"CHARITY AT HOME"

There is no time in the year when more charity or unselfishness is shown, than during the Christmas season. No matter what creed or faith, each one seems inspired with a spirit of "good will" and performs some charitable deed.

For the past several years, the Highland Park and Ravinia firemen, together with Social Service, have played the role of "Good Fellow" to hundreds of less fortunate children. Again this year some 250 youngsters will know the joy of Christmas through the efforts of these two groups.

Hundreds of discarded playthings have been renovated by the firemen, many so beautifully done, that they look like new ones. Dolls of all types have been made, repaired and dressed by the women. All of the toys will be distributed by the firemen to the homes of the children in time for Christmas.

desire to bring happiness to those children who might otherwise be forgotten. The hours spent in preparation present the unselfish spirit of these civic-minded persons whose only reward will be "the joy that they bring to others."

"For somehow not only at Christmas.
 But all the long years through,
 The joy that you give to others,
 Is the joy that comes back to you."

Seal Sale Aids in Struggle Against T. B.

The family's struggle to conquer the disease of tuberculosis is a drama, and all social and scientific forces of the community are called upon to rush to its aid. The individual person can help do this by buying and using Christmas Seals. See that every letter and package is stamped with a Christmas Seal.

Miss White, executive secretary of the Lake County Tuberculosis association, brings you an accurate sympathetic story of a family of Lake county and the struggle it has against its known enemy tuberculosis.

A trip into a home where the grandmother is caring for four youngsters; the oldest six years old, the youngest a few months. The mother who was in the sanatorium with an active case of tuberculosis died last Summer. The yearning of these children for a mother's love is pathetic. We cannot supply this but we can give them the care they need in combating tuberculosis. These children have been tuberculin tested and X-rayed in our clinic. Three have been infected with tuberculosis through direct contact with the mother. Visits are made into the home at stated intervals and the children are taken to our clinic for periodical examinations. We are trying at the present to teach the grandmother how to care for these children so that they may have a chance to become healthful adults and an asset to the community rather than a liability.

This is one of many families having supervised care through the aid of funds from the sale of Christmas

Seals. The returns from the Christmas Seal sale is falling down this year, and we are greatly concerned about the care of these families another year unless more people of Lake county respond to our pleas. Will you not buy and use Christmas Seals and help save our children from tuberculosis? Every contribution, large or small, is a great help in building up the necessary fund to carry on another year.

Christmas Vesper Service Sunday at Bethany Church

"The Christmas Candle" a beautiful Christmas Cantata-Pageant will be presented at the Bethany Evangelical church next Sunday afternoon at a 4:30 Vesper service. A large number of the children and young people from the Church and Sunday school will participate in the program. The anthems, duets, quartets and solos as well as the story and pageantry beautifully portray the Christmas message. The closing scene provides for the bringing of "White Gifts," these gifts will again be sent to the Flat Rock Orphan home. The public is invited to share in this fine service. This program is being directed by Mrs. F. C. Noerenberg, Mrs. E. D. Fritsch, Mrs. E. Hecksweiler, Mrs. W. E. Meierhoff and Mrs. A. E. Vetter, and Mrs. L. R. Hawley is looking after the musical interests of the program.

Social Service Prepares Dolls for Needy Children

The Highland Park Social Service workshop might easily be taken for Santa Claus' workshop, if one were to step into the room where the women are engaged on a WPA project. Here dolls of all descriptions have been turned in by Highland Park people whose children have discarded them, and are being repaired and made ready for distribution among those less fortunate children.

An interesting feature of this year's dolls is that fact that about 60 dolls have been completely made by these women. The bodies which are of a good grade of muslin are stuffed with kapok. Thru the efforts of a local merchant, doll heads were secured from a New York factory at cost, making the actual cost of these dolls very small. After the bodies are completed the dolls are then dressed and are ready for Christmas.

Several interested citizens have donated new dolls, and contributions of materials have been received from various churches and organizations

shoes may be made for them. Next week, the Highland Park firemen will take the dolls together with the hundreds of toys which they have renovated and will distribute them to the homes of needy children.

Anyone who is interested in seeing the display at the Social Service are invited to visit the old City Hall building early next week. No one can appreciate the splendid work that is being done there, as well as the Highland Park and Ravinia fire stations, in preparation for Christmas for the less fortunate children in our community.

Royal Neighbors Elect New Officers

At the last meeting of the Royal Neighbors, five new members were initiated into the camp. Election of officers for 1938 was held with the following results:

Oracle, Florence Yager; vice-oracle, Pearl Maiman; past oracle, Edna Watkins; receiver, Helen Hayward; recorder, Anna VanderBloom; chancellor, Mabel Duffy; two managers, Ruth McNeil and Helen Dushesne; marshal, Ida Carlsen; inside sentinel, Bertha Bonson; outer sentinel, Henrietta Peterson.

Appointive officers are: Flag bearer, Helen Dushesne; faith, Irma Plomb; unselfishness, Norma Hill; endurance, Bertha McJath; modesty, Elizabeth Dittmer; courage, Antonette Nechville; musician, Elizabeth Worth.

The next regular meeting of the camp to be held December 22, 8 p. m. in the Elks hall, will be a birthday party. Installation of officers will be on January 12, 1938.

Change Roller Skating Schedule

The usual Navy Relief roller skating will not be held on Christmas Eve and New Year's Eve this season at the U. S. Naval Training Station, Great Lakes, Illinois, due to other scheduled holiday activities.

LOOKING BACKWARD

20 YEARS AGO
Dec. 13, 1917

Mr. and Mrs. Howard Prange of Chicago are the happy parents of a daughter born Wednesday, December 15 at the Highland Park hospital.

Correct Method for Mailing Your Christmas Letters

The local post office is calling attention to the fact that every Christmas, local housewives have their husbands mail their greeting cards, and they, rather than walk over to the Highland Park post office, mail them in Chicago. Many of these are Highland Park letters with two-cent stamps attached, and mailing in Chicago subjects these letters to the three-cent rate and are consequently held up; a notice sent to the addressee who in turn must send the 1-cent stamp to Chicago in a three-cent envelope. Many people pay no attention to these cards and thus your greeting cards are never received. After you have addressed all of your greeting cards, go through them noting the address to see that the proper stamp is securely stuck on the envelope.

Greeting cards (unsealed) mailed with a one and a done-half-cent stamp cannot be forwarded, if you are not sure that the party is still at the address you have, place a 3-cent stamp on it so that it may be forwarded if necessary. Do not write anything but Merry Christmas

Place your name and address on every piece of mail you send. Avoid as much as possible the use of small or large greeting cards, the small ones are apt to be lost and the large ones get bent or broken. At Christmas time it is unwise to mail articles that are breakable, if

you must send breakable articles, pack them well with good cushioning material and place in a wooden box. Address in large letters on one side only, in the lower right hand corner, and your return address in the upper left hand corner. Christmas seals should always be placed on the sides or back of the package.

You will be doing the post office a great favor by separating the Highland Park letters from the of town letters, placing all letters with the stamp in one corner and tying them with a piece of string. Last but not least, mail as early as possible.
