

D.A.R. Better Films Committee Review

Feature No. 1
 "King Solomon's Mines." Cast: Paul Robeson, Sir Cedric Hardwicke, Anna Lee. Thursday, Oct. 28. The famous H. Rider Haggard story has been transferred to the screen with skill and remarkable authenticity. The production is eminently satisfactory with its suspense, its swift and dramatic action. The beautiful singing of Paul Robeson and an unforgettable background of the African veldt. Adults and young adults.

Feature No. 2
 "London by Night." Cast: George Murphy, Rita Johnson, Leo G. Carroll. Thursday, Oct. 28. An exciting and satisfying mystery drama in which a series of crimes is solved by a newspaper reporter and his dog. Fine photographic effects of London in a thick fog contribute greatly to the evasiveness of the mystery.

"Tundra." Cast: Del Lamore. Friday, Saturday, Oct. 29-30. Without well known stars, without feminine interest, this picture carries you through the experiences of a young doctor whose plane crashes

in a village. The scenery is magnificent and through it all the delightful antics of the two bear cubs will amuse and entertain you. The film will be enjoyed by young and old and deserves praise for its portrayal of animal life.

"The Good Earth." Cast: Paul Muni, Louise Rainer, Walter Connolly, Tillie Losch. Sunday, Monday, Tuesday, Wednesday, Oct. 31, Nov. 1, 2, 3. This drama deals with the fundamental instincts of life propagation, self preservation and the desire for recognition and so is mighty drama rated deeply. The fact that its characters are Chinese gives it a quaint and Oriental flavor, revealing customs strange and interesting. It has sweep and power and the majesty of simplicity. Both as entertainment and as art it ranks among the greatest pictures ever made. Adults.

"Make a Wish." Cast: Bobby Breen, Basil Rathbone, Marion Claire. Thursday, Friday, Nov. 4, 5. In a boys camp in the Maine woods, a youngster with a golden voice makes friends with a New York composer, with whom he shares his mother's letters. The acquaintance continues in New York, the boy and mother remember songs that have been lost from the third act of the composer's opera and with this help the opera is a Broadway hit. Camp life is attractively shown. Bobby Breen's voice and personality dominate. Family.

Deerfield Church to Show Movies

"The Beneficent Reprobate" a four-reel talking motion picture will be shown for the first time locally next Sunday evening at the Bethlehem Evangelical church, Deerfield, Illinois, at the regular Sunday evening service beginning at 8 o'clock. All too long has "that awful Ethyl" been cleverly disguised on the screen as a guileless companion, a friend of all humanity and one who is certain to put a sparkle into any occasion where she is invited to have a part. Now, however, in "The Beneficent Reprobate" Ethyl Alcohol makes her debut unmasked — she reveals herself as she really is.

The picture is educational in character, satisfying tests of the scientific and academic worlds and yet it presents the theme in popular fashion, replete with novelty in scene and action, mystery, daring, adventure and delightful comedy. The community is invited to this service. There will be no admission charged, but a freewill offering will be received to cover the cost of bringing this picture to Deerfield.

"Good Earth" Comes to the Deerpath

Mystery, epic drama, and musical romance are featured at the Deerpath Theatre this next week, as "London by Night", "The Good Earth", and "Make a Wish" make their appearances there.

"London by Night" is the story of a series of crimes committed in the London fogs by a mysterious "umbrella man." The troubles which befall a young reporter in his finally successful attempts to discover and apprehend the mystery man are among the most thrilling of all such screen adventures. George Murphy and Rita Johnson are the stars of the picture which will be at the Deerpath Friday and Saturday, October 29 and 30.

To tell anything about "The Good Earth" would be to repeat what has been printed in thousands of newspapers and spoken by millions of people throughout the civilized world. To miss Pearl Buck's story, a prize winner as a novel and one of the few really great pictures of all time, is to miss one of life's treats. Its all-star cast, led by Paul Muni and Louise Rainer, numbers in the thousands. Sunday, Monday and Tuesday are the days of its tenure at the Deerpath.

Marion Claire, whose home is in Lake Bluff, has the leading feminine role in "Make a Wish" which

stars Bobby Breen, Basil Rathbone in his first sympathetic movie role, some really fine music by Oscar Straus, and Breen's first role as a modern, everyday boy, make this movie one with many fine features. It will be at the Deerpath on Wednesday, Thursday and Friday of next week.
