

Alcyon Presents Outstanding Film "Love Is News"

A George Arliss picture is always a treat. But there's a double treat in store for Alcyon patrons in the new comedy-drama, "Man of Affairs," which brings the one and only Arliss back to screenland in a dual role wherein he impersonates twin brothers. Adapted from Neil Grant's play, "The Nelson Touch," and showing at the Alcyon on Saturday of this week.

The romance of a thrilling three-some whose escapades crash the headlines, handsome Tyrone Power outromancing his "Lloyds of London" role, lovely Loretta Young bringing her fresh charms to a portrayal that is enchantingly different, and Don Ameche creating a new screen characterization, provides hilarious excitement in the hit, "Love Is News." Slim Summer-

ville, Dudley Digges, Walter Catlett and Stepin Fetchit are also featured in this film which the Alcyon is presenting on Sunday, Monday and Tuesday coming.

They forgot all the rules about spy pictures when they made this merrily exciting romance, "Espionage," which features Edmund Lowe, Madge Evans and Paul Lukas. The other picture on the double feature program for next Wednesday and Thursday is "A Doctor's Diary," featuring George Bancroft and Helen Burgess.

Legion Team Is Assured Uniforms; Party Is Success

More than 225 persons, the largest crowd ever to attend a Corno party in Highland Park, participated in game night sponsored Monday night by the American Legion and the Highland Park baseball team.

Credit for the success of the program, which was held to purchase uniforms and other equipment for the team, is largely responsible to the cooperation of Highland Park and Ravinia merchants. Sixty-eight business establishments contributed prizes for the corno games.

Ray Chambers, athletic officer of the Dumeresq Spencer post, was in charge of the program and refreshments. He was assisted by Johnny Halterman, Buddy Bock, Al Sordyl, Pat Passini, and Eddie Hall.

