#### OUR COMMUNITY CHEST

In this streamline fast moving era, everyone, as has always been the case, is seeking a blessing. Each person's idea of the true blessing may be different, yet fundamentally they are all the same—every one is seeking peace and contentment.

Paul in the twentieth chapter of the Acts of the Apostles is quoted as saying: "I have showed you all things, how that so laboring ye ought to support the weak, and to remember the words of the Lord Jesus, how he said, It is more blessed to give than to receive." Here is the answer to peace and contentment.

While agreement with the methods of the President is difficult for most thinking people, it is obvious that his recent request for communities to again assume responsibility for their local charity needs is sound.

With each locality meeting the needs of those unable to completely satisfy their requirements, several definite benefits would accrue. First those aided would have a greater sense of gratitude, a larger desire to be self supporting, a more abundant sense of self respect and greater civic pride. Secondly, the cost would be less because the political spoils system would not operate to raise administration expense and keep the undeserving from receiving aid. Locally administered charity would be free from politics and thus reduce taxes.

And now the citizens have an opportunity to put into practice the Master's recipe for attaining blessings—to assist those needing help—to render a civic duty by making Highland Park a national example of a community which does not drain a sadly overburdened national treasury. This opportunity comes with the annual campaign of the Highland Park Community Chest—a campaign to raise funds to cover the many philanthropic agencies of our city. It is the duty and privilege of every citizen to contribute to this cause to the utmost of his ability, whether that ability results in the gift of a small or a large sum.

The words spoken in the Holy Land nineteen hundred years ago are still true.

#### Highwood Recreation Program Under Way

The Federal Recreation program, sponsored by the Board of Education, District No. 111, and the Civic Improvement Association of Highwood, has started with children's classes in Creative Dramatics, Arts and Crafts, and Folk Dances. More than two hundred children have enrolled for these activities to date.

The class in Creative Dramatics, which meets on Mondays and Wednesdays after school at Oak Terrace, is supervised by Miss Josephine Larkin, dramatic technician. Miss Larkin, who has had wide experience in the field of dramatics, is a graduate of Northwestern University and has worked with the Little Theatre of Chicago.

Classes in the Arts and Crafts meet each week day after school at Oak Terrace and also the City Hall—second floor. These classes are supervised by Nicholas Frigo, a

graduate of the School of Art Institute, Chicago. Also on the Arts and Crafts staff are Miss Grace Gutermute, Mrs. Margaret Dean and Mrs. Dudley Smith. Each of these instructors have had years of training and experience in the teaching field.

Young people enrolled in these various classes in Arts and Crafts are now busy making Halloween masques of the most fanciful and grotesque description as well as tom-toms and other Halloween phantasies.

Craft Classes for adults and young adults will be announced in the near future.

#### Deerfield Auxiliary Chairman Appointed

With an attendance of eighteen loyal members, in spite of rain and fog, Deerfield Unit No. 738, American Legion Auxiliary, held the first meeting of its fiscal year on Monday evening, October 18th, in the home of Mrs. Carl Scheer.

Each chairman outlined briefly her work for the year. The Child Welfare program will continue to include a \$2.50 monthly contribution to Dorcas Home Educational Fund, and a 50c monthly contribution to Department work; as well as gifts and birthday cakes to the ten "adopted" World War Orphans for whom the unit cares.

Rehabilitation work will continue a \$3 monthly gift to State Treasure Chest Fund, which provides extras, such as candy, delicacies, cigarettes, etc., for hospitalized veterans.

The Americanism Committee was instructed to sponsor a Constitution-Sesquicentennial exhibit in the West Deerfield Township Public Library, with the cooperation of the Librarian, Mrs. Chester Wolf. Material on the Constitution and the nation-wide celebration of its 150th anniversary, will thus be available to all people in the community.

The unit has contributed \$100 to

the Deerfield School Dental Clinic, and the president appointed Mrs. Tennermann to continue to represent the Unit on the Clinic Advisory Board.

Announcements were read by the secretary, Mrs. Mabel Goodman, of a Department-sponsored conference in the Sherman hotel, Chicago, on Friday, November 5; and the District Meeting in Highland Park, on Wednesday, November 10.

The hostess, Mrs. Scheer, was assisted by Mrs. Florence Uchtmann.

#### Community Chorus Prepares For Another Successful Season

The Community Chorus, sponsored by the local Y.W.C.A., which had such a successful season last year, is enthusiastically preparing for another delightful year's work and enjoyment. Breakwell; Treasurer, Mrs. Louis Schemmel, and Librarian, Mr. William Howard.

The leader of this fine group is George Paulds, while Miss Helen Taylor of the Columbia School of Music is the accompanist.

Although the group is a rapidly growing one, new members are welcome, men and women over sixteen years of age, with true voices and a desire to sing in this serious but interested assemblage of local musicians, who meet every Tuesday evening at 8:15 in the pleasant atmosphere of the Assembly Room at the Y.W.C.A. on Laurel Avenue.
