IREDALE Fireproof Warehouses STORAGE
Just One Small Corner of Our Piano Floor
WHEN you entrust your piano to us you may be sure that it will be surrounded by advantageous conditions such as it would probably not receive even in your own home. It is first carefully protected with dust-proof covers, then placed in a special room of uniform temperature. This preserves not only the pitch and tone, but the finish of the wood.
You will realize the value of such care when your piano is returned to you after months or even years of storage, for it will have lost none of its original beauty or value.
