

### Large Attendance Anticipated At Real Estate Banquet

Wanted: a Wizard in Mathematics. Apply Evanston-North Shore Real Estate Board. Name own terms.

No, the above "ad" did not appear in the local papers but it might if the Banquet Committee of that organization could see in it the answer to their vexing problem. From present indications it appears that the demand for tickets will approach the 400 mark whereas the committee, headed by V. J. McDonnell, have set 350 as the figure most comfortably suited to maximum seating capacity at the Shawnee Country Club where the annual banquet of the Real Estate Board will be held Wednesday, December 15th.

Last year, the committee explained, about 400 appeared in a last minute jam and a state of discomfort existed for many of the guests. The committee's problem is further accentuated by the fact that if the full allotment of tickets to members is accepted it will be required to provide 390 tickets. On the basis of two tickets per member, the membership now boasts a total of 195.

However, Mr. McDonnell and his associates are proceeding blithely with the elaborate arrangements which they characterize as "tops in all banquets." A floor show consisting of 7 acts and staged by Riley and Goss Agency will feature the program. The F. Wheeler Wentworth Dance Orchestra will provide music for stage and dancing. A unique departure from banquet precedence is the securing of Vincent J. Gottschalk, popular Oak Park laugh-maker, to serve as both Toastmaster and Master of Ceremonies. Stewart B. Matthews and Robert L. Wyatt, outgoing and incoming presidents respectively, will give 3 minute talks. New officers will be inducted by Rev. Leland H. Danforth, rector of the Church of the Holy Comforter in Kenilworth. Recognition of the past Board presidents will be made by President-Elect Wyatt.

Assisting Mr. McDonnell on the committee are Miss Florence Cook, Mrs. Dorothy Wink, Alder Tighe, Roland Peterson, Lewis T. Dodds and W. A. Sadler.

The time of the banquet is from 7 to 1 o'clock. Guests are advised that serving will begin promptly at 7 p.m.

### Former Resident Seeks Treatment as "Human Clock"

Believing herself a victim of the same affliction for which Charles W. Hestor, "the human clock," is seeking a cure, Mrs. Josephine Kaumanns, a former resident of this city, underwent examination at Hines Memorial hospital in Chicago Monday for a similar condition.

Mrs. Kaumanns has been suffering from a constant ticking in her ear, which she claims began while talking over a telephone. She was treated by Dr. Norcross last spring, who relieved the actual noise and pain in the ear, but the clicking sound continued. A congestion of a muscle is believed to be the cause. In an interview with the editor of the Press early this week, Mrs. Kaumanns said she was only interested in aiding science, and would gladly submit to an operation if necessary to remove the noise. The ticking sound was clearly audible a short distance from the victim.

### Suffer Minor Hurts in Auto Accidents

Mrs. John Forsten, 6343 Greenview ave., Chicago, was badly cut on her head early Sunday morning when the car in which she was riding with her husband was involved in a head-on collision opposite 1100 S. Green Bay rd.

Taken to the Highland Park hospital, Mrs. Forsten had two stitches taken in her scalp. She was later released.

Police said her husband, who was operating the family car south on Green Bay rd., and another driver, F. Brown, of Highland Park, coming from the north, met head-on in the center of the pavement. Both drivers were booked for driving while intoxicated and will be tried before Justice Clarence Shetzley.

Mildred Lucci, 22, of 216 Oakridge ave., Highwood, received a severe head cut Saturday night when the car in which she was a passenger overturned, collided with a parked car in Waukegan.

According to the accident report, Thomas Smith, 26, of 216 Oakridge ave., Highwood, driving the car in which the Lucci girl was riding, was proceeding west on Grand ave. when he struck the parked car which was owned by J. A. Conroy, of Wilson.

Police said that Conroy was arrested for parking without lights and causing an accident.

### Momberg Indicted by County Jury

Two manslaughter indictments were returned by the Lake county jury Monday at Waukegan against Harry Momberg, 26 years old, 424 South First street, Rockford. On Thanksgiving day his car crashed into another car on West Central avenue causing the death of Arthur Orsi, 27 years old, 1200 Deerfield road, in the suburb, and Orsi's wife, Lucille, 25 years old, who were in the second automobile.

