H. P. Merchants Meet Northbrook A. C., Sun.

A goodly crowd turned out Sunday to watch the Highland Park Merchants Football team tie the Deerfield Merchants team in a 0-0 score. The teams were very evenly matched and played a hardfought game all the way through.

Sunday, the local boys will meet the strong Northbrook A. C. at Sunset Park. The game will be called at 2 o'clock and a large attendance is anticipated. This is your home team, why not support it?

So far this season there have been three games played with the local boys coming out on top in two of the games, with a tie game in the third. The boys are all enthusiastic football players who are playing a good game, which is worthy of the support of Highland Parkers.

Youth To Gather At Bethany Church For Temperance Rally

A Lake County Youth Rally and dinner will be held at the Bethany Evangelical church on Thursday evening, October 28. The purpose of this rally will be to present Temperance instruction. A peppy program has been planned, dull moments will not be known. Capable leaders will direct the activities of the evening. At this writing it is not certain whether Mr. Sam Campbell, who is connected with the N. W.

R. R. or if Rev. Lester Minion, of the River Forest Methodist church, will be the speaker. In either event, both men are alive to the present situation and are popular speakers with youth groups. Mr. George Reed, a young man of Chicago, will speak on "Youth Marches On." Fifteen young people of Lake County will themselves speak two minutes each on various phases of "What Alcohol is Doing to Young People and to Our Country." All young people of this community are cordially invited to attend. Reservations, however, must be made in advance. Only 200 can be accommodated in the Bethany dining hall. Tickets should therefore be secured early. Order your tickets by phoning H. P. 1731, 3522, 683 or 1224.

Harvey Olsen To Represent Alumnae At "Pep" Meeting

Harvey S. Olsen, of the class of 1925 at the Deerfield-Shields high school, will represent the alumni in the Homecoming pep meeting to be staged in the high school auditorium tomorrow (Friday) at 8:45 a.m. The pep session will be held in preparation for the Homecoming games with Morton at the local athletic field Saturday.

Mr. Olsen came to Deerfield-Shields as a freshman in 1921. In that year he was a substitute center on Deerfield's only Suburban League championship eleven. In his junior and senior years, Olsen played center on the Varsity team. In 1926, he went to Purdue university where he played four years of college football. In 1928 he was elected captain of the Purdue team. Olsen is now managing Campus Tours, a travel company located in Chicago.

Highland Park's spirited game with Evanston indicates that their game with Morton offers a real chance to win their Homecoming encounter. The Morton Varsity has lost games to West Aurora, Oak Park, LaGrange, and New Trier; they defeated Downers Grove 12-0. The locals have displayed improved ball with every game. Their best showing came in the game with Evanston which finally went to the downshore eleven 12-8 in the closing seconds of play.

Student Y.W.C.A. Is Organized; Meets At High School

An informal social hour at the Y.W.C.A. headquarters followed by a short informational business session marked the beginning of a new social organization for high school girls, the Student Y.W.C.A.

The group, which will endeavor to meet the needs and interests of all its members, had its start before the close of school last spring. At that time Mrs. Robert Bradt, the advisor on the board of the Adult Y.W.C.A., and Miss Buzard and Miss Griswold of the High School faculty, met and appointed a number of senior girls to be charter members of the new club and to help in the selection of acting board members.

Following the organization of the group, three girls distinguished for leadership and scholarship were selected from the incoming sophomore, junior and senior classes, representatives from the freshman class to be selected at a future date.

The board members, headed by Marcia Dubroq as president, evolved the committee system of organization which was outlined briefly at the first general meeting. Many interesting programs, including both outside speakers and club membership contributions, are being planned, and the subsequent meetings to be held on alternate Wednesdays in the English Club Room at the Highland Park high school are sure to include many interesting activities.

Garrick Club Play "Trifles" Is Success

The Garrick club play "Trifles" by Susan Glaspell was presented before a considerable audience of students and parents in the high school auditorium Tuesday. The Junior class sponsored the play.

The play, a murder mystery set in a gloomy kitchen full of pots, pans, and dead canaries, made such a hit with its audience that it will undoubtedly be repeated.

Gorden Olson, Bob Lundin, Cyril Andrews, Charlotte Getz, and Audrey Prindle composed the cast which varied from guilty housewives to suspecting sheriffs.
