## Notables to Appear On Honor Court Program Nov. 3

Commander Wm. C. Heinrichs of the American Legion, who is sponsoring the City of Highland Park Boy Scout Official Court of Honor Program and entertainment to take place Wednesday evening, Nov. 3rd, in the Lincoln school auditorium, announces that the many notables and special features to be included will make this event one of the largest and most important productions of the year.

Among the notables who will take active part are Wm. M. Dooley, Mayor of Highland Park, Mr. Tom R. Wyles, National Secretary of the Citizens National Training Camp Assn., Mr. Henry Fowler, President of the North Shore Area of the Boy Scouts, and Art Guepe, star of Marquette University, contenders for the Rose Bowl game and quarterback of the All-American football team, who will tell some of the interesting things that take place in the big games.

In addition there will be the elaborate and highly impressive Court of Honor Ceremony to which the first part of the program will be devoted to all the Boy Scouts of Highland Park who during the past year have attained special honor or merit and which will include this year no less than four Eagle awards, the highest honor a Scout can attain. This presentation will be made by Mr. Fowler, North Shore Area President, and others will be awarded by prominent Scout leaders, including Dr. C. V. Nichols, John W. Davis, Harry G. Pertz, T. B. Hutchison, Dr. H. L. Price and R. C. Johnson.

Other special entertainment features will include music by a unit of the High school band under the direction of Mr. Harold Finch, and a feature act by the Sea Scouts of America under the direction of Mr. M. Stein and Mr. Hugh Reading, the scene for which will be laid on board ship and in which all the Highland Park Sea Scouts will take part. There will be a procession of massed colors from the Legion, the Auxiliary and all the Boy Scout and Girl Scout troops of the town, stories and community singing under the direction of George (Red) Ryan, well known Scout leader and a short address by Mr. Tom R. Wyles, honor guest.

Commander Wm. Heinrichs, Burt Green, Paul Webb, Henry Eitner, Edw. Eitel, Miller Schreiner and Saylor Shanefelt, Legion officials, and the committee in charge consisting of Harry Earhart, J. Davis, H. Pertz, and H. B. Alston, advise that no effort has been spared to make this program an outstanding success. There will be no admission charge and everyone is cordially invited to attend and enjoy what promises to be a highly entertaining and important patriotic event.

## Music Appreciation Course Is Offered at Woman's Club

The community is responding with enthusiasm to the course on "The Art of Listening to Music" sponsored by the Music committee of the Highland Park Woman's club, of which Mrs. Clarence W. Schaaf is chairman. This will be a series of five talks illustrated with music, given by a well-known violinist, a charming young woman, and a teacher of note, Miss Rosalind Wallach. The talks are to be given at the club house each Wednesday morning at 10 a.m. beginning November 3 and ending December 8.

This course was successfully given in Chicago last season, and those who attended felt that they had gained much in musical appreciation. Miss Wallach knows her subject thoroughly and has the gift of imparting her knowledge in an interesting manner.

Tickets for the course are nominal for club members and but little more for non-members. They may be obtained from Mrs. Schaaf or from the chairman of the Fine Arts department, Mrs. John Oliver.

## Elmhurst College Male Quartet at Sunday Eve Club

The Elmhurst College Male Quartet will present a program of music before the Sunday Evening Club of Deerfield at St. Paul's church, Deerfield, Sunday night. A variety program is assured.

The public is cordially invited. A free-will offering will be taken.

## Students Present Big Hearted Herbert at High School

On Sunday, November 5, in the school auditorium, the Highland Park High School dramatic department will present "Big Hearted Herbert," a Broadway comedy success by Sophie Kerr and Anna Richardson.

"Big Hearted Herbert" is a hilarious treatment of the theme "Why mothers get gray"—not greatly unlike the all-school play success of last season, "Growing Pains." In the title role is Walter "Bud" Gottschall whose perpetual frown is almost too much for his troubled mother to bear. Betty Murray plays the part of the harassed wife and mother, Mrs. Kalness.

The stage set is now being constructed under the direction of the veteran Mr. Robert Schneider whose creations in "Growing Pains" won almost as much acclaim as the antics of the dozen aching adolescents in the cast.

"Big Hearted Herbert" is the first dramatic production of the year at the high school and no effort will be spared to make for a successful presentation. The cast of thirteen popular students has been in rehearsals for the past three weeks; the set is under construction; the wardrobe is being assembled by Ottilie Neumer and her committee; stage properties are being made ready by Nancy Van Bergen and her property assistants; and Gerald Schwandt and his stage crew are preparing a battery of distinctive lighting properties.

