High School to **Broadcast Over** WLS on Feb. 26

The drama and public speaking classes plan to enlist the help of the entire student body of the high school to present a radio program Feb. 26 over station WLS concerning our high school. The program, known as the "High School Parade." which will be presented at 10:30 a.m. will call for the cooperation of all the different organizations in this school.

Later in the year there is a possibility of entering a nation-wide contest conducted for high school people in radio continuity writing and delivery. The radio work included now in our drama and public speaking classes offers good training for this appearance and the students hope to out-do the other Chicago area schools despite our difficult position of appearing in almost the last broadcast.

Listen on Saturdays and bring Miss Rinkenberger your ideas and criticisms before February 4th perhaps your continuity will be chosen for production.
