All are cordially invited to attend the services and make use of the reading room.

CHRISTIAN SCIENCE CHURCHES

"Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 5.

The Golden Text was, "God created man in his own image, in the image of God created he him; male and female created he them" (Gen. 1:27).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "As for me, I will behold thy face in righteousness: I shall be satisfied, when I awake, with thy likeness" (Psalms 17:15).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The Scriptures inform us that man is made in the image and likeness of God. Man is idea, the image of Love; he is not phytion" (p. 475).
