Brief Biographies Of Candidates To Appear Each Week

To familiarize the voters of Highland Park with the lives of the various candidates who are seeking nomination at the coming primary election on April 12th, the Highland Park Press is running a series of

biographic and Republican candidates. Last week the Press gave a resume of Allen J. Nelson who is a candidate for Probate Clerk, and William J. Stratton, who is seeking nomination to the County Clerk's office. Thru an error it was stated that Stratton was a candidate for Secretary of State. It was also erroneously stated that Highland Park had only one candidate running for a county office. Mrs. Esther C. Singer is seeking the Democratic candidacy for County Judge. Robert Greenslade is the other Highland Park candidate for County Treasurer.

This week we are presenting a review of Harold D. Kelsey, a candidate for State Representative from the Eighth Senatorial District; Thomas T. Kennedy, candidate for County Sheriff, Garfield R. Leaf, who seeks nomination as County Treasurer, and John E. Froelich, also a candidate for Sheriff.

Garfield R. Leaf

Garfield R. Leaf, a well known resident of Waukegan, has officially announced his candidacy for the nomination of County Treasurer on the Republican ticket.

"Gar," as he is familiarly known to hundreds of local residents, will make his bid for the votes of the County Republicans on the basis that his 10 years' practical training will give him a foundation of knowledge and experience of genuine value to the taxpayers.

Mr. Leaf entered the County Treasurer's Office a decade ago when that office was being administered by Jay B. Morse. He was appointed Deputy County Treasurer and Cashier when Allen J. Nelson was elected County Treasurer three years ago. For the past six years he has been a member of the Republican Central Committee.

Mr. Leaf was born in Waukegan May 26, 1902, and his family moved to Lake Forest in 1912 where he attended the public schools, Deerfield-Shields High School and Lake Forest College. During his High School and College days he distinguished himself at both basketball and football.

Mr. Leaf is married and has two daughters, ages 10 and 7.

Dr. S. Cyril James, English Economist, Speaks Here March 10

The Men's Fellowship Club of the Highland Park Presbyterian church is having its next dinner and meeting on Thursday evening, March 10, at 7:00 in the Parish house.

The club has been very fortunate in securing a speaker for this meeting Dr. S. Cyril James. Dr. James is one of the most outstanding of the younger English econ-

omists in this country. He is executive vice president of the Economist's National committee on monetary policies; he is chairman of the graduate faculty in the Wharton School of Finance and Politics at the University of Pennsylvania. Dr. James is on special leave of absence from the university at this time to make a study of the Chicago money market for the First National Bank.

This meeting will be an especially interesting one as the subject is so timely. All men of the community are cordially invited to attend. Reservations should be made for the dinner by calling H.P. 683.

Public Service Co. Sponsors Contest On Home Building

A "Home Building and Modernization Contest" sponsored by the Public Service Company of Northern Illinois offering \$4800 in prizes was announced this week by E. A. Menke, District superintendent of the company.

The total prize money will be divided into 24 prizes of \$200 each with eight awards in each of the three major divisions of the territory served by Public Service Company of Northern Illinois. Any new or modernized home served by the company, on which construction or modernization was started after February 1, 1937, and which will be completed between the period from August 15, 1937, to October 1, 1938, may be entered in the contest. Homes will be judged according to ten specifications which are: good location and architecture, sound construction and skilled labor, quality materials and equipment, landscaping and interior decoration, sound financing, new materials, plumbing and sanitation, heating and air conditioning, insulation and sound deadening and electric and gas utilization.

"This home building activity is being conducted for two reasons," says Mr. Menke. "First we believe that anything that can be done to increase interest in home building is important to the welfare of all of us in this community. Second, we believe it's worth while to direct attention to new developments contributing to comfort, enjoyment, health and convenience in the modern home."

"Student Stunts" Scholarship Fund Project, March 19

In the spring of 1927, an active and ambitious group of the P.T.A. at the Deerfield-Shields High school felt the need for a scholarship fund which would keep deserving students in school till graduation.

work in college. Mrs. Harry Paul, then president of the association, appointed Mrs. Albert Snite chairman of the Finance committee. As a result of the work of Mrs. Snite and her committee, the first "Student Stunts" was presented to the public in May, 1927. The show was tremendously successful, far surpassing even the fondest hopes of its sponsors.

Mrs. Snite can be largely credited with conceiving the idea of a student vaudeville. She believed that there were many activities at the high school, such as the work done in the tumbling and dancing classes as well as projects of the music and dramatic departments, that the public did not know about. In a conference with Superintendent Sandwick and several other teachers it was decided to initiate such an annual performance and to offer a five dollar gold piece to the student submitting the best title for the show. All public and parochial pupils were invited to participate in the contest for a name.

