HIGHLAND PARK, ILLINOIS, THURSDAY, JANUARY 20, 1938

NUMBER 47

Ralph Church Out For Reelection; Not For Senate

Congressman Ralph E. Church of Evanston will be a candidate for reelection to the national house of representatives from the tenth Congressional district, and will not be a candidate for the United States Senate, according to a letter to the Highland Park Press this week.

Although deeply grateful to his many Republican friends who sought to place his name on the Republican primary ballot in the senate race, Congressman Church explained, that he is circulating his petition to be a candidate for the Republican nomination for reelection.

Petitions for the Senate position were circulated by H. L. Williamson, president of the Illinois Press association and not by association of the Congressman, who were familiar with his present plans, to seek reelection.

The letter of Congressman Church, to the Highland Park Press was as follows:

CONGRESS OF THE U. S.

House of Representatives

"My attention has been called to the fact that some of my enthusiastic friends in different parts of the State have again initiated a movement to have me run for the United States Senate. While I naturally appreciate such expressions of confidence, I wish to make it clear to the people of the 10th District, whom I am privileged to represent in the House of Representatives, that I am a candidate for reelection to my present seat in Congress. For that purpose I have accordingly sent my nomination petitions for Congress to the 10th District citizens for signature.

"I make this statement in order to remove any confusion which the enthusiasm of my good friends may cause in trying to prevail upon me to run for the Senate.

"To discharge properly my responsibilities and duties to the 10th District, I am determined not to miss a single day's session. A personal Primary campaign thus being precluded and entirely out of the question, I confidently rely on the efforts of my friends and believe my record will speak for itself.

Ralph E. Church, M.C.

Ravinia Philanthropy Committee Prepares Donation to Home

The Philanthropy committee of the Ravinia Women's club, under the chairmanship of Mrs. George Prindle, is offering club members the opportunity to lend actual assistance in their philanthropic work. For years the committee has done the entire job of filling suitcases for the girls of the Evanston Mary home, but this year each individual member may have a part by donating an article for the suitcase or a small sum of money to purchase the articles.

The Mary home is training 14 to 17 year old girls for house work, the girls having been brought to it by the Chicago Juvenile Court, often because of poor home conditions rather than delinquency. They possess nothing but the garments on their backs, and the Women's club has purchased 13 cases which they desire to fill with new garments that the girls may take when they go out on their first jobs. The articles included in each case are: 2 cotton dresses, 1 cotton pajama, 1 brassiere, 1 step-in, 1 slip, 2 pairs stockings, soap, toothbrush and paste, powder and puff, and sewing bag equipped with black and white thread, assorted darning cotton, and needles. Club members desiring to donate dresses or pajamas would find it to their advantage to buy remnants which Social Service will convert into garments free of charge.

Anyone desiring to cooperate in this worthwhile club project may phone Mrs. Prindle, H.P. 1141.

Housewarming Jan. 25 at Ravinia School

The Ravinia Parent-Teacher association will hold a housewarming, Tuesday evening, January 25th, at 8 o'clock. There will be a short meeting at the Village house, at which the principle speakers will be Miss Pierson and Mr. Wright.

All classrooms in the new and old part of the school will be open after the meeting. All parents are urged to come and see all the rooms and the children's work therein displayed.

Ice Carnival to Be Held Sunday at Deerfield Pond

An ice carnival will be held on Sunday at 2:30 o'clock at the Deerfield Community ice pond on North Waukegan road, under the sponsorship of the Deerfield Woman's club. A small charge is being made to all spectators and the proceeds of the carnival will be used for the purchase of amplifiers for the field house and maintenance of the building.

Refreshments will be served in the field house basement throughout the afternoon and evening. There will be ample parking space for all automobiles on the property adjacent to the ice rink.

The committee in charge of the carnival includes Mrs. Ward Gauntlett, entertainment; Mrs. G. Piepenbrok, hospitality; and Mrs. Eugene Becker, publicity. William Johnston, village commissioner of public works, will have charge of the grounds.

If the weather should be unsuitable for ice skating, the program will be postponed to the following Sunday.

Program

An exhibition of fancy ice skating by Mr. and Mrs. H. H. Degenhardt and three daughters of Highland Park and Miss Helen Frank of Ravinia will be the high light of the program. The following events will be run off in the order listed below:

GRAND MARCH: for all entries and prizes will be awarded for best costume.

Races

A. 50 yards boys and girls under 8 years old.

B. 100 yards—(1) Boys 8 and 9 years old; (2) girls 8 and 9 years old.

C. 150 yards—(1) Boys 10 and 11 years old; (2) Girls 10 and 11 years old.

D. 200 yards—(1) All boys in high school; (2) All girls in high school.

E. Push race—(1) Boy under 13 pushing girl under 13 on sled. (2) Open—Boy over 13 pushing girl over 13.

F. Backward race—(1) Girls under 13; (2) Boys under 13; (3) Girls over 13; (4) Boys over 13.

G. Hockey Stick Race—Dribbling puck. Over 12.

H. Fancy skating (two minutes or less)—(1) Boys and girls in Grammar school; (2) Boys in High school; (3) Girls in High school. (4) Open, any sex, any age.

