

Appear In Act At "Student Stunts"

Appear in "Stunts"—Dottie Lytle and Milt Tillman, who were co-stars in "Growing Pains," will present a Tap Duo in the program Saturday evening.

Ravinia Park Will Again Be Mecca For Music Lovers

(Continued from page 1)

Fritschard, treasurer. Others continuing on the executive list are: Messrs. Thomas Hart Fisher, F. M. Knight, Howell W. Murray, Ralph

H. Poole, Renslow P. Sherer, Durand Smith, and George Voevodsky. Additional trustees are: Maurice Berkson, Donald S. Boynton, Edward L. Ryerson, Jr., Mrs. Alfred K. Stern, Charles H. Swift, Mrs. Robert E. Wood, and Max Epstein. Mr. Arthur M. Lowrie continues as technical chairman and manager of Ravinia Park.

Mr. Charles Z. Henkle and Mr.

Gorton Lang head the sale and distribution of coupon books as co-chairmen. Under their direction village committees are being formed along the North Shore, and an active campaign in the sale of coupon books is promised following the general program announcement of May 19th.

Chairmen of the committees chosen so far include: Mrs. Keith Carpenter, Lake Forest; Mrs. James M. Murphy, Ravinia; Robert S. Adler, Highland Park; John E. Davis, Glenco; Mrs. Ernst Von Ammon, Winnetka; Mrs. Elmer D. Becker, Wilmette; Mrs. T. Weller Kimball, Kenilworth; Arthur W. Rogers, Evanston.

With the additional length of the season and the unusually attractive features of the program plans it is anticipated that the sale of coupon books will far outstrip that of last year. Their convenience and economy (a saving of 25 cents on each ticket, entrance or reserved seat) makes them a practical as well as a convenient means of ticket reservation.

The proceeds of the Garden Fair will all go towards the maintenance of the Ravinia Rose Garden which is becoming one of the beauty spots of the North Shore.

Francis Everett, Aged Resident, Is Buried Tuesday

(Continued from page 1)

his 98th year, had lived in Highland Park since 1880.

His childhood was spent in Springfield, Massachusetts, where the family had moved during his infancy. He was but 12 years of age when his father died, and four years later he came with his mother, brother, and sister to the new world of the west, in the then young city of Chicago. In 1856 he entered the employ of C. N. Henderson & Co., manufacturers and wholesale dealers in boots and shoes; and later becoming a partner in the concern. He continued with this company until his retirement from business in 1894.

He knew the Chicago of those days well. His home at the time of the Chicago fire in 1871 was on Prairie Avenue near 29th and escaped the fire. But his place of business on Wabash avenue north of Washington was destroyed.

Through the years of his life he was an interested citizen, active and alert in everything that concerned the welfare of the community. His first presidential vote was cast for Lincoln.

After moving to Highland Park to the home where he has resided all through the years, he took an active part in all civic affairs. He was president of the Highland Park Club, 1894-1896; a member of the City Council, 1902-1904; president of the Board of Education of District 107, 1894-1898; and president of the Lake County Law and Order League for 18 years from 1902. Since 1900 he has been an elder in the Highland Park Presbyterian Church and for 28 years an active director of the Church Extension Board of the Presbytery of Chicago.

Mr. Everett was twice married. In 1864, Miss Sarah E. Campbell of Chicago became his wife, and she was the mother of his children. She died in 1896. In 1899, he married Mrs. Elizabeth Hawley Bowen, who survives him. His children are Miss Adele M. Everett and Mrs.

Lawrence A. Mills, both of Highland Park; Charles F. Everett of Redlands, California; and James C. Everett of Grand Rapids, Michigan. A son, Frank Warren Everett, died in 1903. There are nine grandchildren and six great-grandchildren.

At the services held in his memory in the church, the Rev. Louis W. Sherwin, D.D., the pastor, was assisted by the Rev. Clarence A. Spaulding, D.D., president of the Church Extension Board of Chicago Presbytery, and the Rev. Henry Seymour Brown, D.D., for years the General Superintendent of the Board. Dr. Sherwin paid a tribute to the qualities of Mr. Everett as a man, a Christian, a churchman and a citizen. Dr. Brown spoke with eloquence but also with fine restraint of the grand, courageous faith of Mr. Everett as shown in his active work for the Church Extension Board. It is difficult to speak of Mr. Everett without superlatives. His friends knew him as a man of stalwart character. The community will long remember him as one whose life greatly enriched the community life.

THIS OPPORTUNITY CAN'T LAST FOREVER!

THE CAR OF DOUBLE LIFE—the big, roomy Packard 120, a straight eight which has both Packard's long mechanical life and Packard's enduring identity. Easy to buy . . . economical to operate.

The Packard 120 Touring Sedan for five passengers

If you have been reading the papers, you probably know that labor and material costs have taken a big jump.

Packard, like every other motor car manufacturer, must eventually face the problem of these increased costs. Frankly, we do not believe the present low prices of our cars can be maintained another season.

So—we strongly urge you not to put off driving the car that represents the biggest motor car value America has ever seen . . . the PACKARD 120.

The Packard 120 is a big, luxurious car. It is a straight eight—an unusually spirited straight eight of 120 horsepower. In appearance, in luxury, in riding and handling qualities, in enduring identity and long mechanical life, it is a real Packard.

We honestly believe you will not find a car to compare with it at anywhere near its price.

So, come in now, drive the car and get the facts. You'll find the Packard 120 is easy to buy. And you will find that it costs less than you would believe possible to operate and maintain.

ASK THE MAN WHO OWNS ONE

PACKARD 120

Here's what a Packard 120, as illustrated, costs here in Highland Park \$1,253

Delivered price, including all standard equipment, and state and local taxes. If you, like many others, prefer to purchase your Packard out of income, the necessary down payment on the car is only \$485. Your old car, if of average value, will cover or exceed this amount, leaving monthly payments no higher than \$42.