Ruth Robbins, a Deerfield student of the class of '28 won the five dollar prize with her suggestion "Student Stunts," a name which has become traditional at the high school. The scholarship fund raised by "Stunts" was named the Richard F. Sandwick Memorial Scholarship fund in memory of Superintendent Sandwick's son whose untimely death in an auto accident thwarted a most promising career. Young Richard Sandwick had played on Deerfield's league championship football team and had captained the team in his senior year. No better name could have been selected to identify the spirit of the school with such a worthy cause.

Miss Zoe Comer directed the first "Student Stunts" on Friday, May 13, 1927 with 150 in the cast and Harry Bolle's 60-piece band opened the program with "Under the Double Eagle."

From 1927 till 1937, "Student Stunts" has been the high school's most popular entertainment feature. After Miss Comer became Mrs. Theodore Cloak, Miss Elyse Rinkemberger became dramatics coach, and since 1931 has successfully directed eight of these P.T.A. sponsored productions.

On March 19, two weeks from Saturday night, the twelfth annual "Student Stunts" will be given in the high school auditorium. Again its sponsors are the P.T.A.; its proceeds are to be used for the scholarship fund; and its program will uphold the traditions of variety and perfection which make for a night of 100 per cent entertainment.

The following girls have been selected to participate in a modern dance program for "Stunts": Ruth Chalmers, Doris Rafter, Dot Owens, Pat Flynn, Doris Ostrand, Rosamond Degenhardt, Beatrice Gaidzik, Dot Moldaner, Betty Breakwell, Ruby Zimmer, Jeanne Jenkins, Mary Heed, Lorraine Weaver, Helen Laing, Margaret Finch, Midge Mitchell, Miriam Wichman, Lillian Glass, Peggy Juhrend, and Dot Lytle.

D. L. Shillinglaw To Give Views On Conditions Abroad

Mr. D. L. Shillinglaw, head of a Chicago investment firm bearing his own name, will speak next Tuesday evening, at the monthly dinner meeting of the Highland Park Chamber of Commerce.

Green Tea Pot, followed by the regular meeting. Having spent considerable time during the past year in travel throughout almost all of the European countries, it is most fitting that he should choose as his subject "The Imperialism of Fear—What I Heard and Saw in Europe." He talked with the heads of the countries in some cases and got a real insight into existing conditions. His subject should be pleasing as well as most informative.

Drama Group to Sponsor "Excerpts" at Woman's Club

Those residents of the community who enjoy a delightful evening of first class entertainment in dramatic productions must save Friday evening, March 11, for an especially interesting event. Mrs. Frank Ronan, chairman of the Drama Group of the Highland Park Woman's Club, and her able committee members, Mrs. James Freudenthal, Mrs. J. Lawrence McDermott, Mrs. Milton Souther, Mrs. Frank Sturtevant and Mrs. Alonzo Tenney, are sponsoring "excerpts" in the Noel Coward manner, at the Club House, that evening at 8:15. The excellence of the cast, the attractive form of the entertainment, and the artistic manner in which it will be presented, ensure the enthusiastic and capable actors and actresses of a capacity audience.

Tickets are selling at a nominal price, and can be obtained from any member of the committee, or at the local drug stores. The club members received one ticket through the mail, which they are to feel free to return if unable to use, so that someone else in the community desirous of attending may use it. These amateur theatrical groups have been furnishing the legitimate stage with many of its finest actors and actresses the past few years, and should enlist the support of drama lovers in the community.

St. Patrick's Dance At H. P. High School

Tickets have been received by Highland Park citizens for the annual St. Patrick's dance given by the Highland Park Fire department which is held each year on St. Patrick's evening, March 17th. Again this year the annual event will be held Thursday evening, March 17th, at the Highland Park High School.

As the proceeds from this affair go toward the Firemen's pension fund, it is hoped that the residents of this community will respond by the purchase of tickets. This is your opportunity to show appreciation for the services extended the city by your local firemen. If you cannot attend the dance, you can help by buying a ticket.

Lela Schmidt's Dutch Girls' band from Milwaukee, which proved so popular at last year's dance, will again furnish the music and a floor show. All who attend are assured an evening of entertainment well worthy the price of admission, Remember, Thursday, March 17th.

Motorists Warned To Get 1938 Licenses

A warning was issued today to some 1300 lagging vehicle owners by Police Chief Edward Maroney to purchase their city vehicle plates before March 15, or else—pay a possible fine.

