

City Council Hear Request From C. of C. For Parking Section

The regular meeting of the City Council was held in the council chambers Monday evening. All members of council were present.

A communication from the road and bridge committee of the Lake County Board regarding the construction of a foot bridge across the west Skokie drainage ditch was referred to Commissioner Taylor.

A request from the Highwood Boosters club for permission to hold their annual carnival on the North Shore property at the north city limits on Waukegan road, May 17-21, was referred to the mayor with power to act.

The request of C. W. McNear to vacate a portion of Exmoor ave. between Onwentsis and Skokie ave. was refused.

A communication from Benjamin T. Lewis requesting improvement of North Linden ave., including resurfacing and new curb, was placed on file. In connection with this the city clerk was requested to write to Mr. Lewis to see if signatures of property owners could be secured for this improvement.

A resolution was adopted endorsing Senate Bill No. 282 restoring to municipalities the control of their streets as far as public utility franchises are concerned.

A communication from the Board of Education of District No. 108 regarding police protection at the Lincoln school was referred to the mayor.

Ordinance fixing the salaries of city officers and employes, and one for the annual appropriations for corporate purposes were passed and ordered placed on file for public inspection, for one week before final passage.

Herman Danzel, representing a committee from the Chamber of Commerce, addressed the council with reference to securing the property lying between Elm place and Central ave. between the tracks of the Northwestern R. R. and the North Shore Line, for parking purposes, requesting the cooperation of the city.

The matter was referred to Commissioner Brown with power to act. Meeting adjourned.

1000 Entries Expected In Lake Forest Horse Show June 17-20

With more than 1,000 entries expected in the Lake Forest Horse Show which is scheduled for June 17 to 20, the North Shore anticipates one of the most festive occasions in its history.

The committee in charge of the Horse Show are, Mr. Donald E. Douglas, president; A. B. Dick, Jr., vice president; James E. Forgan, Jr. treasurer; John T. Pirie, secretary; John Andrews King, advertising director, and Ned King, manager. Mr. King is also manager of the National Horse Show association and manager of Madison Square Gardens in New York.

Mrs. William Mitchell of Lake Forest will have charge of disposing of the boxes and the judges will be: M. Roy Jackson, M.F.H. of Radnor Hunt, Penn., to judge hunter and jumper classes; Lewis Haight, Darien, Conn., to judge harness and pony classes; Sam L. Haynes, Columbus, Ohio, professional judge; Lewis Waring, New York City amateur, judge 3 and 5 gaited saddle horses with C. Gerverman Ellis to act as referee in case of tie.

Moldaner & Humer Attend Fur Exhibit

Moldaner & Humer, local furriers, this week attended the 1937 Manufacturers' Fur Fashion Exhibit at the Palmer house, Chicago. They spent two days inspecting the latest creations for the coming season, and are prepared to submit some of the original models through their connections with the style creators of New York and Chicago.

H. P. Sends Three Squads To State Finals At U. of I.

Three athletes from Highland Park High school's track squad will go to the Memorial Stadium at the University of Illinois next Saturday to compete in the state finals. Norman Durment, George Stanger and Tom Ullman took firsts at the Evanston district meet last week and earned the right to compete in the finals along with two other Lake county boys, Grome of Waukegan and Ray of Libertyville.

At Evanston, Durment and Stanger turned in even better performances than their winning times in the Lake county meet held here two weeks ago. Durment skimmed the low hurdles in 22.7 seconds to lead the field. Stanger ran the quarter in 51.2. Both of these boys, along with Ullman, who tossed the shot 46 ft. 8 in., have excellent chances of winning points at Urbana.

Grome took second in the mile run and Jimmie Ray took firsts in both his specialties, the broad jump and high jump. Both were first place winners in the county meet.

Wally Repholz pulled a leg muscle in the 220 which lost him his race and forced him out of the re-

lay team. Dave Mann and Al Harris ran the 880 relay with Ullman and Stanger in 1:34.2 which though faster than the county relay, was good for only a third at Evanston.

New Trier won the meet with 61 points. Evanston was second and Maine, third. Highland Park garnered 22 points for 4th place among the 16 schools entered.

"Social Hygiene" Is Subject of Special Meeting Of P.T.A.