Tickets will go on sale Wednesday at the auditorium box office. The curtain is called for 8:15 the following Friday night.

## Many Hear First Utley Lecture Oct. 19

Those who braved the inclement weather of the evening of October 19 to hear Clifton M. Utley's first lecture on Foreign Affairs, felt well repaid. Mr. Utley gave a most interesting and informative resume of the forces that shape international affairs at the present time. He spoke of the sources and objects of the undeclared war in China, correlating many seemingly irrelevant factors and giving a survey that added much to the understanding of the conflict. He spoke at length on the Spanish war and its effects on Europe and Great Britain.

His next lecture, the second of four, will be given next Tuesday evening, November 2. Unless the international picture should change materially before that time, he plans to devote most of the discussion to our own American scene.

Single admissions to these lectures may be purchased at the door. The lectures begin promptly at 8:30 and are held in the auditorium of the Woman's club, Sheridan road and Elm place. They are under the sponsorship of the Church Service League of Trinity Episcopal church.

## Postpone Missionary Meeting to Nov. 4

The mass missionary meeting which was to be held in Trinity Episcopal church on Wednesday, the 27th of October, and which was to have been addressed by Bishop Cross of the Diocese of Spokane, has been postponed until Thursday, November 4th.

This postponement was made so that there might be no conflict with the Community Chest dinner planned for Wednesday evening at the Exmoor Country Club.

It is hoped that everyone who is interested in the mission of the church will find it possible to attend the service on this new date—Thursday evening, November 4th, at 7:30 o'clock.

Bishop Cross is a dynamic speaker filled with the subject, the matter of which comes out of the crucible of his own energetic life in the missionary fields of the west.

It is a real opportunity for the people in this community.

## District Deputy to Visit Elks Lodge

Highland Park lodge No. 1362 B. P. O. E. will meet next Tuesday evening, Nov. 2. District Deputy Tracy of Blue Island, will be the guest of honor that evening. Preceding the meeting the members will enjoy a dinner at Frank Bartelme's in Northbrook.

## Highwood Scouts Present WLS Home Talent Show

Much enthusiasm is in evidence over the third annual Prairie Farmer-WLS home talent show which is to be presented in the Oak Terrace school auditorium, Highwood, on Thursday, Friday, and Saturday of this week at 8 p.m.

A miniature reproduction of the Barn Dance broadcast will be presented at 7:45 each evening. Jimmy Kelly will officiate as master of ceremonies. Tommy Kelly will characterize the part of Uncle Ezra; and Bobby Kelly will take the role of Madam Will-Sing-Ski, the noted opera singer who has just returned from Europe. Dianne Morano will take the part of Lulu Belle. The hayloft will resound to familiar WLS as the fifty boys and girls present their "Kids around the Corner" show.

A great deal of new talent has been added to the cast which was seen in the last Highwood show. Mildred Eikleberry of Dundee will take the part of Lulu Belle. She is well known to YLS fans from her appearance at the 8th Street Theatre in Chicago, the numerous broadcasts over Prairie Farmer-WLS station, as well as her many appearances in the home talent shows. Miles Burpee of Arlington Heights will take the part of Uncle Ezra and his splendid interpretation of that role will be long remembered. The Bonetti Juniors of Highland Park will be featured between the "Kids Around the Corner" prelude and the Home Talent show. A cast of one hundred representing sixteen communities of the north shore district will be used in this production.

Many of the well known WLS songs and melodies will be heard throughout the shows and original script will be used. Two shows will be patterned after the broadcast in which Uncle Ezra and Rosetta, Fire Chief, Lon, drop in to the hayloft on their way home from a fire. Saturday night program will be patterned after the recent "Husking Bee" broadcast.

The shows are again given for the benefit of the Highwood Boy Scouts, of which Otto F. Fisher is Finance Chairman. The district committee and Highwood Boy Scouts wish to express their thanks to the business men of Highwood and Highland Park who have given them ads on their program. They also wish to thank the cast and everyone who has assisted with the show.

