

Y.W.C.A.

At the Y.W.C.A. in September the making of the final plans for the fall and winter season is the order of the day. The leadership council held its first meeting on Wednesday night. This group consists of representatives of all the adult clubs of the association and others who are especially interested in phases of leadership which are developed within the association. Miss Marjorie Leaming is the president of this group.

Next Tuesday at 10 o'clock the board of directors will hold its regular monthly meeting when many matters of importance and interest will be considered.

Also on Tuesday the Mothers' club of the Y.W.C.A. will hold a buffet supper at 6:30 p.m. as the opening event of its season.

Next week Thursday the Friendship club will hold its first meeting of the fall season at 7:30 at the Y.W.C.A.

Varsity Football Team Will Open Season, Sept. 18

On Saturday, Sept. 18, Coach Dave Floyd's Highland Park high school varsity football team will open the season with Crystal Lake at the local field. This year marks Floyd's third season as head football mentor and promises to be his most successful year.

The football coaching staff has been considerably strengthened by the addition of Dick Hamill, who will assist Floyd with the varsity eleven. Hamill was intra-mural director last year and, before coming to Highland Park, was head football coach at Davis Elkins, Fairmont State, and Glenville Teachers college in West Virginia and assistant at Rice institute.

Chuck Lauer will again have charge of the Frosh-Soph team which will play a regular schedule of games in double-headers with the varsity. Mark Panther of Iowa university, Big Ten javelin champion and member of last year's Olympic team, has been added to the high school physical education staff and will assist Lauer with the under-class eleven.

This year's schedule is a heavy one, calling for seven games, six of which will be played on the local field. The home schedule follows.

Sept. 18—Crystal Lake.
Sept. 25—Waukegan.
Oct. 2—Racine.
Oct. 9—Evanston.
Oct. 23—Morton (Homecoming).
Nov. 13—Dubuque, Ia.

The only game played away from Highland Park is with New Trier on October 30.

Stolen Typewriter Traced to Detroit

The Ela township high school commercial department will get back one of the two typewriters stolen from the school last Monday.

Chief Deputy Sheriff Thomas E. Kenedy traced one of the stolen typewriters to Detroit, Mich., where it was found in a typewriting equipment shop. According to information received by Chief Deputy Kenedy, a man had brought the typewriter into the shop for repairs and said he would call for it that day. The serial number on the typewriter was found to have been that of one of the typewriters stolen from the school at Lake Zurich.

Up to noon the man had not called for the machine. It will be reconditioned and shipped back to school. Detroit police are co-operating with Chief Deputy Kennedy in the search for the man who brought the typewriter to the shop.

Annual Carnival of Chicago Girls Flying Club Sept. 19

Speed trials, stunting, parachute jumping, bomb dropping, relay races, dead stick landing and novelty events will feature the program arranged for the third annual carnival of the Chicago Girl's Flying club at Curtiss-Reynolds Airport Sunday, Sept. 19, 1937.

Twenty or more of the leading women pilots in the Chicago district are listed to compete in the two-hour program. Many of the contestants are members of the "99ers," a national organization of women flyers founded in 1927 by Amelia Earhart.

The meet is not for profit. The proceeds from the nominal admission fee of 25 cents will go toward defraying the expenses of the meet and any surplus will be devoted to club activities including the promotion of aeronautics among women.

Governor Horner has donated the chief trophy. He has been invited to personally make the presentation to the winner. Another cup has been offered by Lawrence Bonfoey, chairman of the Illinois Aeronautical Commission. In all more than 40 prizes are to be awarded.

An invitation has been extended to Captain Edward V. Rickenbacker, American ace of aces in the World war, to referee the carnival. Other officials will include men who are active in the promotion of aeronautics.

Arrangements have been made to give away the latest model of a popular make of aeroplane. A committee is now working on details of the plan to be adopted in connection with this feature.

The Chicago Girl's Flying club includes among its members two young women who hold transport pilot's licenses, both of whom will compete. They are Dorothy Ring of 1253 Leland ave., youngest transport pilot in the country, and Mae Wilson, who besides holding this highest rating, owns and operates the Wilson Airport in Schiller Park. She has over 300 hours of flying time to her credit. She not only instructs but "hops" passengers at her airport.

Maxine Bennett, 1128 Washington Blvd., Oak Park, will do breathtaking stunts in her plane. She has had 500 hours of solo flying and holds many records. She learned how to fly in San Francisco in 1928 and is credited with having done loops, tail spins and wing-overs on her first solo. She was the first woman in San Francisco to obtain a pilot's license and the first woman in the United States to win her glider's license. She broke Amelia Earhart's glider record when she was president of the California Glider club. She still holds the world's speed record for light planes established in Tulsa, Okla., in 1935.

Alice Ademic DeWitt of 4655 Lake Park ave., another entrant, holds a limited commercial license. She recently married a pilot. In the Girl's Aerial Treasure Hunt in 1935, she won first place. At the 1936

women's "Rod-Air-O," Mrs. DeWitt won first place in the Joliet-Curtiss cross country race and first place in the emergency flight to Springfield, Ill.

Eleanor Domack of 159 W. Division street, also a prospective contestant, won the stunting contest last year at the "Rod-Air-O." She is an artist by profession.

Emma Sprague of Wilmette, president of the girl's flying club, will not only direct the carnival, but will also be a participant in various contests. She won honors last year at the "Rod-Air-O."

Violet Crosbie of 2017 Touhy ave., also listed to compete, is a private pilot and has been a lady-bird since 1931. She is secretary of the Illinois chapter of the "99ers," and has been in air meets since 1932. She was a star in the Chicago Flying club meet at Asburn Field in 1932, the international meet at Dayton, Ohio in 1933, the girl's meet at Curtiss in 1932 and at the "Rod-Air-O" last year.

Other pilots whose entries have been filled for the coming carnival include Loretta Breen, LaGrange; Helen Budwash, Harvey; Helen Colton, 2136 Lincoln Park west; June Kraft, 1625 Hinman ave., Evanston; Doris Langher, 3756 Harding ave.; Mabel Sherman, 942 S. Elmwood ave., Oak Park; Jane Ray, 1015 Rush street; Ruth Haupt, 2104 Gunderson ave., Berwyn and Jane Meyer, Hubbard Woods.

Seating arrangements will be provided at the carnival for 20,000 spectators.

Real Estate Board to Resume Meetings

The Evanston-North Shore Real Estate Board will begin the fall meetings on Monday evening, Sept. 13, at 8 o'clock. The meeting will be held in the Real Estate Board rooms at 616 Church street, Evanston.

Walter L. Cohrs, vice president of the First National Bank of Chicago, who is also president of the Chicago Mortgage Bankers association will speak on "The Relation of the Banker to the Realtor."

Kenwood Arondacs

In eight enchanting colors
All-wool — Full-sized
Priced exceptionally low at **\$8.95**

Kenwood Blankets are noted for their exquisite colors, and these new Arondacs are as lovely as any we have seen. They wear beautifully, too, because they're made from live new fleece wool, closely woven and well napped. Soft, warm, and amazingly buoyant. Full six by seven feet in size, in peach, blue, rose, green, yellow, camel, orchid, and cedar. Handsomely bound in 4-inch matching satin. The price is lower than you'd ever guess for blankets of such splendid quality.
