## New Sound Effects to Be Used Nov. 12 in Deerfield Play

New sound and lighting effects are being used in the Stager's production of "The Bat," which will be presented at the Deerfield Grammar school on Friday evening, November 12, at 8:15.

James Russell and Milton Merner have worked up a very efficient system for taking care of all the "atmosphere" which is so necessary in a successful presentation of this play. A thunder storm and a high wind outside make even more thrilling the tenseness and suspense that are evoked by mysterious happenings in Cornelia Van Gorder's country home. The combination is enough to reduce Lizzie, the superstitious Irish maid to a state bordering on hysteria.

The cast of the play is as follows: Lizzie Allen.....Josephine Shessler  
Cornelia Van Gorder.....

Mary Jane Galloway  
Billy, the Jap butler.....Martin Decker  
Brooks.....Ralph de Sha  
Dale Ogden.....Shirley Clark  
Doctor Wells.....Jirah D. Cole, Jr.  
Anderson, the detective.....John Derby