No one person may enter more than three different events.

Hurl Dye Here For Second Time In Month

For the second time within a month dye hurling vandals visited Highland Park, leaving the First National Bank at the corner of Central and St. Johns avenues, a victim for the first time, while the A. H. Watson home, 648 Carol court, was given its second coating.

The First National Bank had been given a coat of paint during the late fall, and it is believed that employment of non-union labor was responsible for the damage done.

The throwing of the dye took place between 1:25 and 1:35 Wednesday morning. The H. P. police squad car had left the bank corner shortly after 1:25 on one of its nightly cruises. According to a taxi driver, about 1:30 two men drove up in a car, in front of the bank building, got out of their car, hesitated a moment and then got back in and drove away. At 1:35 the squad car returned, and discovered that aniline dye had been thrown against the building. A flash was sent to a squad car in the south end of town, which toured that district, only to find that the Watson home was again a victim.

Admiral Ellis to Speak Before Men's Fellowship Club

The monthly dinner and meeting of the Men's Fellowship Club will be held on Wednesday, January 26, at the Highland Park Presbyterian church. The speaker is to be Rear Admiral Hayne Ellis. Not alone because of the important position now held by the Admiral will his talk have special interest but because of his experiences in the past, which comprise service in the Philippines, Australia, the Boxer Rebellion, and his knowledge of international affairs. It is hoped that members of the club and others who might wish to attend will save this night, and make reservations in ample time.

Hold Community Leadership School At Bethany Church

A Community Leadership Training School for teachers and workers of Sunday Schools will be held at the Bethany Evangelical church in Highland Park, Feb. 1, 8 and 15. This school will be conducted under the auspices of the Lake County of Christian Education. All Protestant churches of Highland Park, Highwood, Deerfield, Lake Forest and Lake Bluff are cordially invited to send all their teachers to enroll in this very important school. The Lake County Council has selected

Garrison, director of Christian Education of the Christ Episcopal church of Winnetka, as the instructor. Prof. Garrison will speak along the line of lesson preparation, worship and music, art in religion and class activities. A small registration fee will be charged to help cover the expenses involved in putting on the school. Prof. Garrison is well qualified as an instructor in the field of Christian Education and is personally known to many people of this vicinity, having lectured in Highland Park last year.

The Lake County Council of Christian Education is setting up three similar schools in other parts of the county, and they have been fortunate in securing the services of Prof. Garrison for all of these schools. Mr. C. W. Haltenhoff of Lake Forest is the president of the county organization and Miss Irene Rockenbach of Deerfield is the executive secretary. Much of the credit of the success of this fine organization is due to the hard work of these two officers. Mr. H. D. Faxon, Baker Hamilton and Rev. H. F. Siemsen of Highland Park are representatives on the Council. The hour set for the above announced meetings will be from 7:30 p.m. to 9:00 p.m. each evening indicated.

Elliott Humphrey Will Speak Tuesday On "Seeing Eye"

The Highland Park committee of the Seeing Eye of which Mr. James L. Martin is chairman, announces that the meeting at which Morris S. Frank with his guide dog "Buddy" and Elliott S. Humphrey, vice-president of the division of training and research, will speak, is to be held in the Highland Park Woman's club at eight o'clock on the evening of Tuesday, Jan. 25.

Elliott S. Humphrey, vice-president of the Seeing Eye and head of its division of training and research, is one of those people, rare and colorful in manner and achievement, of which this earth may well be proud. If you will think of our late Will Rogers, of his home life, his ranch life, his philosophy, his indomitable wit, his manner of speech and his way of walking, you will know "Jack" Humphrey.

MORRIS S. FRANK, the first blind man in America to use a Seeing Eye Dog, with "Buddy," his guide.

Drawing such a parallel naturally necessitates a background similar to that of Will Rogers. Jack Humphrey has it. Born in Saratoga Springs, when racing ran high, and Canfield kept pace with it, he naturally tried his luck in piloting fast horse trios over the line. It was probably here that his first love for animals came to the surface and the dream most boys have at some time took hold of him,—that of the

Social Adjustment of Pupil Will Be Discussed at P.-T.A.

In line with the very valuable discussion of a thoroughly integrated personality, which is the duty of parents, teachers and schools to produce, given at the January meeting of the high school P.-T.A. by Professor F. C. Rosencranz, of the Department of Education at Northwestern university, who substituted for Dr. S. A. Hamrin, who was detained at home by illness, the February meeting promises to be very stimulating and helpful.

