H. P. Merchants Win Hard Fought Game From Evanston A. C.

By scoring a touchdown in the first five minutes of play the Highland Park Merchants kept their slate clean of defeats. Their opponents, the Evanston A. C., proved to be one of the toughest clubs they have faced this year. Sunday's game was a thriller with the score ending 7-0.

It is really worth while to watch this young football team go into action. They perform and work together like a big league ball team. At every game there has been a good sized crowd attending, proving that the team has something that the people like. In Sunday's game they displayed a brand of football that would have beaten any team their weight. In just three plays after the kick-off they scored a touchdown. Beautiful work on the part of the whole team and especially their quarterback, Cortesi, produced this score. Schmidt, their other quarterback, kept the heavier team on its heels during the game by his long punts, while fiery Cortesi kept them guessing with his tricky strategy on offensive plays.

This Sunday they will meet Deerfield at the Deerfield field. The first encounter with this team ended in a scoreless tie, so this should be another close game.