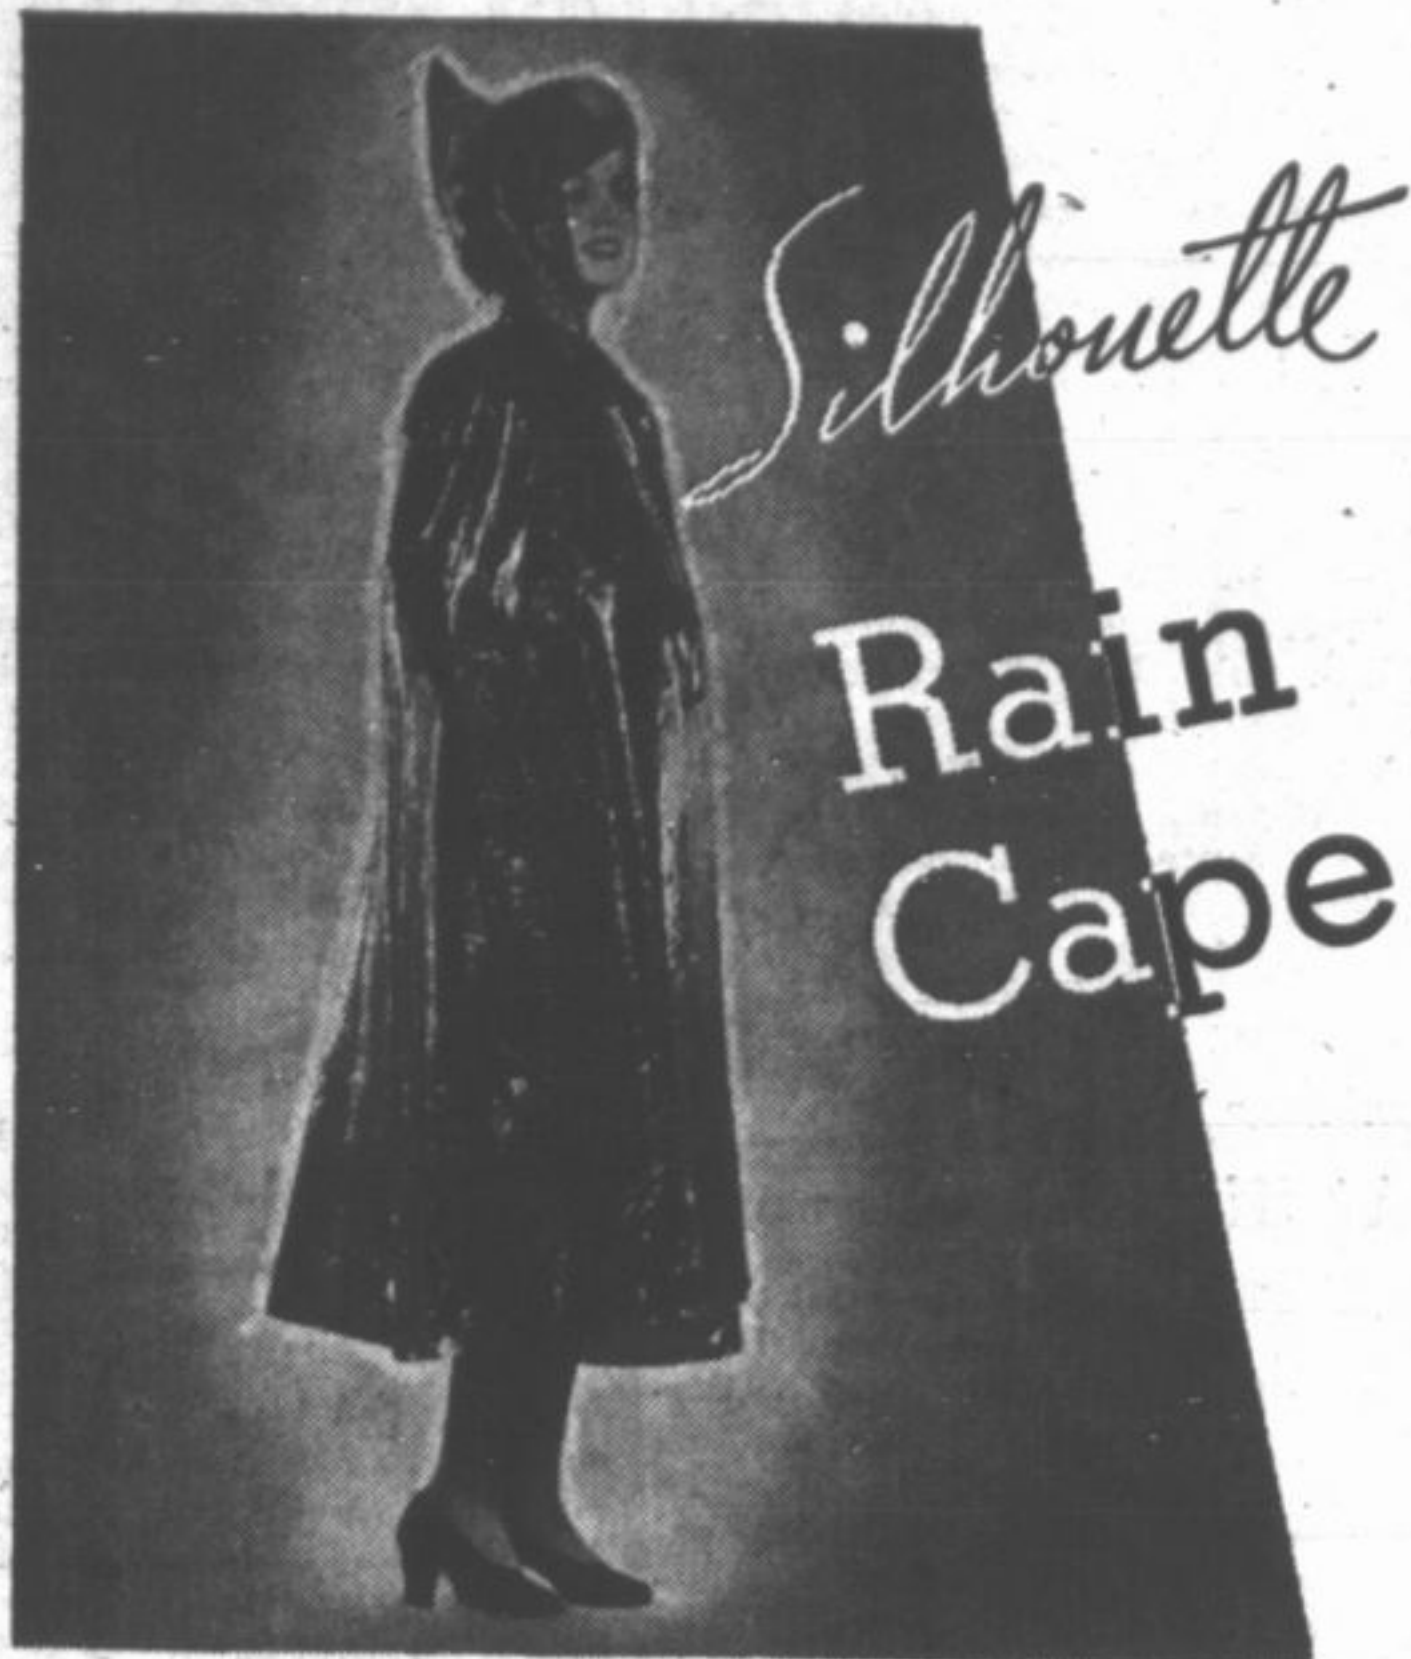

Their uniforms and their equipment due to arrive shortly, the 15 members of the local nine are conducting practice sessions twice weekly—Tuesday and Thursday evenings. A workout is scheduled for next Sunday with the first game carded for a week from Sunday.
