

Alcyon Presents "Another Dawn"

"Kid Galahad" which the Alcyon Theatre is showing on Friday and Saturday, is a rapid-fire melodramatic romance of the modern sporting world, the graphic picturization of the Saturday Evening Post story. The film is thrilling to the final unexpected climax.

Based on the life of Jim Fisk, "The Toast of New York" is a gripping and entertaining dramatic romance. Frances Farmer is ideally suited to the role of Josie Mansfield, the woman for whom Fisk tries to solidify his financial empire by gaining a corner on the gold market. Edward Arnold steps into the 1865 frock coat as naturally as did Fisk himself in his heyday, and again proves that he is the most able cinema portrayor of strong-hearted figures. Cary Grant, as the handsome partner of Fisk, takes full advantage of his romantic role and gives a convincing portrayal, while Jack Oakie gives his usual capable comedy performance.

On Wednesday and Thursday of next week, the Alcyon will again present a double feature program. "Another Dawn" has been made into a very thrilling movie and preview experts have put it up to the top of the list among the action and romance pictures of the year. Everything happens to happy-go-lucky Jack Haley, all because he falls for Rochelle Hudson, a sweet little girl with a permanent hunger (for thrills), in the riotous comedy, "She Had to Eat."

Lions Eat Deer At Meeting Today

Kenneth Knappen will be the speaker today at the noon day luncheon of the Lions club at the Green Tea Pot. His subject will be "Stamps." Mr. Knappen has an attractive collection of stamps, and he is well versed on the subject. Stamp enthusiasts will be greatly interested in his talk.

Preceding his talk a treat is in store for the members, for Dr. B. E. Christensen and Paul Olson, prominent members of the club, have just returned from hunting trip in Canada bringing with them three deer.

The hunters were warned before they left on their expedition that they must bring home a "moose", and they must bring the whole animal including the hoofs and horns, so that the club would know that they had shot it. Instead of the moose, the men got three deer, and so today the club is to feast on venison, at the expense of Paul and Doc.
