FIVE CENTS A DAY

RIDING a bicycle for sport is one thing, but if a girl had to earn her living that way and was paid for the amount of electric power she produced with the pedals, she wouldn't live very luxuriously, as Gertrude Bogard, musical belle, discovered. Gertrude, one of the youngest members of Phil Spitalny's all-girl band, plays the chimes and guitar on the "Hour of Charm" Monday nights over NBC at 9:30 EST.

The rear wheel of this bicycle is attached to an electric generator, and the amount of energy produced by its rider is recorded on the panel at the rear. If Gertrude rode at top speed all day without stopping she would generate about five cents' worth of electricity, so she has decided to stay with the band where the pay is a little better. General Electric's engineering laboratory built the bicycle to demonstrate just how much electric power a nickel buys—in terms of human effort.

Local Badminton Classes Resume Activities Soon

Did you know that Badminton is probably the most popular indoor athletic sport in Highland Park! It is popular with both men and women. The mixed doubles game of Badminton is great fun.

The shuttle that one hits weighs less than one-fourth of an ounce. To play this game well requires skill and dexterity rather than great strength. Half an hour of play gives one an excellent workout.

The game is easily learned and you can get much satisfaction out of playing the game, even though you are a beginner.

Now as to what your community has to offer in the line of Badminton:

Ravinia Badminton—At the Ravinia Village House the classes meet on Wednesday evenings. New term just starting. Mr. Howard Copp is the leader.

Lincoln Badminton—Meets on Tuesday nights at Lincoln school. Class starts January 18 and will run for ten weeks.

Braeside Badminton—Meets on Tuesday and Wednesday nights. Class meeting in the gym of Braeside school. Mr. M. Whittaker is the leader. New term now starting.

High School Badminton—Meets on Monday nights in the High school gym. New term starts this coming Monday night. Mr. George Scheuchenpflug (MR.X) is the leader of this class.

All of the above classes are open to all adults upon the payment of a small fee. The classes all start at 7:30. To make this activity possible the following are cooperating:

School Boards, Adult Education Council and Community Service of Highland Park. Come and visit, you are very welcome.