It will take place in the English club room, on Thursday, February 3, directly after the usual friendly tea and conferences with the teachers, beginning 3 o'clock, and concluded by 5:45 to allow the

subject to be discussed will be the ever-present and somewhat difficult one of "Social Adjustment of the Pupil." In order to have every point of view represented, so that the most satisfactory results may be obtained, the subject will be discussed first by a parent, chosen by the program chairman, Mrs. E. T. R. Murfey and the board of directors of the P.-T.A., then by a girl student and a boy student, chosen by representatives of the student body from the senior class, and then any interested member at the meeting. Necessarily opposing points of view due to age, social or religious backgrounds, importance of social and school life, ideals of conduct and of health, freedom of action—in fact, a horde of differences which must be adjusted if the young person is to lead a happy existence during this most difficult period of adolescence, will be presented in an effort to arrive at the most satisfactory conclusions.

This publicity is purposely given early, so that those parents and teachers who have definite views on the subject can be prepared to state them in the open discussion, and, on the contrary, those parents and teachers who are confused concerning the essential issues, may be prepared to discuss their dilemmas in order to gain advice from those who have already found a workable solution. It should not be necessary to say that this discussion must not be personal but should be concerned with attitudes, convictions and points of view gained through experience and study. Because of the real interest always evinced in Highland Park by the school faculty and by the parents of the students in solving problems due to the complexity of modern life, the February program is bound to be a most interesting and mutually helpful one.

"Second Honeymoon" At Alcyon Theatre

"Alcatraz Island," a thrilling drama which presents John Littel and Ann Sheridan as its stars will be on the Alcyon screen for Friday and Saturday of this week. But, "Alcatraz Island" is more than a story of love, both romantic and parental, and of exciting adventure on the mainland.

In a smart and modern manner, but with a new and deeper feeling, Tyrone Power and Loretta Young make merry in the merriest romance of the year, "Second Honeymoon," which the Alcyon will feature on Sunday, Monday and Tuesday. No one in all the world loves a lover like another lover, so Stuart Erwin, as Tyrone's gentleman's gentleman, tries his darndest to introduce his master to a state of happiness similar to that he has won with pretty Marjorie Weaver. Paradoxically, the valet's romance is the very thing that keeps Tyrone and Loretta apart.

For those who like a rousing tale of pirates and smugglers, a real "Treasure Island" yarn, a tingling narrative with plenty of young romance to bargain, we highly recommend "Dr. Syn", the new George Arliss picture to be presented by the Alcyon on Wednesday evening only. It's a picture for the whole family to enjoy, for it fairly tingles with excitement.

104 Employees Attend Dinner Thursday P.M.

One hundred and four employees representing the Lake Bluff, Lake Forest, Fort Sheridan, Highwood Highland Park, Hubbard Woods and Elgin stores of the Community Service Grocery company, attended the annual dinner, held Thursday evening at the Green Tea Pot here. Mr. John C. Milton of Lake Forest, a member of the Personnel department of Armour & Co., as guest speaker, gave a very interesting and timely talk. Mr. Abrams and Mr. Field also addressed the assemblage.

Community House Project Is Approved; Park Site Favored

Balke's Dedicate American Debut To Isidor Philipp

Roger and Annemarie Balke of 40 Deere Park Drive South, Highland Park, outstanding duo-pianists, will make their American debut next Sunday, January 23, at 4 p.m. at the Beaux Arts Salon, 505 N. Michigan avenue, and dedicate their program to their great French master and friend, Isidor Philipp, director

Hon. Ullrich Beusch, Consul of Switzerland, Dr. Clarence Balke, distinguished discoverer and scientist, and father of the young Roger Balke, will be the Guests of Honor along with Miss Ma-li Bacon, Superintendent of Music of the Glencoe Public Schools.

Mlle. Mathilde Ernestine, America's youngest international impresaria, is directing the Beaux Arts Salon, and presents outstanding young Chicago and Illinois artists every Sunday at four in the magnificent Formal Lounge of the Medinah Club. This is America's first and only true French salon and her purpose is to aid young artists on a co-operative basis. This is the second year of these weekly concerts.

The Beaux Arts Salon was inaugurated in Paris, France, in 1934-35 and Isidor Philipp and other noted French masters were the patrons of these Franco-American concerts held at the Claridge Hotel on the Champs Elysees under the direction of Mlle. Ernestine, who is also a music critic and writer.

These salons at the Medinah Club will continue until June of this year. Following the concert is a reception and tea and then travel films of Switzerland will be shown on January 23rd.

Reservations may be made by calling H. P. 1044.

Moldaner & Humer Celebrate 25th Anniversary Today

Molander and Humer, furriers and tailors, 16 North Sheridan road, are celebrating their twenty-fifth anniversary today.

