All are cordially invited to attend the services and make use of the reading room.

CHRISTIAN SCIENCE CHURCHES

"Adam and Fallen Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, November 7.

The Golden Text was, "It is the spirit that quickeneth; the flesh profiteth nothing" (John 6:63).

Among the citations which comprised the Lesson-Sermon are the following from the Bible: "And God said, Let us make man in our image, after our likeness; and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. So God created man in his own image, in the image of God created he him; male and female created he them. And God saw everything that he had made, and, behold, it was very good" (Genesis 1:26-27, 31).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Whatever indicates the fall of man or the opposite of God or God's absence, is the Adam-dream, which is neither Mind nor man, for it is not begotten of the Father" (p. 282).

D. A. R. BETTER FILMS REVIEW

"The Life of the Party." Cast, Joe Penner, Gene Raymond, Parkyakarkus, Harriet Hilliard. Thursday, Friday and Saturday, Nov. 11, 12, 13. A gay, lavishly staged musical farce which will be diversion for those not too critical in their choice of entertainment. Joe Penner's antics are a matter of taste but are never offensive. Adults.

"Ever Since Eve." Cast: Robert Montgomery, Frank McHugh, Patsy Kelly, Marion Davis. Sunday, Monday, Tuesday, Nov. 14, 15, 16. Light, unconvincing comedy results from this hackneyed story in which a glamorous young woman resorts to disguise in order to discourage the advances of her several employers. A good cast struggles in a mediocre production. Adults.

"It Happened in Hollywood." Cast: Richard Dix, Fay Wray, Billy Burrud, Victor Killian. Wednesday, Thursday, Nov. 17, 18. The story of a cowboy star of the silent film days who stages a strong comeback after being dropped by his company with the coming in of talking pictures.

Although slow in spots and weak and unconvincing in its climax, it is in general an amusing and lively picture, with a pleasantly original story. Adults and young adults.

Dong: "Yeah. He says he can remember when baking powder out-sold face powder!"

MORE STUDENTS ON HONOR ROLL THAN LAST YEAR

With a total of six A's, Morton Raff, a junior, leads the honor roll for the first six weeks period at the Highland Park high school. As he is taking M5x (advanced algebra) in one semester, his grade in it counts as two grades.

Two students, Lina Mocogni, a junior, and Jean Simons, a senior, each received five A's.

Then comes Helen Knight, junior, and Esther Rogalsi, junior, each with 4 A's and 2 B's. Those who received 4 A's and 1 B are Ralph De Sha, sophomore, Eleanor Erskine, sophomore, and Arthur Pier, junior.

Those with 4 A's are Jane Barr, freshman; Alan Bede, senior; Mary Binder, sophomore; Pauline Blume, sophomore; Jack Bracken, freshman; John Butler, sophomore; Alice Dorick, freshman, Dorothy Einbecker, senior; Gretchen Fischer, freshman; Mary Heed, senior; Betty Hobbs, sophomore; Catherine Jones, junior; Marjorie Kurtzon, senior; William Mecham, freshman; Nance Rosenthal, freshman; Jane Scarborough, freshman; and Jack Wagner, freshman.

This year there were a total of 129 students who received first honors as compared to the same period last year when there were 102. Those receiving second honors this year also exceeded those in the same period last year, there being 132 students with second honors this year and only 120 last year.

In the near future the honor rolls will be posted on the bulletin board.

Conditions Might Be Worse

A friend met a cheerful Irishman who had plainly suffered some hard knocks.

"Well, Pat, how are you getting along now?" he inquired.

"Oh, Ol'm still hard up, but Ol've a fine job in Honolulu, and fare paid. Ol sail tomorrow."

"Sure, man, you'll never be able to work there. The temperature is a hundred in the shade."

Pat had endured cheerfully too much to be discouraged.

"Well," he replied, hopefully, "Ol'll not be workin' in th' shade at th' toime."
