

### CONTINENTAL CAPER TICKETS FOR SALE THIS COMING FRIDAY

Tickets for the "Continental Caper" to be given Saturday, April 3, in the boys' gymnasium at the Highland Park high school will go on sale this Friday by officers and representatives of the Boys club. They will also be on sale next week.

The officers of the Boys club who will sell tickets are Don Stein, Louis Zaïin, George Olsen, Roland Bleimehl and Whitt Schultz.

Linn Johnson's orchestra has been secured. This orchestra has played for many dances along the north shore and for fraternities and sororities at Northwestern university.

This year's dance will take place on board an imaginary ocean liner, and those who attend will be regarded as passengers.

Students may come dressed formally as first class, informally as second class, or in costume for third class.

To make the surrounding suggestive of foreign countries, it is recommended that those who can come in costumes.

### Northwestern Music Festival May 11-15

Highland Park's lovers of good music are looking forward to the 1937 revival of the Northwestern University Music Festival, to be held the second week in May at Patten gymnasium under the sponsorship of Northwestern University Festival association.

Festival subscriptions for the series—four gala programs, May 11, 13 and two on the 15th—are being made on the basis of first come first served, and choice seats will be at a premium before the end of March, according to present indications.

Highland Park's committee to assist in the sale of tickets is now actively at work. Organization of this committee was effected on Wednesday, March 3, when Mrs. Lawrence E. Meyer, co-chairman with Mrs. Arthur Byfield, entertained at tea at her home on S. St. Johns avenue. Those assisting in Highland Park are Mrs. Joseph B. Garnett, Mrs. Roland Hastings, Mrs. William Eisendath, Mrs. C. W. Schaaf, Mrs. Irving Schur, Mrs. Thomas Sheridan, Mrs. Del Lupton, Mrs. Frank Sincere, Mrs. J. H. Lambert, Mrs. Clarence Balke, Mrs. Miss Kaytherine Scherstrom, Mrs. Charles Nixon, Miss Adah Voss.

In view of the fact that forty per cent of the 3,100 seats available were sold two and a half months before the festival and that more than fifty per cent had been reserved before the committee undertook active solicitations, a complete sell-out appears inevitable. Mrs. Byfield stresses the point that if you want reservations you naturally will want good seats and asks that you do not wait to be solicited. Call Mrs. Lawrence Meyer at Highland Park 3214 or any member of the committee while there is still a choice of seats available.

The Chicago Symphony orchestra will give three evening programs, including an all-Wagner concert on May 11, a Bach night on the 13th and an opera night on the 15th, with Kirsten Flagstad, Gladys Swarthout and Richard Crooks among the soloists. A fourth program, intended especially for children, will be given Saturday afternoon with Alec Templeton as soloist. Dr. Frederick Stock, conductor of the orchestra is musical director of the festival.

### Deerfield Grade School Election

Two Deerfield men have announced their candidacy as director in the Deerfield Grammar school to fill the vacancy of George Engstrom who does not choose to run again. A caucus was held last week in the school and both names were proposed. The two seeking office are O. F. Burnett, Jr., of Rosemary terrace and Raymond Meyer of Wauegan road. Both men are well educated, have little children attending school, and are highly respected in the community.

O. F. Burnett, Jr., received his high school education at Proviso in Maywood, is a graduate of the University of Illinois and has taken special G.E. work in Schenectady, N. Y. He is associated with his father in the Kelso-Burnett Electric Co. in Chicago.

Raymond Meyer was born in Deerfield of a pioneer family. He is a graduate of the Deerfield Grammar school, the Deerfield-Shields high school and has had three years of college. He has been an assistant instructor in the vocational department in the Deerfield-Shields high school, and is now owner and manager of the local Pure Oil Station.

The election for director will be held on Saturday afternoon, April 10, in the Deerfield Grammar school.

### Re-examination of WPA Rolls Causes Many Adjustments

The Illinois Emergency Relief Commission has cancelled the certifications of 213 WPA workers in Lake County who were assigned to projects from public relief rolls in order that their places may be taken by persons who are actually receiving public assistance, according to Mr. Frank Miller, director of recertification.

