**Stuffed Tomatoes in Aspic**  
1 pkg. aspic flavored gelatin  
1 cup boiling water  
1 cup cold water  
½ cup flaked crabmeat  
½ cup celery, minced  
1½ teaspoon Worcestershire sauce  
4 small tomatoes  
Salad dressing.

Dissolve gelatin in boiling water. Add cold water. Allow to stand until syrupy in consistency. Pour a small amount of the gelatin mixture, (about ¼ inch) into 4 large individual molds and allow to become firm. Peel tomatoes and scoop out inside. Season with salt and stuff with a mixture of crabmeat, celery, Worcestershire sauce and just enough salad dressing to hold ingredients together. Place stuffed tomato, top side down, in mold. Fill mold with remaining gelatin mixture. Allow to become firm. Unmold on crisp cold lettuce leaves and serve with additional salad dressing. Serves 4.

1 cup shrimps, washed, cleaned  
6 patty shells.  
Melt butter or substitute in a frying pan. Add mushrooms and saute until tender. Sprinkle flour over mushrooms. Blend. Add milk, gradually, stirring constantly during addition. Season to taste. Cook mixture slowly, stirring constantly until it has thickened. Add shrimp and allow to heat through. Serve hot in heated patty shells. Serves 6.
