

Far East Situation Topic For League Of Women Voters

All members of the Highland Park League of Women Voters are reminded to save Wednesday, October 20, for the first meeting of the year. In as much as the Far Eastern situation is of great interest at this time the first speaker will be Mr. E. P. Price, head of International House at the University of Chicago, one of the foremost authorities in the midwest on this subject.

Mr. Price was at one time an American Consul in China. This program has been arranged by Mrs. L. M. Greenberg, chairman of the Department of Government and Foreign Policy should attract many Highland Park women who are not league members.

There is no admission charge. The meeting begins promptly at 1:15 and no luncheon will be served.

Members are asked to bring to the first meeting some "white elephant" article to contribute to the "Opportunity" sale which will be held the following week at the home of Mrs. Clifton Utley in Chicago's South Side.

Three Couples Barely Escape Fate Sunday in Head on Crash

A car driven by Mr. Scheunemann of Chicago, collided head on, Sunday afternoon, with a car driven by Gordon Leonard, of this city, completely demolishing both cars, while all of the occupants escaped serious injury.

Leonard who was accompanied by his wife, and two other couples, Mr. and Mrs. Gordon Segert and Mr. and Mrs. Matt Maiman, were driving west on Half Day road, about a mile west of Dietz's Stables, when the east bound car, driving on the wrong side of the pavement, struck them. Gordon was unable to get out of the path of the approaching car because of a concrete wall at the side of the road.

Negligence on the part of Scheunemann, and his companion who were deeply engrossed in conversation, caused the collision.

Legion Auxiliary Card Party Oct. 15

The American Legion Auxiliary unit of Dumaresq Spencer Post will hold their annual card party Friday, October 15, at 2 o'clock at the Y.W.C.A. The proceeds of this affair will be used for rehabilitation work at Great Lakes.

Few realize how essential this work is. True the government looks after the men who are patients at the hospital, giving them food, clothing, and medical attention, but the little things that make life worth living are not included in the government's routine. Therefore thru the help of the Auxiliary the men are supplied with magazines, books, cigarettes, games and entertainment, giving them something to pass the time away.

The committee in charge is headed by Mrs. E. L. Gilroy, Mrs. Frank Ronan, Mrs. Eickner and Mrs. Philip Cole.

"Tall" Story Hour Todays Feature at Lions Club Meet

Another "Tall" story hour is to be featured today at the regular meeting of the Lion's club which convenes at the Green Tea Pot at noon. The member who can tell the biggest whopper will get his dinner free, so be prepared you Lions—the best story wins.

Civic Opera Company Offers Fine Program

The Chicago Civic Opera Company is offering an especially fine program of operas and noted singers for the current season beginning October 30th. The management is striving to make every performance one of extreme beauty and interest and would be grateful for the enthusiastic support of music lovers. Books containing 11 coupons at a very great saving may be purchased now; coupons to be exchanged for reserved seats later. Stamps for advertising at \$1.00 per hundred can be had by calling Mrs. R. J. Beatty, 563, Highland Park chairman.

Three High School Graduates Awarded Honors at M. I. T.

Word has been received from Massachusetts Institute of Technology that three graduates from Highland Park High School have been awarded high honors. Oliver King Smith was one of 30 students of first rank in the Freshman class. Only 5 per cent of the class received

one of about 125 students of third rank, an award received only about 17 per cent of the class. Joseph Henry Klaber was given first ranking in the third year student group. All of these students achieve high scholastic standing during their High School years being especially proficient in the field of Mathematics.

Encourage Physical Education for Boys at H. P. High School

For several years it has been the purpose of the Deerfield Shields high school board of education to encourage participation of as many boys as possible in its physical education program. Under the guidance of Highland Park high school's new intramural director, J. G. Barnes, this ideal in large measure has been realized.

There are nearly six hundred boys in the Highland Park school divided into twenty session or home room groups of approximately thirty boys each. These groups, along with the boys in the vocational department, are the units about which the intramural program is organized. Just now there are twenty-one teams, representing these individual sessions, competing in a six weeks' softball tournament.

According to Mr. Barnes' report of September's intra-mural activities, 512 boys took part in the three weeks from September 13 to 30. This number includes a list of 247 individual participants, 83 being freshmen, 43 sophomores, 62 juniors, and 59 seniors and vocational students.

Boys who are on the varsity or frosh-soph squads are barred from

competing in intramural athletics during the season of that particular sport. There are over 100 boys in football suits working on one of these two squares at the present time. Allowing for the few possible duplications among the 77 boys now engaged in an intramural tennis tournaments, it is safe to conclude that more than 400 Highland Park boys are participating in the present athletic program.

In sharp contrast to the traditional type of interscholastic athletic contests, the present program plans for the participation of all boys who are physically able to take part and are free to do so after school.

Advise Citizens to Save Leaves for Garden Humus

The Civics Committee of the Ravinia Women's Club, under the chairmanship of Mrs. Frank L. Venning, urges the citizens of Highland Park not to burn the leaves as they rake them up. Fires are wasteful as well as unpleasant for the neighbors. If leaves are put in an out-of-the-way burner, weighted down with boards or branches so as not to blow, they will make an excellent humus in 3 years. Anyone with a ravine will be glad to have them scattered there to help keep the banks from washing.

