Seek to Increase Chest Members
Chairman Bower of the General Campaign Committee in the course of his final instructions to the workers urged that every effort be made to enlarge the supporting members of the Chest. "According to last year's campaign records, a splendid increase of two hundred members was made over the number obtained in the first Chest Campaign. That was as it should be. I earnestly hope that we who have volunteered in this great community service this fall can at least equal that record. That I am sure we can do if we make as our slogan 'Every family in Highland Park a Member.'"

Girl Scout News

Mrs. Bernard Newman and Mrs. Julius Laegler have been "pinch-hitting" as leaders for the Elm Place troop, but now Miss Jane McWhinney as leader, with the assistance of Mrs. Everett Bellei and Mrs. Raymond Laing, will take charge of this troop, the personnel of which is:

Troop 27
Patrol No. 1—Betty Bench, Evelyn Burgess, Suzanne Heath, Nancy Henning, leader.

Patrol No. 2—Peggy Ham, Ruth Brandt, Grace Williams, Barbara Jones, LaNelle Spaulding, Carol Laegler, leader.

Patrol No. 3—Nancy Dewey, Dorothy Sueus, Shirley Jones, Marjorie Eiver, leader.

Patrol No. 4—Fern Bench, Patsy Roach, Peggy Vroman, Suzanne Newman, leader.

Peggy Ham, Scribe.
Suzanne Heath, Treasurer.
Miss Adah Voss, instructor of music in the Elm Place school, is training the Highland Park Girl Scout Troops and preparing for them a repertoire of songs to sing at "get-together" meetings and for the programs which they present.

The speaker of the day at the Camp Pottowattomie Hills Camp Reunion held at Kenosha, Wisconsin, was Miss Helen Pegley, who represented the Girl Scouts of Region 7 at the International Encampment at Camp Andre, N.Y. this summer.

Mrs. Julius Laegler and Mrs. James Skidmore and their daughters Carol and Jean attended the reunion. One of the incidents related was that when it was feared that the representative from Brazil might not be able to get to Camp Andre in time for the opening ceremonies, the Brazil government sent the girl to the U. S. by airplane. That's what Brazil thinks of Girl Scouting!

Girl Scouts wishing to sell or exchange their outgrown uniforms can bring them to the Girl Scout office. A girl wishing to buy a uniform will be required to bring a card from her troop leader, who will vouch for her being a registered Girl Scout and therefore entitled to wear a uniform. There are various sizes of uniforms for sale at this time. Also one adult uniform, size 36.

Mrs. Arthur Mason and Miss Dorothy Clark attended the Field Institute at Racine, Wisconsin, and Mrs. John Brent, Mrs. Barton Pope, Mrs. Roy Nereim, Mrs. C. E. Pfister and Miss Mary Longley went to a conference in Oak Park last week.

Mrs. Frederick Edey, National Commissioner, gave new interpretations of the five objectives of the Girl Scout program, and urged that a sixth objective, that of citizenship, be stressed, because of the rapid changes into which we, as a nation, are being thrown.

Know Your Community! This admonition was given by Miss Sally Stickney, staff member, "Scout Workers should know as much as possible about the policy or procedure of other like agencies and community needs and planning. These should be studied so that all can work effectively and in cooperation and save duplication of effort. No one organization can be all things to all men." Miss Stickney gave brief reports of what communities elsewhere were doing to cooperate on their projects and problems and mentioned the inestimable value of the Community Chest in connection with these things.

Answers to last week's questions:

1. Those that eat at all feed on nectar.
 2. A variety of talc used in making pipes.
 3. In a telephone and in a fuse.
- Questions: **Do You Know?**
1. The meaning of the word "lilat?"
 2. Why mercury rises and falls in a thermometer?
 3. What constellation contains the North Star?

The results of the election at the National Convention of Girl Scouts is as follows:

Mrs. Frederick H. Brooke, of Washington, D.C., president.
Mrs. Louis Burlington, of St. Louis, Mo., first vice-president.
Mrs. William M. Chester, of Milwaukee, Wis., second vice-president.
Mrs. Herbert Lehman, Albany, N.Y., fourth vice-president.
Mrs. William J. Babington, MacCauley, N. Y., chairman of board of directors.
Mrs. John Al Frick, Allentown, Pa., chairman of national field committee.

L.F. Youth Dies Returning from Term at Vandalia

Homeward bound after serving a six-months sentence at the Vandalia state farm for vagrancy, Francis B. Redmond, 28, of Lake Forest, was killed early Saturday as he fell under the wheels of a freight train at Mattson.