## Talented Troubadours Scheduled for Next Woman's Club Meet

Following the first program of the Highland Park Woman's club, at which Ella Enslow held the members spellbound with the recital of her experiences, the second promises to be even more entertaining. For Joan and Betty Rayner, Troubadours, two young and attractive women recently came to this country from New Zealand, whose brilliant abilities and lovable charm evoke a storm of applause from their audiences, will give a program of songs and dances, with rapid changes of costume, which will delight every-

day, November 2nd, promptly at 2 o'clock. Preceding the meeting, at 11:00 in the morning, a business meeting, for members only, will be held, and a buffet luncheon, nominal, also, for members only, will be served at 12:00.

This will be followed by the first Book Review of the year, at which the chairman of the committee, Mrs. George S. Livingston, will present Mrs. Carl Pfanstiehl, in a review of the latest work of Edna St. Vincent Millay, "Conversation at Midnight." Mrs. Pfanstiehl will also read excerpts from the poem. This review will start promptly at 12:45 and will be over at 1:45, in order to allow the members a breathing spell before the afternoon meeting. Guests will be admitted upon the payment of a small fee.

Members are requested by the chairman, Mrs. Frank L. Blake, to look through their houses for articles suitable for the Fall Rummage Sale, and to take them to the club house any morning before the opening of the sale, November 4th and 5th, from 9 a.m. until 5 p.m. Posters announcing this important event will be distributed throughout the town.

There will be a door prize, a traveling prize, and prizes for each table.

## "The Good Earth" Showing at Alcyon

On Friday and Saturday of this week the Alcyon Theatre is presenting that thrilling picture "Tundra." There isn't a faked thrill in the whole feature. From the moment his plane crashes, Del Cambre, the star, is involved in one life-risking stunt after another. When you've seen "Tundra" you will appreciate its extraordinary lure and its intense realism.

You have, no doubt, heard about the filming of "The Good Earth," one of the most ambitious and spectacular undertakings of motion pictures. This magnificent story comes to the screen of the Alcyon on Sunday, Monday, Tuesday and Wednesday. Paul Muni and Luise Rainer are the stars with a group of distinguished Chinese players.

A film expedition went to China, scientific men devised new tricks of photography and sound, historians went into research, and in Hollywood they built a whole Chinese city with every detail approved by Chinese experts. No picture in history has ever been so carefully made. It is enough to say that the picture with its visual and audible power is even greater than the book, more emotional, more real and more effective. "The Good Earth," based on Pearl S. Buck's novel, will live in screen history as one of the truly great pictures of all time.

## Frank J. Reichmann Taken by Death

## One Third Quota Of Chest Campaign Secured By Gifts

Highland Park's Third Annual Community Chest Campaign got underway to an inspiring start at the annual opening dinner of the campaign, held Wednesday evening at the Exmoor Country Club and attended by over three hundred volunteer workers.

With a goal of \$45,000 to be reached by the close of the campaign period, November 19th, in order to maintain the twelve welfare agencies dependent upon the Community Chest at a scale equal to that of the past year, the Volunteers who began their city-wide solicitation today were greatly encouraged by the splendid report of the Special Gifts Committee, made at the dinner by its chairman, Cloud Wampler.

Despite unsettled market during the period which this committee has been seeking the subscriptions of large donors, Mr. Wampler reported a total of \$15,100 in special gifts secured, a third of the total campaign quota, which will no doubt give tremendous impetus to the drive of the three hundred volunteers who began their work today.

The Opening Dinner, which as in previous campaigns, has proved the most potent single factor in making the local Chest Campaigns successful in that it is the one time during the campaign when all the elements of the Community-wide campaign organization are brought together in one large volunteer army for instruction and inspiration by its leaders, was of the same high standard set by the two former Chest Campaigns.

President Herbert Lautmann of the Community Chest presided. Rev. W. F. Suhr of the Redeemer Lutheran church and chairman of the Highland Park Ministerial Association, said grace. Speakers at the dinner were Hon. Samuel Hastings, chairman of the Chest, Cloud Wampler, past president and chair-

## Halloween Pranks in Vogue Locally

Halloween pranks have already begun in Highland Park, although it will not be officially celebrated until Sunday. Many store windows have been soaped and one hardly dares leave their car for a minute unless some youngster marks the glass in the car with soap.

Everyone likes to have fun, and few are anxious to deprive a child of some pleasure in that day, but there is a limit to all things, and it is hoped that Highland Park can say when Halloween is over, "we have the finest group of youngsters on the North Shore, for they did not destroy anyone's property, just for fun." The local police will be out in full force over the week end, so you mischief makers better look out, "for it won't be goblins that'll get you, if you don't watch out."
