About two hundred representatives of local organizations were guests at a smoker and open house, held Tuesday evening in the Elks hall, by Highland Park Lodge No. 1362, B.P.O.E. The evening's entertainment was under the direction of Robert Anspach, chairman, to whom great credit is due for the success of the evening. All those who were privileged to attend were most appreciative of the gathering and a feeling of unusual friendship was evidenced among the organizations represented.

A very interesting program was arranged including dances, singing and talks by well known personages.

Dick Martin acted as master of ceremonies and presented the talented young Kelly boys who recently gained fame for their song and dance act at the Chicago theater. They presented some very clever numbers accompanied by their mother at the piano.

Marguerite Moldaner, daughter

of Exalted Ruler Ernest Moldaner, who displays unusual ability as a singer, sang three arias. Her accompanist was Mrs. J. J. Rink.

Miss Ruth Chalmers and Frank Moran, graceful portrayals of the modern dance rhythm, gave a beautiful demonstration of ball room dancing.

Johnny Dickshot, left fielder for the Pittsburgh Pirates, presented an interesting talk on baseball, giving his impressions of the game.

The outstanding number on the program was a talk given by Rabbi Shulman on "Democracy and Modern Life," which was very inspiring and enlightening.

Such meetings as this help to develop a better understanding among local groups, and develops a greater community spirit.

### 4-H Girls to Study Art of Picknicing in Food Project

Eight studies on foods are being offered to prospective 4-H food club members for the coming year. The (1) cookie project, outstanding favorite among Illinois club girls in 1937 will be repeated, with the added advantage that a cookie manual including recipes and baking information will be available. Other projects are:

(2) quick breads, (4) dairy foods, (5) yeast breads, (6) outdoor meals and (7) the canning of fruits and vegetables, report extension specialists in junior club work, College of Agriculture, University of Illinois.

More attention will be given to the outdoor meals project as a club interest with all members in the club sharing in the responsibility of planning and preparing proper lunches. The individual member will also plan and prepare a number of picnics to which she will invite her own family or a few friends.

Last year more than 4,000 girls carried on foods projects, kept records of their work, participated in club activities and gave talks and demonstrations on subjects related to their work, specialists report.

Anyone interested in these projects may receive further information by writing Mrs. Helen Volk, Home Bureau office, Grayslake, Ill.

### Chicago Man Dies In Crash Monday On Skokie Highway

Howard Carpenter, 36, of 1753 Greenleaf avenue, Chicago, died at 11:30 Monday night at the Highland Park hospital from injuries received when the automobile in which he was riding crashed into the rear of a truck parked on the section of Skokie road illuminated by sodium safety lights near Northbrook. The accident occurred at 7 p.m.

Carpenter was accompanied by Karl Peterson, 32, of the same address when the automobile hit the truck driven by Ben Levin of 4444 Grenshale avenue, Chicago. The truck had been driven off the pavement side, leaving two wheels on the road, directly under one of the safety lights, while Levin was being questioned by highway police about a license.

### N. S. Yacht Club Annual Ball Feb. 19

The third annual ball of the North Shore Yacht club will be held Saturday, February 19, at the Racine Village House. It will be from 8 until 1.

Music will be furnished in the superb style of Cliff Aspegren and his orchestra. This is Northwestern's No. 1 dance band.

Dancing will be in a nautical atmosphere with the tang of the sea prevailing. Signal flags, lights, bells and belles, all present to make the evening delightful for you.

We of the North Shore Yacht club with the Sea Scout ship Highlander invite each and every one to attend. Please remember our promise of last year. This will be even larger and finer than before.

### Rehearsals Start For WLS Broadcast

With plans for the WLS broadcast completed, rehearsals started yesterday at Highland Park high school. The broadcast will take place on Saturday, February 26, at 10 a.m.

The basis of the program was written by Pot Pourri and revised by several groups of students. Due to the fact that only union musicians can play over the radio, not even recordings of the band and orchestra can be used. The only music to be included will be on excerpt from the "Stunts" program.

The script was sent to WLS on February 12 for final revisions by the station's continuity department.