No one should attempt to burn off vacant lots, especially wooded places. This practice is strongly condemned by the Fire Dept. Moreover these fires destroy the natural growth and the fertilizer needed for it, and leave bare places in which thistles, weeds and grass can start.

North Shore A. C. Open 1937 Season with Waukegan, Sun.

The North Shore A. C. open their 1937 football campaign at Highland field, Sunday, October 10, at 2:30 p.m. against an all star team from Waukegan.

The Highland Parkers will start their stellar backfield composed of Jackie Allen, Ed Olson, Beryl Shapiro and Carlson. Altho outweighed by at least 15 pounds to a man, the Highland Parkers held the powerful Austin team last Sunday to one touchdown in their first game of the season at Austin. The Highland Park team is shaping up very fast and will present a powerful attack via the air and through the line. On Sunday, Oct. 17, following the Waukegan game, Mgr. Garland, who has been well nicknamed "Tarzan," will take the H. P. team to Kenosha to play against the powerful Coopers Kenosha Yellow Jacks. Don't forget game time at 2:30 Sunday afternoon, Oct. 10.

Many Changes in Residents Recorded; List 52 Newcomers

Living up to the tradition that October is the "time for a change" is evidenced in Highland Park by the fact that during the past few weeks, fifty-eight changes have been made by residents of this city, twenty having gone to other communities while thirty-eight have moved to other locations here.

Fifty-two newcomers have been recorded, twenty-six being from Chicago, with 14 from Evanston. One family from New Jersey, one from Connecticut, one from New York and one from Pennsylvania as well as one each from the following nearby communities: Lake Forest, Glencoe, and Glen Ellyn, are also listed. With so many new people coming to Highland Park to make their homes, it will give the old residents an opportunity to extend that neighborly spirit, so that they may feel at home in our community.

College Squad Ready For Tough Knox Game

Lake Forest, Ill., Oct. 7.—The powerful grid team of Lake Forest college will swing into action again Saturday, Oct. 9, when they meet Knox college of Galesburg, at Farwell field, Lake Forest. This will be the Foresters' first home game of the season, and the day is to be dedicated to dads and mothers of the Lake Forest students.

The Lake Forest team, fresh from their 27 to 0 victory over Beloit will be out to take their second game of the season. Ed Feeley of Chicago, left end on the Forester squad who was injured in the Beloit battle, may not be ready to start the Knox game, but Coach Jones expects big Al Perry of Bridgewater, Mass., to be in shape by game time. Joe Hein of Chicago, smashing Lake Forest fullback, will be out of the game for at least three weeks because of a knee injury which has not responded to treatment. However, Orlo Adams of Milwaukee, who has been operating at fullback, ripped off several long gains against Beloit, and was a bear on defense.

Three Lake Forest boys are members of the Lake Forest squad. Chester and Bob Petersen, sons of Mr. and Mrs. Louis A. Petersen, 758 Western ave., expect to see a lot of action. It is Chet's third year as a tackle at Lake Forest and his second as a member of the varsity

squad. Bob also plays at tackle having come up this year from the frosh team.

Bob Milton, son of Mr. and Mrs. John C. Milton, 106 Woodland rd., at 265 lbs. is the heaviest man on the squad, and is also making a bid for a tackle position.

The Foresters defeated Beloit college last Friday night by a score of 27 to 0, and hold high hopes of coming through again Saturday.

Y. W. C. A. Notes

Mothers' Club Hallowe'en Party
Much fun is in store for the members of the Mothers' Club on October 12 for on that date the club is to have a Hard Times Hallowe'en Party. Mothers of Highland Park who would like to belong to a group who have many good times and render much valuable service are invited to join this club which meets on the 2nd Tuesday of each month at 8:15.

Friendship Club
Tonight the Friendship Club is having its first dance of the season. Music will be furnished by the "Gold Coast Orchestra."

Student Board
The Student Board of the Y.W.C.A. of Highland Park High School will meet at the Y.W.C.A. building.

Leadership Council
Mrs. Eugene Pfister drilled the members of the Leadership Council in parliamentary law procedure at their Wednesday night meeting. Since the group is composed largely of offices of Y.W.C.A. clubs and committee chairmen the discussion of the problems of presiding correctly proved practical.

Poster Studio
The Poster Studio will open its full meetings on Friday at 2 o'clock at the Y.W.C.A. Those who like to experiment in colors and lettering are invited to bring their paints and brushes. Work is done on actual posters for display in the community.

GIRL SCOUTS

The Girl Scouts have moved into a new office, Room 5, the First National Bank of Highland Park building. Office hours are 12 to 12 or by appointment. Call Mrs. Roy Norem or Mrs. C. Eugene Pfister for appointments, in the mean time.

Answers to questions in last weeks Girl Scout news column:
1. The ostrich and the emu among others.
2. The polar bear.

3. Seven.
- Questions:
1. What are the "ant eggs" that are sold in pet shops for feeding fish and turtles?
 2. The family of plants to which the cotton belongs?
 3. From what animal comes real tortoise?
