**CHRISTIAN SCIENCE CHURCHES**  
 "Mind" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 20.  
 The Golden Text was, "O Lord, how great are thy works! and thy thoughts are very deep" (Psalms 92:5).  
 Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Canst thou find out the Almighty? canst thou find out the Almighty unto perfection? (Job 11:7).  
 The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "There can be but one Mind, because there is but one God; and if mortals claimed no other Mind and accepted no other, sin would be unknown. We can have but one Mind, if that one is infinite" (p. 469).

8:15 is the hour  
 Whether moonlight or shower,  
 Watch the Crab-apple sour  
 Blossom into a flower.  
 Laugh with all of your might  
 Forget your sad plight,  
 For this is the night  
 To make all cares take flight.  
 So we'll see you all there  
 To decline isn't fair  
 Give your troubles the air  
 For this Friday night flare.
