Benedetto Ori Is Killed Monday In Auto Collision

Benedetto Ori, 700 Deerfield avenue, was fatally injured Monday afternoon at 4:30 o'clock, when the light delivery truck he was driving, overturned after striking another machine, at the corner of Harvard court and Clifton avenue, in Sunset terrace subdivision. Mrs. Alice Margeson, 29 years old, 844 North End court, and Mrs. Frank J. Zimmerman, 782 North End court, who were riding in the other car were slightly injured. All three were taken to the Highland Park hospital, where Ori died two hours later, as the result of a fractured skull, sustained in the crash.

Ori, who is in partnership with his brother in the Ori Bros. grocery at the Deerfield avenue address, was headed north through the subdivision, on Clifton avenue, while Mrs. Margeson, driver of the other car, was headed east on Harvard court. The delivery truck struck the rear end of the touring car and both cars completely overturned.

There were no witnesses to the accident so that details regarding the cause are not known. It is thought that one or both of the vehicles may have skidded on the icy pavement.

Neither of the women were seriously injured, although Mrs. Margeson has not been released from the hospital. An inquest is pending her improvement.

Funeral services for Mr. Ori will be held this (Thursday) morning at 9:30 from the Immaculate Conception church. Burial will be in St. Mary's (Mooney's) cemetery.

Besides his brother Aurelio Ori, the deceased is survived by his father and mother who live in Italy.

The surprise will be found in the basement where the children and young people can "go to the movies" while the grown-ups shop up-stairs. Each night animated cartoons with sound, will be shown. Evans Residence Is Being Dismantled

The old residence on South First street, built thirty-two years ago by R. G. Evans, a former mayor of this city, and which he occupied until his death, has passed into history, for during the past two weeks the house has been torn down, and the property is to be cleared to make room for a parking lot to be used by the J. B. Deibler motor sales.

The work of dismantling the building has been done by Jens Peterson.

The nine room residence as well as a three car garage with a hay-loft above are to be removed. The house was recently used as a funeral home.

Thanksgiving Day

LET US GIVE THANKS TO GOD UPON THANKSGIVING DAY. NATURE IS BEAUTIFUL AND FELLOW MEN ARE DEAR, AND DUTY IS CLOSE BESIDE US, AND GOD IS OVER US AND IN US. WE WANT TO TRUST HIM WITH A FULLER TRUST, AND SO AT LAST TO COME TO THAT HIGH LIFE WHERE WE SHALL "BE CAREFUL FOR NOTHING, BUT IN EVERYTHING, BY PRAYER AND SUPPLICATION, WITH THANKSGIVING, LET OUR REQUEST BE MADE KNOWN UNTO GOD"; FOR THAT, AND THAT ALONE, IS PEACE.

Outstanding Film, "Lost Horizon," To Show at Alcyon

Containing all requisites that make good entertainment, "The Hoosier Schoolboy" is studded with outstanding screen names headed by talented Mickey Rooney, who is well remembered for his excellent work in "Captain Courageous." The plot of the film is fast-moving and full of thrills, pathos and comedy. "The Hoosier Schoolboy" is the screen adaptation of the famous novel by Edward Eggleston. Showing at the Alcyon on Thursday and Friday of this week.

"Elephant Boy," which will make its bow at the Alcyon on Saturday of this week, is a thrilling and tender screen adaptation of Rudyard Kipling's immortal Jungle Book story, "Toomai of the Elephants." The film more than justifies the hardships and perils confronted in its production, for it is at once grand entertainment and perhaps the most ambitious and effective natural background picture to come to the screen. Besides, it introduces what appeared to this reviewer the most charming and unusual brace of co-stars. The team is composed of Sabu, the handsome and engaging 12-year-old Indian boy, and Iravatha, probably the world's largest elephant.

"Greatest in screen history" is the verdict of the world's critics and the millions of persons enthralled by the overwhelming drama, the heart-warming romance of the mighty screen masterpiece, "Lost Horizon," having its local screen presentation on Sunday, Monday, Tuesday and Wednesday coming. Millions the world over have been swept off their feet by its powerful drama and overwhelming beauty, and they say it simply must be seen. By any standard of comparison, "Lost Horizon" will be heralded the greatest motion picture ever made. Ronald Colman stars in the production with a most able cast.

Soldiers To Face Civil Charge Here

When the four Fort Sheridan soldiers who admitted taking two girls to St. Louis two weeks ago finish their sentence for being absent without leave, they must appear before civil authorities at Waukegan.

Highwood police said today that the army men, Leo Simpson, 24; Irvin Abbink, 20; Clarence Lane, 20, and Alfred Schneider, 25, face informations filed in county court on charges of contributing to the delinquency of minors.

Carver Brothers Die Within Few Days of Each Other

Robert K. Carver, of Central avenue, died suddenly, Tuesday evening at his home, following a heart attack. News of the death of his brother, George P. Carver, who passed away early this week in California, had just been made known. Both men were sons of the late Henry C. Carver, for many years a prominent resident of this city. Their childhood and youth was spent in the old Carver homestead, long since burned, which stood at the corner of Laurel and Linden avenues.

Robert Carver was born in Chicago July 3, 1875, and came to Highland Park with his parents when he was ten months old. He was a veteran of the Spanish-American war, having volunteered in the First Illinois Infantry, and saw service in Porto Rico.

