EATING THE ALPHABET

Sounds a bit goofy, doesn't it? Yet every day you consume Vitamins A, B, C, D—and all the rest. But perhaps you need even more vitamins than you're getting. Your Doctor will know about that. If you are lacking in energy and vitality, he may prescribe an extra quantity of some special vitamin or combination. And when you have a Doctor's prescription, we'll appreciate the privilege of filling it. Remember, our stock of food concentrates is always fresh and complete.