At an inquest into the deaths, held last Saturday in this city, he was charged with manslaughter on a warrant issued by Justice of the Peace Richard Martin. The jury recommended that he be held for grand jury action.

According to testimony given at the inquest in the presence of Momberg, State's Attorney Charles E. Mason, and Coroner John L. Taylor, the Rockford youth was driving intoxicated when he side-swiped a car on Central avenue in Highland Park. Momberg was brought to Highland Park from the county jail for the inquest and then returned to Waukegan.

### Bob Greenslade Scores 580 Game

Bob Greenslade's 480 was the outstanding score of the week in the Business Men's Bowling league last week.

Wednesday evening, Central Tire company took two from Farmer's Beverage while Inman and Inman were victors over Consumers with three all.

Tuesday evening, Sky Harbor defeated Studebaker to the tune of two, with Coleman's taking two from Paul's Barber Shop. Jim Lencioni was high score man with 582.

Next week's schedule: Tuesday—Consumer's vs. Studebaker. Central Tire Co., vs. Coleman's.

Wednesday—Sky Harbor vs. Inman and Inman. Paul's Barber Shop vs. Farmers Beverage.

### Winter Camp Boys at Arden Shore to Be Entertained

There's great rejoicing at Arden Shore these days, thanks to the generosity of Admiral Hayne Ellis, commandant of the Great Lakes Naval Training Station, and his staff. The boys at the Winter camp (forty just now, with more arriving in the next week or so) have been invited to have Christmas dinner at the Naval Station, and they are all looking forward to the party as one of the high spots of the winter.

Mrs. B. J. Harms of Libertyville took on the role of an early bird Santa Claus at Arden Shore this year, with a bountiful gift of evergreens (85 of them, some of which have been planted at the main entrance, to be used as outdoor Christmas trees), syringas, lilacs and barberry. Other wonderful contributions of the season include the Thanksgiving turkeys provided by the children of Wilmette's Central School; a dinner and movie party given last month by the Chimanito Club (a group of Swedish philanthropists in Chicago); the donation of a dentist's services by the Op-

ice. movies on December 11, with Mrs. Robert Driscoll of Winnetka as hostess.

In spite of the fact that everything goes cheerily on at the camp, there are still some vital needs at Arden Shore, chief among them being: warm underwear, shoes, sweaters, scout uniforms, galoshes, skates (10 year old sizes in the last two items), and lumber for the manual training classes. The Lake Forest Lumber Company made a fine donation recently, but Mr. Scott of Waukegan, who instructs the boys in the intricacies of wood work, says that lots and lots more can be put to good use during the winter.

Those friends of Arden Shore wishing to help fill these needs can notify Mrs. S. H. Bingham, chairman for Highland Park, and she will

see that their gifts are delivered safely at camp.

### John S. Sullivan Celebrates 20 Years on Police Force

Desk Sergeant John S. Sullivan celebrated his twentieth anniversary as a member of the Highland Park Police Force last Friday and in honor of the occasion was presented with a gold star, bearing an inscription on the back, by the members of the local force with whom he has served. During his long service Sullivan made about 300 arrests, of which 50 were for felonies. Not a single case carried to court ended in a dismissal, discharge or acquittal.

Born in Peterboro, Canada, Sullivan came to Highland Park with his father about thirty-five years ago. July 13, 1921, he married Mildred Zoehler of Waukegan, and aside from three months he has resided continuously at 635 Skokie avenue.

A reception was held at the Sergeant's home Friday evening at which neighboring town officials and Chicago detectives were present. He received numerous telegrams and letters of congratulation.

### New Police Car Put Into Service

The local police are patrolling in their new squad car—a 1938 Plymouth sedan.

The vehicle was purchased as a replacement for the squad car which was demolished several weeks ago when it turned turtle on S. Green Bay road. Officer Clyde Schoonover was injured in the accident.

"YES SIR, there's a lot of satisfaction in having an individual telephone line again. Not that I have anything against our old party line. It served its purpose during the depression when we had to watch every penny, and yet didn't want to do without telephone service.

"But now that things are better, I'm kind of proud to have 'our own' telephone once more. It's right there—ready for us—whenever we want it or whenever anybody wants us. There's no one else using it when we're in a hurry.

"And it's surprising how little more it costs than our party line did. Might be a good idea for you to look into it, and see if you don't want to change back too."
