RAVINIA SCHOOL NEWS
 Our Musical Program
 In the past few weeks the children of Ravinia school have been working on songs to sing for our musical program. The program started with the kindergarten and continued until every grade had participated. All grades through the fourth stood on the stage and sang. The other grades sang from the floor by the piano. The 7th and 8th grades sang a two part song entitled, "Oh, Bury Me Not on the Lone Prairie," followed by two other three part songs by the 8th grade. One of the best numbers was a 5th grade song without accompaniment.
 The orchestra played several numbers also, to add to the success of the program. It was all very interesting, and we enjoyed it very much.
 A Beautiful Gift
 The Parent-Teacher association

and the Woman's Club of Ravinia have presented us with a lovely gift. It is a double string bass. It is for anyone who would like to learn to play on it. When someone can play on it, it will go into our orchestra. We are very grateful to the people who gave it to us.
 —Charles Hull, 6.
Pilgrims
 Miss Crawford's 4th grade is studying about Pilgrims and pioneers. They began where the Pilgrims left England to come to America. The children are doing things that the Pilgrims did. For instance, they are making candles and weaving a rag rug out of old rags that they dyed themselves.
 Another project they are working on is making stages with scenes of the Pilgrims. There are scenes of soap making, going to church, their landing and building log cabins.
 —Steven Meyer, 7.

CHRISTIAN SCIENCE CHURCHES
 The Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 14.
 The Golden Text was, "If we hope for that we see not, then do we with patience wait for it" (Romans 8:25).
 Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear" (Hebrews 11:3).
 The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Substance is that which is eternal and incapable of discord and decay. Truth, Life, and Love are substance, as the Scriptures use this word in Hebrews: 'The substance of things hoped for, the evidence of things not seen'" (P. 468).
