Arden Shore Needs Equipment for Baby Department

The Babyfold at Arden Shore Summer camp (for underprivileged mothers and children) is in something the same state of bewildered turmoil that the Dionne household in Callander (Ontario) was three years ago when the five little girls arrived on the scene.

Equipped to take care of twenty infants, Babyfold has suddenly found itself dispensing hospitality to thirty-two, all the youngsters in need of the special care and supervision that Miss Lois Rogers and her mother helpers give so competently.

The care and supervision are there in abundance, but the tangibles... cribs, baby buggies, clothes, toys, clothes baskets and such... are lacking, and the Arden Shore board makes a special plea at this time to its friends to help replenish the supply.

If you have anything to donate, will you please notify Mrs. S. H. Bingham, village chairman for Highland Park? She will make arrangements to send your gift to Arden Shore.

Libertyville Day To Be Held Aug. 15

Members of the various committees in charge of Libertyville day were informed at a meeting held recently, that the work of installing the new lights on the Serbian Monastery grounds, where the event will be held this year, would get under way this week so as to be sure of its completion in time for the affair on Sunday, Aug. 15.

The entertainment committee announced that this year, all concessions on the midway would be operated by local people, as this system has been found to be more popular in this locality. It was also stated that there would be at least three popular type rides on the grounds, as well as dancing to a well-known orchestra on an excellent dance floor.

It was also explained that merchandise to be disposed of on the grounds has been elected by the committee in charge and will be of the highest type obtainable.

Solicitation of merchants for donations for Libertyville Day is now under way and it is expected that a complete list of donors will be available for publication soon.
