

Highwood Police Capture Theft Gang Youth Tuesday

Harlan Smith, an alleged member of an auto theft gang, was captured in Highwood Tuesday by Chief of Police John DeSmith and Officer Evan Dever, and was turned over to the Waukegan police, from whom he had made a daring escape Sunday morning amid a volley of gunfire at North ave. and Franklin street.

Smith, who gave his age as 19 and his address as 622 North ave., Waukegan, was seized in a one-story residence at 120 Wendale ave. Highwood. Cringing under a bed, he was ordered to come out by Chief DeSmith, or he would come under to get him.

The youth, who was unarmed, according to police, belonged to a gang of five young men engaged in stealing cars in Indiana and attempting to sell them in Illinois. The five men were trapped Sunday in a round up led by Waukegan police, Chief Jacob Novak of North Chicago and Chief Deputy Sheriff Thomas Kennedy.

The Highwood police received a tip off at noon that the fugitive was hiding in an acquaintance's home at the Wendale address. Arriving at the house they found the screen door locked and a pair of vicious dogs guarding the interior of the house. The officer entered the house and seized a shotgun which was standing against the wall. Smith was found under the bed, and being unarmed, surrendered peacefully. He joined his other four companions in the county jail.

Refuse Pile Burns At Fort Sheridan

A refuse pile, adjacent to the Fort Sheridan incinerator, caught fire yesterday morning about 11:15 o'clock and would have proved most disastrous but for the prompt action of the Fort Sheridan fire department.

The conflagration is thought to have been caused by a lighted paper blowing into the refuse pile, which was piled with tar barrels. The fire spread rapidly to adjoining wood piles, when the tar barrels exploded. The estimated damage is not known.

Those in Highland Park who saw the smoke in the north thought that the whole post must be on fire, for huge billows of black smoke poured into the sky, giving the appearance of a very serious condition.

Municipal Building of Reckless Charge

Highland Park's City hall building not only has a shiny new exterior, but likewise has been given a complete dressing up on the interior. The exterior trim of the stone building which was dedicated in 1930, has been given a fresh coat of paint, while the walls on the interior have been refinished in a light cream with woodwork retouched with white enamel. The entire building has undergone this extensive fall housecleaning, and is indeed an inspiration and credit to the city.

The work was completed this week by the John Witten decorating firm, which has been busy with the project for the past three weeks.
