PRETTY GARDEN WEDDING IS SOLEMNIZED

Saturday afternoon at 4 o'clock, Elizabeth Rankin daughter of Mr. and Mrs. W. S. Rankin and Mr. Harold Appleton, son of Mr. Ernest Appleton of Lake Forest, exchanged their wedding vows before an improvised altar in the Rankin garden at 530 Forest ave. The service was read by Dr. Herbert Prince, rector of the Church of the Holy Spirit of Lake Forest.

The bride was most attractive in a gown of white net over white satin, with a finger tip veil. She carried a shower bouquet of white roses and white sweet peas.

Miss Rena Nelson who served the bride as maid of honor wore a gown of aqua marquette over aqua taffeta, made in redingote style, and a peach taffeta halo. She carried peach colored gladiolus.

Miss Sally Rankin, a sister of the bride, a cousin, Miss Patey Chaffe, and Miss Betty Toon and Mrs. Harrison Walther were bridesmaids. They wore frocks of peach marquette over peach colored taffeta, and wore aqua taffeta halos on their heads. They also carried bouquets of peach colored gladiolus.

Peggy Howe, another cousin of the bride served as flower girl and wore a dress of aqua marquette over peach taffeta, with a head band of flowers to match an old fashioned bouquet which she carried.

Everett Archer, a cousin of the groom served as best man, and the ushers were Charles and Robert Rankin, brothers of the bride.

A reception followed the ceremony at the Rankin home.

Mr. and Mrs. Appleton are spending a week in Northern Michigan and upon their return will reside at 6056 N. Winchester ave., Chicago.

Lovely, of course, and cool CONCRETE HOMES

You get full measure of all the precious things that make a home when you build with concrete—

Beauty that adapts itself to any architectural style; that gives you choice of color and surface texture.

Cool comfort under the sun of summer.

Security from the attacks of fire and storm, of termites and decay.

Trouble-free livability—no sagging floors, cracked walls,

or sticking doors and windows.

Of course you can have concrete. The first cost is surprisingly low and upkeep is lower than for any other kind of home. Concrete floors, too, are moderate in cost. They're quiet, fireproof, and they take any type of covering—carpet, wood, linoleum, or simply colored and waxed.

FREE DESIGN IDEAS
Mail the coupon for beautiful new booklet.

TELL YOUR ARCHITECT you want a concrete home. Before you build, ask a concrete contractor or concrete products man to estimate your house with fireproof concrete walls and floors. Be sure that your architect and builder are familiar with the new concrete technique.
