

Centrella League Enters Home Stretch

Competition is drawing tighter as the bowlers in the Centrella Bowling League pair off for the final rounds.

It is to be noted that only 15 games separate the anchor team from the league leaders, and many of the members of the Centrella Bowling League subscribe to that well known adage of "anything can happen in a ball game."

The 1937-38 season will draw to a close on May 16th, with the Annual League Sweepstakes as the chief attraction.

Following the close of the season the Annual Evanston North Shore-Centrella stores Bowlers' Banquet will be held. Arrangements are now under consideration and plans will be announced shortly.

Bowlers take heed.
