## \$45,000 Goal Set For Third Annual Chest Campaign

The goal of the Third Annual Campaign of the Highland Park Community Chest, set for October 27th-November 12th, will remain the same as it was a year ago, \$45,000, according to announcement made today by Lewis B. Sinclair, Chest Treasurer, following approval by the Board of Directors of the Budget Committee's recommenda-

tion and for Chest operations. "While there is no change in the total quota for the Chest campaign this year over last year," Mr. Sinclair stated, "there have been a number of changes in individual agency allocations, a few slight increases in some cases to meet greater operating costs, repair of buildings, etc. The increases to a number of the agencies, however, were offset by one reduced allocation due to the discontinuance of a special service, and the fact that this year no special contingency fund was included in the budget."

Last year the Board of Directors of the Chest voted a special allocation following the Chest campaign to the Highland Park Social Service, to administer in behalf of the American Legion Annual Christmas Party. This year the allocation for this special purpose has been included in the budget of Social Service.

**Final 1936-37 Allocation Paid**  
In connection with the announcement of this year's campaign budget, Treasurer Sinclair announced that final payment to agency members of the Chest of last year's allocation were being made this week, amounting to a total of \$3,025.00.

**Campaign Preparation Progresses**  
Jerome P. Bowes, General Campaign Chairman, stated Wednesday night that the sixteen district committees for this fall's Campaign were practically complete, and would be announced early next week.

He also announced the appointment of the Campaign Publicity Committee, composed of James T. Aubrey, Gilbert Fuller, Walter Rubens, L. H. Selz, and Bruce Logie. "This committee has the publicity material for the campaign well underway," said Mr. Bowes, "and I feel that the volunteer workers in this year's campaign will have the way well paved for them through the efforts of this committee, by the time active solicitation gets underway."

## Girl Scouts Present Demonstration Oct. 20 at Elm Place P.T.A.

The October meeting of the P. A. of Elm Place will take an entirely different form this month. The Girl Scouts of Highland Park will give a demonstration on the stage of the auditorium at Elm Place. The P. T. A. members and mothers of Elm Place children are invited, also all Elm Place girls above the second grade. Girls of ten are eligible for membership in the Girl Scouts and this will be an excellent opportunity for them to see the work of this organization. There will be an actual investiture ceremony at which three girls, Patsy Roach, Tomalita Burgess, and Ruth Brand are to be made Girl Scouts, a color ceremony, a first-aid demonstration, and finally, a camp fire scene with singing. The program is under the direction of Miss Mary Longley, Girl Scout director for Highland Park, and Miss Voss, music instructor at Elm Place. Much prominence has been given the scout movement this year, due to the Boy Scout assembly in Washington. The aims of all scout organizations with their emphasis on character development are so identical with the subject of this year's P. T. A. meetings that the Girl Scouts demonstration was chosen for the October gathering.

At future dates, there will be informal talks by Mr. Misner, principal of the Glencoe Public school, Wanda Greineisen of the Farm school and Marian Brubaker of the National College of Education.

The P. T. A. board is anxious that the parents appreciate that the purpose of these meetings is more than a social get-together over a cup of tea. Rather that these meetings provide real opportunities for learning how to help each child toward becoming a responsible citizen of the future.

This meeting will be held at 8:00 o'clock Wednesday afternoon, Oct. 20, 1937, in the auditorium at Elm Place. Coffee will be served following the program to the P. T. A. members and mothers of Elm Place children who have not as yet joined.
