dr. C. J. Davis, health commissioner, in his report to the board stated that there was no serious illness in the village with the exception of one case of pneumonia, in February.

Chief of Police P. McLaughlin reported the collection of \$16.00 in fines.

The board voted to have a clean up campaign the last two weeks in April.

A resolution was passed to have have Corporation Counsel McGaughey draw up a fire ordinance for Deerfield similar to the one enforced in Waukegan.

An ordinance regulating the disposal of garbage within the city limits was read and adopted. The copy of this ordinance appeared in last week's issue of the Press.

Permission was granted to the Chicago Federation of Aged and Adult Charities to hold a tag day on Monday, May 3.

Election Workers
Judges and clerks for the village election on April 20 were appointed as follows:

Precinct 1 (Town Hall)
Judges—Fred Horenberger, Fred Selig and Thilo Toll.

Clerks—Mrs. Earl Frost, Mrs. Frances Diebert and Mrs. Chester Wessling.

Precinct 2 (Fritsch Home)
Judges—Leo Sellar, L. G. Hvale and William Steffen.

Clerks—Mrs. R. E. Pottis, Mrs. Mildred Guncel and Miss Irene Rockenbach.