Because of impaired health following the war, Mr. Carver went to Seattle, Wash., where he lived for twenty-two years. Fourteen years ago he returned to Chicago and entered the employ of the Public Service company, making his home in Highland Park. Fifty years ago he became associated with the choir of Trinity church, and with the exception of the twenty-two years spent away from Highland Park, had sung with this group continuously. He was devoted to his church, country and family.

Mr. Carver is survived by his wife, Hulda B. Carver, one daughter, Mrs. Priscilla Carver Payne, one brother, J. W. Carver, of Oakland, Calif., and a sister, Priscilla Carver, of this city.

Funeral arrangements have not been completed as we go to press, but it is quite probable that the service will be held Sunday afternoon at Trinity church.

George Carver, who has lived in Oakland, Calif., for many years, is survived by his widow and two sons, as well as his brother and sister.

British American Club To Present A Trip To Scotland

A very small charge will be made. All interested are welcome.

World Views To Be Shown Sunday In Deerfield Church

"Cruising the Seven Seas"—a new sound moving picture—will be shown at St. Paul's Evangelical church, Deerfield, Sunday, November 28, at 8 p.m. These pictures show in a most interesting and fascinating way a complete journey round the world and are furnished through the courtesy of the Dollar Steamship Lines and the American Mail Lines. Years ago Jules Verne wrote the fascinating "Round-the-World in 80 Days." It is now possible to circumnavigate the globe in 80 minutes through these moving pictures.

Sailing from New York, the journey is made to Havana and then through the Panama Canal to Balboa and Old Panama. The cruise proceeds northward to Los Angeles and San Francisco along the course which the Spanish treasure galleons sailed three centuries ago.

Leaving the Golden Gate the picture continues via Honolulu to Japan, China and Philippines. Excellent views of these Oriental countries are shown. From Manila to Singapore—"The Crossroads of the World"—in the Straits Settlement, and then the Netherlands East Indies, devoting considerable time to Bali "The Last Paradise," still virtually unaffected by the influence of the outside world. Next is Penang and Bangkok—"The Jeweled City," and then to mysterious Angkor in French Indo China. The ruins of Angkor Wat are archeologically more wonderful and colossal than anything found elsewhere in the world. The globe-encircling tour next visits Colombo, on the Island of Ceylon—the home of the cinnamon tree, and then Bombay—the Gateway to India. From here an overland trip is made through the interior of this mighty empire and includes a visit to the most beautiful building of the world, the Taj Mahal, "A Dream in Marble," and After leaving India the cruise continues to Egypt with visits at Cairo, Benares the Holy City of India, the Pyramids, and next . . . the Holy Land in considerable detail. In Europe . . . Naples, Rome, Venice, Genoa, and Marseilles are shown before the trip homeward across the South Atlantic.

These pictures are with sound effects and native music. The dialogue is by Alois Havrilla. Free-will offering.

Fort Sheridan Under Dysentery Quarantine

The enlisted men at Fort Sheridan were placed under quarantine Friday by Col. A. G. Campbell, acting commandant, because of prevalence of bacillary dysentery. There are nine definite and nineteen suspected cases in the hospital there, and every precaution is being taken by Col. Edgar King, M. D., medical officer in charge, to prevent further contagion.

"The situation is not really alarming, but because the dysentery is highly contagious we are taking no chances of a further spread," said Col. Campbell.

Richard Sandwick To Address High School P. T. A.

An exceptionally large attendance is expected at the December meeting of the High School P.T.A., to judge by the interest shown by the parents at the very enjoyable dinner and evening of conferences with teachers held on November 11.

The speaker for the December 2nd meeting scheduled by the program chairman, Mrs. E. T. R. Murfey, is Superintendent Richard L. Sandwick of the Deerfield-Shields Township High school district. Mr. Sandwick became principal of the local high school in 1903, and held that position during which time he gained a reputation as a leader in educational movements throughout the country, until he assumed his present position in 1935. He is a graduate of Leland Stanford university in California. He has a pleasant personality and a delightful manner of presenting his subject.

Mr. Sandwick recently returned from a five months' tour of Europe, and while there he studied the schools of France, Switzerland, Germany and England. He spent more than a month visiting the schools in Nice and in Paris from the kindergarten to the lycee. He speaks French fluently, investigated the national course of study, interviewed the French Minister of Education, and conversed with people of prominence upon the subject of the effects of the French schools upon the French people. So he is particularly fitted to discuss the subject, "Training French Children in Desirable Traits of Character" at the P.T.A. meeting, Thursday, December 2.

As usual, an informal tea, served by the Social and Hospitality committees, with girl student assistants, and conferences with the teachers, will precede the meeting at 3 o'clock.

Alexander's Dress Shop To Hold Big Dress Sale Friday

Alexander's dress shop, located at 13 S. St. Johns avenue, is announcing one of the biggest dress sales events in the history of the store, for Friday morning beginning at 9 o'clock.

Business had been running nicely through the first eight months of this year, in fact many stores were showing nice gains. Dress manufacturers naturally planned accordingly for the fall and winter season. Then business suddenly came to a slowing up, and manufacturing plants were overstocked. Because of this wide reductions are being made to retail houses, in order that the surplus may be turned over. Consequently Alexander's Dress Shop are able to purchase new merchandise to be sold to their customers at a saving of 50 per cent.

Mr. Alexander, one of Highland Park's progressive merchants, who is eager to serve his customers with the highest price merchandise at lowest possible prices, said "Why should I wait until the end of the season. Now is the time. Women want these new things and I think this is the time to pass these great values along to our good friends."

Don't forget the sale starts Friday at 9 a.m.
