Momberg Given 90 Day Sentence For Auto Killings

Harry Momberg, 26 years old, of Rockford, got a ninety day sentence yesterday on his plea of guilty to driving while intoxicated. He had already been in the Lake county jail for ninety days following the deaths on Thanksgiving night of a couple hit by his car in Highland Park.

Momberg was tried twice in Lake County Circuit court for the death of the woman, Mrs. Lucille Orsi, 1200 Deerfield road, Highland Park. The first time the jury disagreed and the second time found him not guilty. He has been held on the second indictment in the death of Mrs. Orsi's husband, Arthur.

Do You Know Illinois?

Q. Who was the first Republican elected Governor of Illinois?

A. William H. Bissell. He defeated the Democratic candidate, William A. Richardson, in 1856 by a vote of 111,375 to 106,643.

Q. Where and when was Gov. Bissell born?

A. Yates county, N. Y., April 25, 1811.

Q. What two professions did Bissell follow?

A. He was first a physician in Monroe county, Ill., but found the practice of medicine not to his taste. He abandoned it to enter public life and in 1840 was elected to the legislature. He was successful there and determined to enter law. His subsequent record as a lawyer was of a brilliant character.

Q. When did Bissell serve in Congress?

A. He was first elected in 1848 and re-elected in 1850 and 1852.

Q. What incident caused the death of Davis?

A. Davis challenged Bissell to a duel on the charge that the latter had disparaged the action of a Mississippi regiment of the Mexican War in a speech on the floor of the House. In fact, Bissell had only defended the bravery of the Illinois and other Northern regiments.

Q. What weapon did Bissell choose for the proposed duel?

A. An army musket, to be loaded with a ball and three buckshot, the combatants to be stationed 40 paces apart with liberty to advance to 10.

Q. Did the duel take place?

A. No. Friends intervened and stopped the proceedings. President Taylor, who was Davis' father-in-law, already had arranged for the arrest of both Bissell and Davis should they appear at the stipulated duelling ground.

Q. How long did Gov. Bissell serve in office?

A. From 1856 until March 18, 1860 when he died in office.

Q. Who succeeded Bissell?

A. John Wood, the Lieutenant

Governor, filled out the unexpired term from March 21, 1860, to Jan. 14, 1861. Q. Where and when was Geo-Wood born? A. Moravia, Cayuga county, N. Y., Dec. 20, 1798. He came to Illinois in 1819 and in 1822 built the first log house on the site of the present city of Quincy.

Specialist

Whistler, the artist, had a French poodle, of which he was extravagantly fond. The poodle was seized with an infection of the throat one day, and Whistler had the audacity to send for the great throat specialist, Mackenzie. When Mackenzie saw that he had been called to treat a dog, he felt incensed, but said nothing. He prescribed, pocketed a big fee, and drove away. The next day he sent posthaste for Whistler. And Whistler, thinking he was summoned on some matter connected with his beloved dog, dropped his work and rushed to the home of Mackenzie. On his arrival, the great specialist said, gravely, "How do you do, Mr. Whistler? I wanted to see you about having my front door painted."
