Thanksgiving Day
 by RAYMOND PITCAIRN

National Chairman, Sentinels of the Republic

Again in 1927, as through many years of its history, our nation celebrates from ocean to ocean, from lakes to gulf, the most typical of all American holidays.

It is the observance of Thanksgiving Day—a celebration first dedicated to reverend gratitude for bountiful harvests; then later to appreciation of other blessings and promises of the passing years.

Never has America been without cause for such gratitude. For despite frequent problems, America remains, in a turbulent world, a land of faith and of fulfillment. That is true today, as in the past.

While other nations follow the hideous chimera of war, America remains at peace with her neighbors.

While other nations sacrifice the happiness of their people to the strutting show of nationalistic ambitions, the American people still believe in personal opportunity and freedom.

While other nations bow and scrape to the pretensions of dictators and their cliques, America is still dedicated to the proposition that all men are equal, and entitled to life, liberty and the pursuit of happiness.

While other peoples suffer and die in the clutch of desperate economic and political experiments, Americans still enjoy the highest standards of life of any nation.

There is the glow of promise, too—not only of pentful harvests, but of changing attitudes by our national leaders which presage freer opportunity for production of the many requirements of the American people and wider reemployment for those on whose enterprise and labor all production depends, whether at the plow, the lathe or the desk.

For these things Americans are grateful. For these they offer thanks to a Providence which blessed their efforts to make the earth yield more generously and to create by their own unfettered energy, the greatest, the freest and most bountiful land on earth.

YWCA Drama Group Visits NBC Studios

Last Saturday about thirty-five of the children of Mrs. Butler's dramatic classes took a trip to the NBC radio station. We went down on the North Shore Line as a group in a special coach. When we arrived at the Merchandise Mart we were shown through several of the radio studios. Then we saw the program "Kaltenmeyer's Kindergarten." The actors were in costume which made it seem more like a kindergarten.

I believe we all enjoyed the trip and the program very much; and being shown through the studios was very interesting.

Leyden Quintet Will Open Home Season Tonight

Coach Chuck Lauer, beginning his first year as varsity coach at Highland Park High School, will send his quintet against the Leyden team tonight in the high school gymnasium. There are eight home games on the local schedule with tonight's game the first of the series. The Frosh-Soph team will play the curtain raiser at 7:30 p.m. Coach Lauer will probably start Bob Turelli and Fulvio Fabbri at forwards for the varsity with Gene Juhrend at center and Midio Lanotti and "Swede" Norvich at guards. Digani, Castelli, Anderson, Rossi and Hoie will probably appear in the game.

The Frosh-Soph game will see Francis Bernardi, Tony Vole or Louis Picciotti at the forward positions with Tom Summers at center and Al Richman, Louie Wodlinger or Roy Nelson at guard.

Leyden always brings a large, fast team to Highland Park and last year slipped over a victory on their floor. Highland Park's showing in their double win at Warren last week gives promise that tonight's games should fall to the locals but only after a hard fought contest.

200 Attend Opening Dinner Dance

The first of the series of Dinner Dances sponsored by the Ravinia Women's Club was held Saturday evening, November 27, at the Ravinia Village House. There were over 200 members and friends of the club who attended. A turkey dinner was served at tables made festive with candles and bouquets of bittersweet and straw flowers, and there were cornstalks and leaves decorating the auditorium.

Bert Rammell of Evanston and his orchestra supplied the music for dancing and will be at the mid-winter and spring dances.

Mrs. Nathan Corwith Jr., chairman, and the members of her Social Committee worked exceedingly hard to make the party the success it was.

Prepare For Coming Basketball Season At L. F. College

With football moleskins tucked away in mothballs for another year, Coach Ralph Jones of Lake Forest college has issued the call for varsity basketball candidates. Faced by one of the heaviest schedules in recent years, Coach Jones is eager to get an early start.

Returning lettermen are Elmer and Bob Maiman of Lake Forest, Bob Stickels of Libertyville, and Hawley Boyle of Sycamore. Al Behrens of Chicago, George Loulan of Berwyn, and Bob Morstadt of Waukegan are reserves of last year who should rate first string this season. Newcomers to the squad will include Fred Patterson and Ken MacAllister, transfer students from Joliet junior college. Sophomores who seem certain to see action during the coming campaign are Jack Pedersen of Berwyn, Doug Anderson of Iron Mountain, Mich., and Bob Petersen and Charles Rose of Lake Forest.

Elimination of the center jump this year is expected to speed up the game considerably; consequent-

ly, more reserves will be needed in order to keep up the pace of the game.

Lake Forest will open its season Dec. 3, when the annual alumni game will be played. The grads this year have been materially strengthened by the addition of Jobbie Eiserman of Rondout, Mel and Harry Rouse of Mundelein, Clayton Christiansen of Waukegan, and Everett Larson of Iron Mountain, Mich.

All the above alumni won letters on last year's varsity, Mel Rouse and Clayton Christiansen being elected co-captains at the end of the season. Prospects seem good for the varsity this year, but the alumni are conceded a good chance for victory in the coming contest.
