CHRISTIAN SCIENCE CHURCHES

"Life" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, July 18.

The Golden Text was, "Now that the dead are raised, even Moses shewed at the bush, when he called the Lord the God of Abraham, and the God of Isaac, and the God of Jacob. For he is not a God of the dead, but of the living: for all live unto him" (Luke 20: 37, 38).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Verily, verily, I say unto you, The hour is coming, and now is, when the dead shall hear the voice of the Son of God: and they that hear shall live. For as the Father hath life in himself; so hath he given to the Son to have life in himself" (John 5: 25, 26).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The understanding that Life is God, Spirit, lengthens our days by strengthening our trust in the deathless reality of Life, its almightiness and immortality" (p. 487).