In his pockets Illinois Central railroad employes found a railway ticket to Chicago, given to him upon the completion of his term last Friday. He was attempting to board the northbound freight, police said.

Sheriff Lawrence A. Doolittle received word by mail today that Redmond had been released on Oct. 22, along with the information that there are 23 Lake county residents at present serving time at Vandalia.

Funeral services for Redmond, who lived on Woodlawn avenue, were held from St. Mary's church in Lake Forest. Interment was in St. Mary's cemetery.

He is survived by his parents, Mr. and Mrs. John Redmond of Lake Forest, three brothers and three sisters.

County Association Office Prepares for Christmas Seal Sale

Miss White, executive secretary of Lake County Tuberculosis association, reports that the office is busy preparing for the annual Christmas Seal Sale which is put on between Thanksgiving and Christmas.

The supplies for the Christmas Seal Sale were unpacked in the office last week. A new enthusiasm was awakened by the sight of the Christmas Seal for 1937. A jovial old town crier is depicted on the seal. Lantern in one hand and bell in the other he is ringing in the good news that tuberculosis is preventable and curable.

The Tuberculosis Association of Lake County as a result of the Seal Sale last year is able to sponsor two chest clinics a month. Examinations are free to anyone who is unable to pay for such service. The growth of attendance at these clinics shows the necessity of our preventative program.

"Al" and "Ace," a boy and his dog, are introduced to young America this month in the October safety poster distributed by the Chicago Motor club to 35,000 school classrooms in Illinois and Indiana. Subsequent posters will present "Al" and "Ace" demonstrating various points of safety. "Al," the human half of the boy and dog pair, is a school safety patrol boy.

Lesson material distributed with the posters presents a simple traffic accident with questions to be answered by the students as to how the accident could have been avoided.

Great Lakes Ass'n. Holds Annual Meet

The Great Lakes Association, an organization of men and women on the North Shore for Christian service at the Great Lakes Naval Station and the Veterans hospital at North Chicago, held their annual meeting and dinner at the Officers' Club at Great Lakes last Wednesday afternoon and evening.

Those who took part in the meeting were committeemen from the various North Shore towns and from Chicago, representing their local organizations, also various guests including Admiral Hayne Ellis, Commandant of the Naval Station, and Dr. Delmar Goode, manager of the Veterans hospital.

Those attending from Highland Park were Mrs. Erastus R. Phelps and Mr. H. D. Faxon, who are committeemen from Highland Park.

Addresses were made by Chaplain Frank Lash and Admiral Hayne Ellis from the Naval Station and Dr. Delmar Goode of the Veterans hospital, all of whom praised highly the work of the Great Lakes Association for the sailors at Great Lakes and the disabled veterans at the North Chicago hospital.

Rev. Nelson Hall, chaplain of the Veterans hospital and executive secretary of the Association, stated in his report that it was financially supported by seven churches of different denominations, twelve women's organizations and about 100 individual subscribers. At Great Lakes there were held 183 Bible classes during the year with 9,373 sailors in attendance Sunday evenings at Camp Barrie where the new recruits are stationed. 52 entertainments for sailors with 10,215 in attendance were provided.

Mr. Hall stated that at the Veterans hospital where there are about 1200 men, 96 religious services were held with 8,482 patients in attendance and 51 entertainments were held with 4,760 in attendance. About 1,000 different individuals had served as volunteer entertainers during the year, bringing cheer into the wards. A large additional program was described in his report. Speaking of the insane veterans and their needs, Mr. Hall said in part: "To understand the need and effectiveness of religious and welfare work among the insane we must first have a comprehension of the conditions, the viewpoint and the needs of those unfortunate persons. When we so study the insane two facts emerge. First we see that the insane continue to be personalities with the same basic emotions, desires and needs of other people. A person doesn't cease being a human being because his brain is diseased any more than if his heart or liver are diseased, and the friendly interest provided by the Great Lakes Association is greatly appreciated by all the veterans."

The English Springer Spaniel club will hold their sixth annual Field Trial at Mission Hills Country club, Northbrook, Ill., Saturday and Sunday, Oct. 30 and 31.

Hansen is alleged to have been intoxicated while driving his automobile on September 11 along Route 22. When at the Soo Line railroad crossing at Prairie View, his car was in a head on collision with an automobile in which Hugh M. Seyfarth, 25, of 542 S. Sheridan road, Highland Park, and his fiancée, Miss Mary Grubbs, 23, of Buckley road, Barrington, were riding.

The wreckage of the two automobiles was scattered along the tracks and deputy sheriffs ran several hundred feet south of the scene to signal an oncoming passenger train to stop to prevent a possible train wreck.