Every parent of boys and girls attending the local high school is urged to be present at the special meeting of the High School P.T.A. Friday evening, May 21st, at 8:15 to hear Mrs. Margaret Wells Wood speak on "Social Hygiene." Mrs. Wood is the Field Representative of the American Social Hygiene Association, and is now being employed by the State of Illinois to lecture before school groups on the delicate subject of sex education. Her sure tactful manner of presenting her subject and her quick practical method of handling difficult problems gain the commendation of educators wherever she goes. One of the most valuable features of Mrs.

Wood's work is the fact that she adapts her talks to mixed groups, and wins the confidence of her audience by her sane views and practical suggestions on this difficult subject.

The annual meeting of the P.T.A. held last Thursday was exceptionally well attended. The reports of the officers were short but very satisfactory, and the following officers were re-elected for the coming year: President, Mrs. Frank J. Roman; 1st V. Pres., Mrs. Harry Pier; 2nd V. Pres., Mrs. Kent Wonnell; secretary, Miss Regina Beckmire; treasurer, Mrs. James Lytle.

The program was one of the best of the year, for the four Seniors, Cyrella Golden, Bill Bigley, Joan Wichman and Bob Jackson, who took part in the panel discussion on Homework and the Advisory System showed a clarity of thought, soundness of judgment, ease of manner and speech and keen interest in the subjects discussed that is unusual in students of their age. The audience of parents and teachers was deeply interested in the lively and vital consideration of these problems as presented by these thoughtful young men and women.

Highwood Mayor Calls For Meeting Of Social Service

Mayor Portillia of Highwood has called the first meeting of the Social Service committee of the city, of which he is chairman, for Friday evening, May 14. All citizens are urged to attend, and especially those who are interested in any phase of Social Service.

The new administrations of Highwood have been properly installed and all bonds of officers having been approved and accepted, the new officials are getting away to a good start.

Mayor Portillia has many plans for the betterment and beautification of the city as well as a road improvement plan, whereby he hopes to widen many of the city's streets.

Mrs. George Weil New President of Green Bay P.T.A.

In closing the year's activities of the Green Bay Road P.T.A., the High School Dramatic class presented "Submerged," a one act play depicting the tragic experiences of a submarine crew isolated on the ocean floor. Mrs. Fell, president, held the regular business meeting and election of officers took place. The following were elected for the coming year: Mrs. H. McClure, vice president; Mrs. F. S. Bankhardt, secretary; Miss Eleanor Roys, treasurer. Mrs. George Weil, who was elected vice-president last year, will be the new president. Outgoing officers are: Mrs. Milton Fell, president; Mrs. George Weil, vice-president; Mrs. Robert Thompson, secretary; Miss Sarah Wheelock, treasurer.

The 1936-37 season, as shown by the summary read by the secretary, has been a successful one. The association made purchases for the good of the school such as the cyclorama for the auditorium, a typewriter with large type suitable for small children just learning to read, and a rug for the Kindergarten. Other small purchases were made equally as important to the school and to the children. It was also noted that the programs given during the year were in the field of art, namely: a talk on the possibil-

ities of art in the home, a piano recital, a group of modern dances, and a drama.

Much of the success is attributed to the cooperation of all those connected with the school and the Highland Park papers which so generously assisted with the publicity.

Next Bird Walk Again To Start From Sunset Park

The next Community Service Inc. bird and nature walk will be held on Tuesday morning, May 18th, at 6:30 a. m. It will start from the road just west of the tennis courts in Sunset Park. Cars will leave from here to go to the DesPlaines river where a wonderful display of nature awaits the hikers. If the

weather is favorable you probably will see thirty to forty varieties of birds and about twenty or more varieties of flowers.

The markings, songs, size, habits and other characteristics of birds seen will be explained to the bird walkers by Mr. Bert S. Leech, of the Elm Place school. Bring bird glasses, they help to make the morning more interesting. The group hikes for about an hour.

The bird walk held Tuesday, May 11, was a real treat to all who went. Weather was ideal; birds of all sorts; warblers, herons, thrushes; flowers just beginning to bloom; and everybody had a fine time.

Why not plan to come along with us on our next trip this Tuesday. You are welcome. Wear rubbers or galoshes.
