

### Silver Tea Sunday to Follow Concert at High School

All of those who attend the beautiful Spring concert of the High School Orchestra Sunday, April 4, are urged to attend the silver tea to be given directly afterwards in the English club rooms by the school P.T.A. Any donation will be welcome to help defray the expense of completing the charming little anteroom, where tea is always served at the regular P.T.A. monthly meetings.

Headed by Mrs. Claburn Jones, with Mrs. Arthur Oppenheimer as co-chairman. A special committee is in charge of this tea, at which more elaborate refreshments than usual will be served. A spirit of friendliness will prevail, and assisting the president of the P.T.A., Mrs. Frank Ronan, and the high school principal, Miss Minnie Burard, will be the officers and members of the board, and Mrs. John Van Bergen, chairman of the Hospitality committee, and Mrs. Ernest Volwiller, chairman of the Social committee with her committee members, as follows: Mesdames

W. H. Bingham, Olsen and Danley. After a pleasant chat over the tea cups, those who wish to do so will be conducted through the high school to see the improvements which were made last summer and to visit other interesting rooms. The cafeteria, the general offices, the library, the girls' locker room and gymnasium, the boys' gymnasium, locker room and pool, the cooking laboratory, the wood shop, the art room, the band room and the stage will be visited under the guidance of the following members of the executive board of the Student Council, Jean Ball, Bill Bigley LaVerne Cloni, Adolph Czerwenka, Robert Jackson, Betty Anne Johnson, James Sanford, Tom Simpson, Walter Stuenkel, Henry Wilder, Peter Wolf and Alan Bede.

The parents of prospective freshmen are especially urged to attend, so they can see the well-equipped school in which their children are to spend the coming four years, and to meet the splendid faculty which will have charge of their education. A festive air, a friendly cup of tea, a pleasant chat, and an interesting visit through the high school buildings will complete a delightful afternoon's entertainment.
