CHRISTIAN SCIENCE CHURCHES
"Probation After Death" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 24.

The Golden Text was, "He that shall endure unto the end, the same shall be saved" (Matthew 24:13).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Who shall ascend into the hill of the Lord? or who shall stand in his holy place? He that hath clean hands, and a pure heart; who hath not lifted up his soul unto vanity, nor sworn deceitfully. He shall receive the blessing from the Lord, and righteousness from the God of his salvation" (Psalms 24:3-5).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "If the change called death destroyed the belief in sin, sickness, and death, happiness would be won at the moment of dissolution, and be forever permanent; but this is not so. Perfection is gained only by perfection. They who are unrighteous shall be unrighteous still, until in divine Science Christ, Truth, removes all ignorance and sin" (p. 290).
