CHRISTIAN SCIENCE CHURCHES

"Spirit" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, Febru-

The Golden Text was, "Grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption" (Ephesians 4:30).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "God is a Spirit: and they that worship him must worship him in spirit and in truth" (John 4:24).

The Lesson-Sermon also included the following passages from the Christian Science textbook "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "In the Bible the word Spirit is so commonly applied to Deity, that Spirit and God are often regarded as synonymous terms; and it is thus they are uniformly used and under stood in Christian Science" (p. 344-5).
