#### OUTSTANDING ISSUES IN Y. W. C. A.

In outlining the issues to be considered at the Fifteenth Annual Convention of the Y.W.C.A. before the members of the Highland Park Y.W.C.A. at the annual meeting held last week, Mrs. Theodore Fischer, first vice-president, presented this paper. The Press reprints these remarks because the basic principles are important to all women citizens, as well as those concerned with the large movement found in fifty-six countries of the world.

"Three outstanding issues at this moment in the Y.W.C.A. are leadership, religion and democracy. Our leadership, both professional and volunteer, needs to carry on its work with as full a knowledge as possible of what is going on in the community and the world today that affects us as groups and as individuals. Some of us are more aware than others of unemployment, of racial discrimination, of religious bigotry, of lack of educational opportunity, of low incomes and of foreign background, while others of us are protected by our environment against the starker realities of life. But the chances for growth of each individual are enhanced by this variety of face to face contacts possible in the Y.W.C.A. and working together for goals upon which we are all agreed.

"The Y.W.C.A. believes that THE CHRISTIAN WAY OF LIFE IS THE ANSWER TO THE ACUTE PROBLEMS OF OUR TIME, and that the great question which faces us today is how to interpret our Christian faith in living terms, so that it shall be recognized as the dynamic that can transform the whole of life. To become conscious of our own relationship with God is the heart of religion, but this relationship is never truly found except as we learn to love our neighbor. Because of its immensely varied membership and constituency, the Y.W.C.A. reflects in many ways the American religious and cultural scene. With its roots in the communities as they are, and with emphasis upon the Jewish and Christian heritage of interracial and international brotherhood, the association has come to include those of Protestant, Catholic and Jewish tradition and those of no religious tradition. Although there has been indicated a trend away from explicit religious expression, yet programs designed to teach as well as to lead to the practice of religion have at all times characterized our program and do so at the present time.

"A third interest at present uppermost in the Y.W.C.A. has to do with democracy. It is recognized that democracy is a term about which there is a wide difference of opinion, yet it is acknowledged that there is a connection between Christianity and democracy. Because of the nature of its membership and purpose, the Y.W.C.A. seeks to approach a democratic way to work for those drawn together in its ranks. It seeks to uphold freedom of speech, of the press and of assembly as guaranteed by the Constitution of the United States, inasmuch as free communication of mind with mind is essential to the discovery of truth and to the maintenance of the principle of democracy.

"Here in the Highland Park Y.W.C.A. as we try to make our community program practical during the coming year may we keep these principles before us."

#### Deerpath Presents "Jungle Picture"

"I Was a Spy," in which Madeleine Carroll and Herbert Marshall are starred, is a story of the thrilling and gripping adventures of certain members of a spy ring during a great war. Especially timely, this picture will be at the Deerpath theatre for the last time tonight, March 17.

"Jungle Princess," gave Dorothy Lamour her first chance to display her talents as an actress and has been a favorite picture since its first release. Popular favor has caused the picture to be brought to the Deerpath theatre on Friday and Saturday, March 18 and 19.

"Thrill of a Lifetime" boasts a cast seldom equalled for size and prominence. In this delightful musical comedy are the Yacht Club Boys, Judy Canova, Ben Blue, Eleanor Whitney and Johnny Downs, Larry Crabbe and Betty Crable, Leif Ericson and Dorothy Lamour. This fine show will be at the Deerpath Sunday and Monday.

Paramount introduces a new star in the picture, "Cradle Song." Dorothea Wieck is destined to thrill many millions with her soul-stirring portrayal of a "Sister" in this tender and highly praised picture, which is to be shown at the Deerpath theatre on Tuesday and Wednesday of next week.

"You're Only Young Once" is a sequel to "Ah Wilderness" and contains the same characters created by Aurania Rouverol. In its cast are Lewis Stone, Cecilia Parker, and Mickey Rooney. It will be in Lake Forest Thursday and Friday, March 24 and 25.

"The Buccaneer" begins a four-day engagement at the Deerpath on Saturday, March 26.

### Auxiliary Aims To Better Conditions In Communities

"Make our community a better place in which to live," is the aim of the American Legion Auxiliary's 8,900 local units in their March activities.

Planning and launching community service projects will occupy the major interest of Auxiliary units everywhere during the month. Many different types of community betterment work will be undertaken in co-operation with Legion Posts and other organizations or by the Auxiliary independently.

Beautification of the community by improvement of parks, playgrounds and other public places through the planting of trees, shrubs and flowers is a project being planned by many units. Others will work for improvement of health conditions, by sponsoring clinics, providing public nurses, drinking fountains, hospital and ambulance equipment.

Extension of library facilities is a community service work engaged in by many units, especially in the smaller towns and rural communities.

Safety has been chosen as the activity in which all units, large and small, can take part. All units are being urged to give active support to safety campaigns in their communities. Dumaresq Spencer Post 145 of the American Legion has already launched a safety campaign, which is being waged locally against traffic accidents. May we have your cooperation in making our community a better place in which to live.
