

### Legion Auxiliary To Sponsor Cooking School March 17

The American Legion Auxiliary are sponsoring a cooking school to be held Thursday, March 17th in the Legion club rooms in Masonic temple. There will be an afternoon and an evening session. This will be under the direction of Mrs. Taylor of the North Shore Gas company who has previously demonstrated in our community and has been enjoyed by the many who have heard her. The food which will be prepared and cooked is to be given away as prizes at the end of the lesson. The public is cordially invited to attend. A small fee will be charged.

The regular monthly meeting of the American Legion Auxiliary was held at the Legion club rooms on Thursday evening, March 2, and was attended by seventeen members and two guests. Mrs. George Weiss, child welfare chairman reported that one of the orphans, adopted by the local auxiliary had a birthday and cakes were given by Mrs. Weiss, Mrs. Johnston and Mrs. Salyards. She also reported that on valentine's day a bushel of apples was sent to the home and that the Juniors sent valentines and cookies which they had made.

Mrs. Bell stated that the bunco party given by the Juniors had proved financially successful as well as socially.

Mrs. Gust Norrien, community Service chairman, reported the distribution of various articles among several families last month.

Mrs. D. Johnson and Mrs. S. Shanafelt gave their report on the Rehabilitation conference held at Hines hospital and of the tea held at the Craft Shop in Chicago. All articles displayed in the Craft Shop are made by World War Veterans. If you are in doubt as to what to give as a prize at your next bridge party, visit the Craft Shop and select one from them.

MRS. SALYARDS.

### Annual St. Patricks Dance March 17 At H. P. High School

The Highland Park Fire Department will hold their annual St. Patrick's dance next Thursday evening, March 17, at Highland Park High school. Tickets were mailed to all residents of Highland Park a week ago, and a hearty response is anticipated.

The proceeds of the annual affair benefit the Firemen's pension fund. This is your opportunity to show appreciation for the services

rendered the city by your local firemen. If you cannot attend the dance, you can help by purchasing one or more tickets.

Music will again be furnished by Lela Schmidt's Dutch Girls' band of Milwaukee, which met with popular approval last year. The evening promises to be a most entertaining one, and all who attend are assured of a good time. The date is Thursday, March 17. The place is Highland Park High school.

### Adult Education Exhibit Is Being Held This Week

An excellent display of work accomplished in the various craft classes of the Adult Education project is now being exhibited in the English club room at the high school. This exhibit will last until Monday evening, March 14.

The sewing class exhibit consists of dresses, ensembles, coats, blouses, pajamas and baby clothes.

The metal work class is displaying work done with pewter, brass, copper and silver. Such articles as plates, trays, mugs, candy dishes, butter plates, light fixtures and a

wood basket in copper and brass are being shown.

A complete series of drawings for a seven room house and another complete series for the construction of an engine are being shown by the class in Mechanical Drawing. Many other separate drawings are also exhibited.

Tables, benches, cabinets, book racks and doll beds are being exhibited in the woodworking group.

The pottery class is showing the various steps involved in the building of various pieces. No articles are complete because the baking process has not yet been finished.

In leatherwork the class is showing such articles as purses, pocketbooks, belts, blotter ends, picture frames, book marks and playing card holders.

Everyone should avail themselves of this opportunity to see the excellent work which can be done in these classes.

Remember all these classes will be started again in October.