The cancellation of these certifications was made in conjunction with a state-wide re-examination of the current eligibility for WPA employment of all workers in the State who were assigned to projects from relief rolls.

In making this re-examination of Lake county, a total of 1430 cases were re-examined. Of these, 1217 were found to be still in need of WPA employment. A total of 974 cases had no income other than WPA wages, and, while 243 had other resources, these resources were not adequate to meet their needs, as determined by existing relief standards.

Of the cases on which certification was cancelled, 49 were found to have incomes that were sufficient to meet their needs. A total of 52 persons on WPA projects failed to report for re-examination, and, as a consequence, it was assumed that they were no longer in need of this employment.

The certifications on the remaining cases were cancelled because the workers were no longer eligible for this employment according to existing WPA regulations. Of these, 75 were eligible for application for old age assistance. Four certifications were cancelled because the workers were found to be physically unfit for ordinary work, while 22 certifications were cancelled because the workers had become separated from the family group from which originally certified. The remaining 11 cases were cancelled because of miscellaneous reasons.

The re-examination of WPA workers' eligibility for continued employment on projects is being carried out by the Commission in an effort to reduce local public relief rolls by putting people from these rolls on projects in place of workers originally assigned from relief rolls, but who are no longer in need of unemployment relief or who are eligible for other forms of assistance.

### D. A. R. BETTER FILMS REVIEW

**Feature No. 1**  
 "Under Cover of Night." Cast: Edmund Lowe, Sara Haden, Florence Rice, Nat Pendleton, Thursday, March 25. This mystery thriller tells of a college faculty involved in a series of murders, because of the ambition and unscrupulousness of one of its members. The story is unique, for the audience knows the murderer and follows his apprehension by the clever detective with keen interest.

**Feature No. 2**  
 "Mind Your Own Business." Cast: Charles Ruggles, Alice Brady, Lyle Talbot, Thursday, March 25. An hilarious comedy in which Charles Ruggles and Alice Brady prove themselves inimitable comedians. A plausible story, with much clean humor, understanding direction and an interesting insight into scout lore.

"One in a Million." Cast: Sonja Heine, Jean Hersholt, Don Ameche, Adolph Menjou, Friday, Saturday, March 26, 27. Gay music and a cast of clever funsters are thrown in for good measure, but "One in a Million," is first and last a triumph for its lovely skating star, Sonja Heine. The producers have given her lavish back grounds and a fine supporting cast. Highly recommended for family.

"After the Thin Man." Cast: William Powell, Myrna Loy, James

Stewart, Elissa Landi, Sunday, Monday, Tuesday, March 28, 29, 30. This story combining racy humor, clever detective work, touches of melodrama and sparkling dialogue, is wholly entertaining. The acting throughout is good, the gallery of characters ranging from an elderly socialite to a pickpocket, add variety and comedy and the sequences showing the domestic troubles of Asta, the dog, are particularly delightful, but the excessive drinking is to be criticized. Adults and young adults.

**Feature No. 1**  
 "Don't Tell the Wife." Cast: Una Merkel, Guy Kibbee, Thurston Hall, Lynne Overmaw, Wednesday, Thursday, March 31, April 1. An amusing comedy, the story offers an excellent illustration of the way in which promoters prey upon the ignorant and the simple. The actors are well adapted to their parts and the direction is good. Adults.

**Feature No. 2**  
 "Theodora Goes Wild." Cast: Irene Dunn, Melvyn Douglas, Thomas Mitchell, Wednesday, Thursday, March 31, April 1. This delightfully amusing farce is so well produced, so perfectly cast and so finely directed, that it ranks with the very best in light, adult entertainment. Its fast moving episodes and its humorous situations are presented in such light and happy mood that the subtle satire on a small New England town, its people, its church and literary club, could not possibly offend. Adults.

### SCHOOL ASSOCIATION APPROVES L. F. HIGH

With the full approval of the Lake Forest high school by the North Central association of schools and colleges, graduates may enter any state university without the necessity of taking an examination.