Those who do not comply with this warning and procure their 1938 city licenses will be brought into court and fined.

Secretary of State, Edward J. Hughes, early this week issued a warning to all motorists who have failed to secure their 1938 plates, to do so at once.

Illustrated Travel Talk to Feature Ravinia Meeting

It will be welcome news to those residents of the community who enjoy attending the "Twilight Gatherings" held on Sunday afternoons at the attractive Ravinia Village House, to learn that on Sunday, March 13, an especially appealing program will be given. Any interested person is invited, for the key-

To those who desire to travel but have not the time nor, perhaps, the wherewithal to accomplish this desire, it will be a real joy to hear about the travels of the Morris Greenbergs of Ravinia, in Mexico and Guatemala, and to see the really thrilling moving pictures in color of those two countries of exotic beauty and charm. It will be a delight to leave for a few minutes our land of economic distress and constant struggle, to bask in the sunshine of lands where material comforts do not matter, but the joy of living is a fact. Mr. Greenberg is a member of the Chicago Camera Club, where he has exhibited some of his fine work, and his enthusiasm, his knowledge of these exotic countries, and his brilliant studies of Southern life, will delight all who attend the coming "Twilight Gathering."

Following the program, in the absence of the chairman of the Arts committee of the Ravinia Woman's club, Mrs. Dudley Crafts Watson, under whose auspices this meeting will be held, Mrs. Mary Helms, co-chairman, assisted by Mesdames David Clarke, Lew Saret, William Savin, Harry Epstein, Mrs. John Warrington, and Arthur Raff will serve coffee and delicious sandwiches, while those present will have an opportunity to chat about the prettily decorated tea table.

Bishop Stewart to Preach Sunday at Trinity Church

As has been the custom for a number of years the Rt. Rev. George Craig Stewart, D.D., Bishop of the Diocese of Chicago, is coming to Trinity Episcopal church for the first Sunday in Lent—March 6.

At the 11 o'clock service Bishop Stewart confirms a class and preaches the opening Lenten sermon; and the community is fortunate in having the stirring and brilliant voice of one of the outstanding preachers of the Episcopal church on this important occasion.

The Lenten season, which is being more widely observed as the years go by, is based on the sound thesis that it is an essential part of education occasionally to refrain from things that are harmless thus developing strength to resist that which is destructive. Modern psychology is very definitely saying Amen to this principle which has been a part of the teachings of the church even since the days when Christ brought the glad tidings to men seeking the fullness of life.

Mrs. F. A. Miller Passes Away Feb. 26

Dealers Here To Offer Outstanding Used Car Values

In conjunction with a national drive sponsored by automobile dealers and manufacturers of the United States, Highland Park automobile dealers will participate in the

being held throughout the United States March 5 to March 12. During this campaign many outstanding values in used cars are being offered by the local auto dealers. Among the local dealers who are taking part in this drive, and whose advertisements are appearing in this issue of the Highland Park Press are: Purnell and Wilson, Inc., George H. Koon Motor Sales, Cadillac Motor Car Division, Studebaker Used Car Lot, Faller and Aisner, Inc., and Marchi Bros.

Used cars placed on the market by your local dealers have been thoroughly reconditioned before they are offered for resale, thus guaranteeing you a better buy than you might be assured of elsewhere.

"Love and Hisses" At Alcyon Theatre

"Submarine D-1", a melodrama dealing with the exploits of Uncle Sam's undersea boats and the gallant men who man them, will thrill Alcyon fans on Thursday, Friday and Saturday, when this film will be screened. Pat O'Brien and Geo. Brent are co-starred, and in a part that seems to be quite as important is young Wayne Morris, the lad who shot to top ranking recently on the strength of one picture, "Kid Galahad."

Walter Winchell and Ben Bernie continue the famous feud which has made their names backyard bywords in "Love and Hisses," a musical comedy which the Alcyon will present on Sunday, Monday and Tuesday. This time they fight over pert and saucy Simone Simon, who is very "fightable over" in her debut as a singing comedienne. Bert Lehr and Joan Davis romp through a comedy romance in a most hilarious fashion. And the ending of the picture is snappy and happy, even though the truce may be just temporary.

"Victoria the Great" comes to the Alcyon screen in a powerful dramatization of the reign and incidentally romance of the famous British sovereign with Prince Albert. The past lives again in this picture so vivid in its realism, that it bridges with scarcely an effort the gap between an edgy and the modern day. Anna Neagle, as Victoria, is co-starred with Anton Walbrook. At the Alcyon on Wednesday and Thursday next week.