Jan. 20, 1913, Ernest Molander and Ferdinand Humer opened a tailoring establishment in the North Shore Trust building on Sheridan road, where they continued to operate until 1923 when they built their own building at 16-18 N. Sheridan road, where they are now located.

When these two prominent business men came to Highland Park neither of them were married. However, both are married now, Mr. and Mrs. Humer and their family of three girls and one boy residing at 313 McDaniels avenue, and Mr. and Mrs. Molander and their family of three girls living at 418 Lincoln place.

Both men have taken an active part in all civic and philanthropic enterprises during their residence here. At present Mr. Molander is exalted ruler of the Highland Park Elks lodge, while Mr. Humer is regent of the Royal Arcanum lodge of this city.

Many people feel that the number "13" is a jinx to them, but not so with Ernest Molander. He believes it to be his lucky number for he was born on the 13th of July, came to Highland Park June 13, 1913, entered business in Highland Park in 1913 and was married Nov. 13, 1913.

The Press joins their many friends and business associates in congratulating them on their past success and wishing them many continued successful years of business in Highland Park.

Central Market To Open Here Saturday

Adam Schmalz, former partner of Highland Meat Market and recently in charge of the meat department of the Shield of Quality Store in Ravinia, will open "The Central Meat Market" at 523 Central avenue, on Saturday, Jan. 22.

Give Dance Feb. 12
The St. James C.Y.O. basketball team will hold a dance Saturday evening, February 12, at the Oak Terrace school. Proceeds from this affair will help defray the expense of suits for the club.

A total of 1691 votes were cast by mail and in schools in a city-wide poll in December and complete tabulation just disclosed by Community Service of Highland Park shows over ten to one vote in favor of a Community House and approximately three to one in favor of the site near the water tower. A ten to one vote also favored the support of the Community House by the Community Chest.

As a result of the poll, the Directors of Community Service of Highland Park, which has approximately \$65,000 on hand for recre-

ation at their annual meeting last Monday, voted unanimously to have the associated architects, Messrs. Flinn, Mann, and Van Bergen, proceed with preliminary plans for a suitable structure. It is believed that a beginning can be made with funds on hand but it is hoped that without a campaign of any kind, generous citizens may want to add to the fund, so that an adequate and representative structure would be assured. It was pointed out that this is a favorable time to build and with funds on hand, advantage should be taken of the situation.

"The Directors will plan along conservative lines," said Mr. R. P. Sherer, president of Community Service. "The Community has enthusiastically given the 'go ahead' and told us where they would like to have the building placed. They have indicated their belief that the support of a Community Center is a proper function of the Community Chest. However, in view of conditions, our Board will plan a simple structure, housing the most needed facilities and concentrate its funds in the building itself, inasmuch as the Park Board will provide the land without cost by suitable long time lease arrangement. Furthermore, a modest budget will be worked out and presented to the Community Chest directors before final plans are made. Such a modest budget it is believed will aid rather than hinder the work of the Community Chest in going to the community annually for funds. Citizens are invited to participate in giving ideas or help in any way and headquarters are accessible to all at 549 Central Avenue. Mr. George Scheuchenpflug (Mr. "X"), Secretary and Director, is available at all times."

Details of Vote
In a city-wide mailing of a leaflet in December, over 25% return was obtained, thus giving an excellent cross-section of the community. In addition, over 1000 high school and grammar school pupils participated in a special school vote.

(Continued on page 7)

A. and P. Store Is Picketed Tuesday

Early Tuesday morning, two pickets patrolled the Highland Park A. and P. store on Central avenue. Three hours later they ceased their walking and went away.

Neither members of the meat department of the store or the Meat Cutters union, whom the pickets represented, would discuss the situation. It is rumored, that failure of the A. and P. store to negotiate with the union was responsible for the picketing.

The sign worn by the "sandwich men" read: "This store is unfair to organized labor. Meat Cutters Union Local 262. A. F. of L. and CIO." The Amalgamated Meat Cutters and Butcher Workmen of North America union was organized last July. Its jurisdiction extends from the Wisconsin state line to Cook county.

Sue Tavern For \$150,000 After Two Die In Crash

Suit for \$150,000 was filed under the dramshop act in Lake county court at Waukegan Wednesday against Samuel Bernardi, Highland Park real estate owner, and his son Arthur, who operates a tavern in the elder Bernardi's building at 246 Waukegan avenue, Highwood. The suit was filed on behalf of Ronald Orsi, 2 years old, whose parents, Mr. and Mrs. Arthur Orsi, formerly of 1200 Deerfield road, Highland Park, were killed in an automobile accident. The suit asserts that the driver of the other car, Harry Momborg of Rockford, had been drinking in the Bernardi tavern.
